Henry Sayre Discovering The Humanities

Discovering the Humanities helps students see context and make connections across the humanities by tying together the entire cultural experience through a narrative storytelling approach. Written around Henry Sayre's belief that students learn best by remembering stories rather than memorizing facts, it captures the voices that have shaped and influenced human thinking and creativity throughout our history.

Discovering the Humanities (3rd Edition): Sayre, Henry M ...

Sandi Landis of St. Johns River Community College - Sayre's "Discovering the Humanities" is a highly readable text that introduces students to the pleasures of the field. His insightful discussions of individual works in the visual arts and literature show students how the same ideas are manifested in different genres in a given time period as well as how those ideas continue to influence us today.
