markstrider@icloud.com tel; 07974 751 936. Strider are a 3 piece Rock Band that was originally formed in 1989. The reason for the band was easy, most bands on the circuit were playing all the usual new wave, modern pop songs that were in the charts at the time. Lots of people were fed up of the same stuff being played, and very much missed the old rock Classics from the 60's and 70's.

Strider

Now, you'll need to get a Strider. You'll have to approach a Strider to use the saddle as an item and then mount the Strider. The thing is, they usually walk on lava, which isn't good for you. If you aren't close enough to slap a saddle on a Strider, grab a regular Warped Fungus to try and get them to come closer. How to Ride a Strider in Minecraft
