Regeneration Through Violence

The Mythology

In *Regeneration Through Violence*, the first of his trilogy on the mythology of the American West, Richard Slotkin shows how the attitudes and traditions that shape American culture evolved from the social and psychological anxieties of European settlers struggling in a strange new world to claim the land and displace the Native Americans.

In following up on his earlier study, *Regeneration Through Violence: The Mythology of the American Frontier, 1600-1850* (1973), Slotkin, who teaches English and directs the American Studies program at Wesleyan U., treads a fine line between illumination and chaos in tracing out myths, allegories, and metaphors in a variety of 19th-century sources. Myth is

understood here as a story a culture tells itself while interpreting its own history, and the myth of the frontier is certainly one we've ...
