**Astral Projection: The Beginners Guide On How To Travel ...**

Astral Projection is when your astral body detaches itself from your physical body, very similar to an outer body experience, and travels to the astral plane. The most common time it occurs is in a near death experience or during a serious illness. With practice and patience, it is possible for you to achieve astral projection on demand.

**The Fundamentals Of Astral Projection - A Beginners Guide**

During astral projection, your astral body separates from your physical body and lets you move around independent from it. The astral body is believed to survive past physical death. Depending on your beliefs, you may consider the astral body the same thing as your soul or spirit. Or you might consider it a separate aspect of yourself entirely.
