The main maxims are as follows: • equity acts * in personam; • equity acts on the conscience; • equity aids the vigilant; • equity will not suffer a wrong without a remedy (i.e. equity will not allow a person whom it considers as having a good claim to be denied the right to sue); • equity follows the law (i.e. equity follows the rules of common law unless there is a good reason to the contrary); • equity looks at the intent not at the form (i.e. equity looks to the reality of what was ...

Maxims of equity - Oxford Reference

Maxims of equity are legal maxims that serve as a set of general principles or rules which are said to

govern the way in which equity operates. They tend to illustrate the qualities of equity, in contrast to the common law, as a more flexible, responsive approach to the needs of the individual, inclined to take into account the parties' conduct and worthiness. They were developed by the English Court of Chancery and other courts that administer equity jurisdiction, including the law of ...
