The Girl In Room 105 *Harper Collins*

Hi, I'm Keshav, and my life is screwed. I hate my job and my girlfriend left me. Ah, the beautiful Zara. Zara is from Kashmir. She is a Muslim. And did I tell you my family is a bit, well, traditional? Anyway, leave that. Zara and I broke up four years ago. She moved on in life. I didn't. I drank every night to forget her. I called, messaged, and stalked her on social media. She just ignored me. However, that night, on the eve of her birthday, Zara messaged me. She called me over, like old times, to her hostel room 105. I shouldn't have gone, but I did ... and my life changed forever. This is not a love story. It is an un-love story. From the author of *Five Point Someone* and *2 States*, comes a fast-paced, funny and unputdownable thriller about obsessive love and finding purpose in life against the backdrop of contemporary India.

Press 1 for technical support. Press 2 for broken hearts. Press 3 if your life has totally crashed. . . . Six friends work nights at a call center in India, providing technical support for a major U.S. appliance corporation. Skilled in patience-and accent management-they help American consumers keep their lives running. Yet behind the headsets, everybody's heart is on the line. Shyam (Sam to his callers) has lost his self-confidence after being dumped by the girl who just so happens to be sitting next to him. Priyanka's domineering mother has arranged for her daughter's upscale marriage to an Indian man in Seattle. Esha longs to be a model but discovers it's a horizontal romp to the runway. Lost, dissatisfied Vroom has high ideals, but compromises them by talking on the phone to idiots each night. Traditional Radhika has just found out that her husband is sleeping with his secretary. And Military Uncle (nobody knows his real name) sits alone working the online chat. They all try to make it through their shifts-and maintain their sanity-under the eagle eye of a boss whose ego rivals his incompetence. But tonight is no ordinary night. Tonight is Thanksgiving in America: Appliances are going haywire, and the phones are ringing off their hooks. Then one call, from one very special caller, changes everything. Chetan Bhagat's delicious romantic comedy takes us inside the world of the international call center, where cultural cross-wires come together with perfect pathos, hilarity, and spice.

In Pursuit of Knowledge *NYU Press*

Winner, 2021 AERA Outstanding Book Award Winner, 2021 AERA Division F New Scholar's Book Award Winner, 2020 Mary Kelley Book Prize, given by the Society for Historians of the Early American Republic Winner, 2020 Outstanding Book Award, given by the History of Education Society Uncovers the hidden role of girls and women in the desegregation of American education The story of school desegregation in the United States often begins in the mid-twentieth-century South. Drawing on

archival sources and genealogical records, Kabria Baumgartner uncovers the story's origins in the nineteenth-century Northeast and identifies a previously overlooked group of activists: African American girls and women. In their quest for education, African American girls and women faced numerous obstacles—from threats and harassment to violence. For them, education was a daring undertaking that put them in harm's way. Yet bold and brave young women such as Sarah Harris, Sarah Parker Remond, Rosetta Morrison, Susan Paul, and Sarah Mapps Douglass persisted. In *Pursuit of Knowledge* argues that African American girls and women strategized, organized, wrote, and protested for equal school rights—not just for themselves, but for all. Their activism gave rise to a new vision of womanhood: the purposeful woman, who was learned, active, resilient, and forward-thinking. Moreover, these young women set in motion equal-school-rights victories at the local and state level, and laid the groundwork for further action to democratize schools in twentieth-century America. In this thought-provoking book, Baumgartner demonstrates that the confluence of race and gender has shaped the long history of school desegregation in the United States right up to the present.

The Unlikely Adventures of the Shergill Sisters *HarperCollins*

The author of the Reese Witherspoon Book Club selection *Erotic Stories for Punjabi Widows* follows her acclaimed America debut with this life-affirming, witty family drama—an Indian *This Is Where I Leave You*—about three Punjabi sisters embarking on a pilgrimage to their homeland to lay their mother to rest. The British-born Punjabi Shergill sisters—Rajni, Jezmeen, and Shirina—were never close and barely got along growing up, and now as adults, have grown even further apart. Rajni, a school principal is a stickler for order. Jezmeen, a thirty-year-old struggling actress, fears her big break may never come. Shirina, the peacemaking "good" sister married into wealth and enjoys a picture-perfect life. On her deathbed, their mother voices one last wish: that her daughters will make a pilgrimage together to the Golden Temple in

Amritsar to carry out her final rites. After a trip to India with her mother long ago, Rajni vowed never to return. But she's always been a dutiful daughter, and cannot, even now, refuse her mother's request. Jezmeen has just been publicly fired from her television job, so the trip to India is a welcome break to help her pick up the pieces of her broken career. Shirina's in-laws are pushing her to make a pivotal decision about her married life; time away will help her decide whether to meekly obey, or to bravely stand up for herself for the first time. Arriving in India, these sisters will make unexpected discoveries about themselves, their mother, and their lives—and learn the real story behind the trip Rajni took with their Mother long ago—a momentous journey that resulted in Mum never being able to return to India again. *The Unlikely Adventures of the Shergill Sisters* is a female take on the Indian travel narrative. "I was curious about how different the trip would be if it were undertaken by women, who are vulnerable to different dangers in a male-dominated society," Balli Kaur Jaswal writes. "I also wanted to explore the tensions between tradition and modernity in immigrant communities, and particularly how those tensions play out among women like these sisters, who are the first generation to be raised outside of India." Powerful, emotionally evocative, and wonderfully atmospheric, *The Unlikely Adventures of the Shergill Sisters* is a charming and thoughtful story that illuminates the bonds of family, sisterhood, and heritage that tether us despite our differences. Funny and heartbreaking, it is a reminder of the truly important things we must treasure in our lives.

Karachi, You're Killing Me! *Random House India*

Ayesha is a twenty-something reporter in one of the world's most dangerous cities. Her assignments range from showing up at bomb sites and picking her way through scattered body parts to interviewing her boss's niece, the couture-cupcake designer. In between dicing with death and absurdity, Ayesha despairs over the likelihood of ever meeting a nice guy, someone like her old friend Saad, whose shoulder she cries on after every romantic misadventure. Her choices seem limited to narcissistic, adrenaline-chasing reporters who'll do anything to get their next story—to the spoilt offspring of the Karachi elite who'll do anything to cure their boredom. Her most pressing problem, however, is how to straighten her hair during the chronic power outages. Karachi, You're Killing Me! is Bridget Jones's Diary meets The Diary of a Social Butterfly—a comedy of manners in a city with none.
