Michael Freeden - Wikipedia

An ideology is a set of beliefs or philosophies attributed to a person or group of persons, especially

as held for reasons that are not purely epistemic, in which "practical elements are as prominent as theoretical ones." Formerly applied primarily to economic, political, or religious theories and policies, in a tradition going back to Karl Marx and Friedrich Engels, more recent use treats the term as mainly condemnatory. The term was coined by Antoine Destutt de Tracy, a French Enlightenment ar

Ideology - Wikipedia

- When comparing both ideology and theory, we can identify that ideologies are beliefs or thoughts of people in a community whereas theories are experimented concepts.
- It is difficult to prove that ideologies are false, but a theory can be proven to be wrong with evidence.
- However, ideologies shape a community while theories provide explanations to existing phenomena.
