A History Of Political Thought

The history of political thought dates back to antiquity while the history of the world and thus the history of political thinking by man stretches up through the Medieval period and the Renaissance. In the Age of Enlightenment, political entities expanded from basic systems of self-governance and monarchy to the complex democratic and communist systems that exist of the Industrialized and the Modern Era. In parallel, political systems have expanded from vaguely defined frontier-type boundaries,

The MPhil in Political Thought and Intellectual History is aimed at students who have an interest in both the theory and history of political thought (including those wider intellectual idioms which provide the context for its development). It also welcomes students whose previous study had a more specialised historical or theoretical (or philosophical) bent, provided that while doing this course they are willing to engage with both approaches to research.
