The Next Wave

Financing Women's Growth-Oriented Firms *Stanford University Press*

You may be familiar with the success stories of Spanx, GoldieBlox, and other women-owned businesses that have taken their markets by storm. But, today, only two percent of women-owned firms generate more than one million dollars annually. The Next Wave is here to help women drive up that number. Drawing on the Kauffman Firm Survey and many other sources, Susan Coleman and Alicia M. Robb cull together data-driven advice for women-owned, growth-oriented businesses as they finance their expansion. They not only consider the unique approaches and specific concerns of female business owners, but also take into account the growing pool of investors who will play a role in selecting and grooming a new generation of women entrepreneurs. Since growth-oriented firms typically require external capital, the investor perspective is critical. Telling entrepreneurs what the research means for them, outfitting them with resources, and illustrating the road ahead with real world cases, this book serves as a pioneering strategy guide for the next wave of women who want to "go big" to bring home their

goals.

Will the Circle Be Unbroken?

Reflections on Death, Rebirth, and Hunger for a Faith *New Press, The*

The renowned oral historian interviews ordinary people about facing mortality: “It's the unguarded voices he presents that stay with you.” —The New York Times In this book, the Pulitzer Prize winner and National Book Award finalist Studs Terkel, author of the New York Times bestseller *Working*, turns to the ultimate human experience: death. Here a wide range of people address the unknowable culmination of our lives, the possibilities of an afterlife, and their impact on the way we live, with memorable grace and poignancy. Included in this remarkable treasury are Terkel's interviews with such famed figures as Kurt Vonnegut and Ira Glass as well as with ordinary people, from policemen and firefighters to emergency health workers and nurses, who confront death in their everyday lives. Whether a Hiroshima survivor, a death-row parolee, or a woman who emerged from a two-year coma, these interviewees offer tremendous eloquence

as they deal with a topic many are reluctant to discuss openly and freely. Only Terkel, whom Cornel West called “an American treasure,” could have elicited such honesty from people reflecting on the lives they have led and what lies before them still. “Extraordinary . . . a work of insight, wisdom, and freshness.” —The Seattle Times

Will the Circle Be Unbroken?

A Memoir of Learning to Believe You’re Gonna Be Okay *Zondervan*

From celebrated storyteller “Sean of the South” comes an unforgettable memoir of love, loss, the friction of family memories, and the unlikely hope that you’re gonna be alright. Sean Dietrich was twelve years old when he scattered his father’s ashes from the mountain range. His father was a man who lived for baseball, a steel worker with a ready wink, who once scaled a fifty-foot tree just to hang a tire swing for his son. He was also the stranger who tried to kidnap and kill Sean’s mother before pulling the trigger on himself. He was a childhood hero, now reduced to a man in a box. Will the Circle Be Unbroken? is the story of what happens after the unthinkable, and the journey we all must make in finding the courage to stop the cycles of the past from laying claim to our future. Sean was a seventh-grade drop-out, a dishwasher then a construction worker to help his mother and sister scrape by, and a self-described “nobody with a sad story behind him.” Yet he cannot deny the glimmers of life’s goodness even amid its rough edges. Such goodness becomes even harder to deny when Sean meets the love of his life at a fried chicken church potluck, and harder still when his lifelong love of storytelling leads him to stages across the southeast, where he is known and loved as “Sean of the South.” A story that will stay with you long after the final page, Will the Circle Be Unbroken? testifies to the strength that lives within us all to make our peace with the past and look to the future with renewed hope and wonder.

Mary's Voice in the Gospel According to John

A New Translation with Commentary *Simon and Schuster*

A New Light on John’s Gospel The Gospel according to John has always been recognized as different from the “synoptic” accounts

of Matthew, Mark, and Luke. But what explains the difference? In this new translation and verse-by-verse commentary, Michael Pakaluk suggests an answer and unlocks a two-thousand-year-old mystery. Mary’s Voice in the Gospel according to John reveals the subtle but powerful influence of the Mother of Jesus on the fourth Gospel. In his dying words, Jesus committed his Mother to the care of John, the beloved disciple, who “from that hour . . . took her into his own home.” Pakaluk draws out the implications of that detail, which have been overlooked for centuries. In Mary’s remaining years on earth, what would she and John have talked about? Surely no subject was as close to their hearts as the words and deeds of Jesus. Mary’s unique perspective and intimate knowledge of her Son must have shaped the account of Jesus’ life that John would eventually compose. With the same scholarship, imagination, and fidelity that he applied to Mark’s Gospel in *The Memoirs of St. Peter*, Pakaluk brings out the voice of Mary in John’s, from the famous prologue about the Incarnation of the Word to the Evangelist’s closing avowal of the reliability of his account. This remarkably fresh translation and commentary will deepen your understanding of the most sublime book of the New Testament.
