BioPak's vision is a world without waste.

We are market leaders in compostable and recyclable foodservice packaging, working with restaurants, cafés, QSR's and event organisers to

implement solutions that secure a lower carbon footprint, serving the circular economy. As a socially and environmentally responsible business, we are proud to work with charities such as Shelter and Magic Breakfast, supporting our communities, and those who are most in need.

BioPak UK | Market Leaders In Sustainable Packaging ...

The BIOPAC system will simultaneously record three bands of information: 1) The force you exert on the transducer, 2) The electrical signal produced by the muscle during contraction, and 3) The integrated waveform, which is an indication of the activity levels of

the muscle. II.
