The Law Of International Carriage

international carriage means any
carriage in which, according to the
agreement between the parties, the
place of departure and the place of
destination, whether or not there be a
break in the carriage or a transshipment,
are situated either within the territories
of two States Parties, or within the
territory of a single State Party if there is
an agreed stopping place within the
territory of another State, even if that
State is not a State Party.
