The Janitor

How an Unexpected Friendship Transformed a CEO and His Company *Thomas Nelson*

Do you ever find yourself losing sight of the important things in life-work and stress can become overwhelming at times. Such is the situation where CEO Roger Kimbrough finds himself in this business parable. The Janitor was inspired by Todd Hopkins's personal experiences of interviewing overqualified retired businessmen for evening shift janitorial positions. Todd's applicants consistently would say they simply needed something to do. In this fable, janitor Bob Tidwell helps Roger to reevaluate how he is leading his business and his life. Bob's counsel is based upon six principles that Todd and coauthor Ray Hilbert discovered have the most impact on succeeding in business while holding together a personal life. Their insightful advice is delivered in a real-to-life story that inspires you to find greater fulfillment in your life. Like so many CEOs in the corner office, still working when the janitor arrives to do the nightly cleaning, Roger is having a difficult and stressful evening when he spills his guts to the older janitor. As their relationship develops, Bob, a retired businessman, promises help that will turn Roger's business and personal life around. The story follows not only their weekly meetings at the office but also the application of each principle: Recharge vs. Discharge View Family as a Blessing, Not a Responsibility Pray, Don't Pout Pass It Around Don't Spend, Invest! Leave a Legacy The Janitor's message will capture your mind and heart; stimulate meaningful, lasting life-changes; and show you how to influence your family, neighbors, and coworkers while experiencing business and life to the fullest. "Take a few minutes and devour this little book by Todd Hopkins and Ray Hilbert. It's going to be a motivational classic, and you'll be in on the first wave of inspired readers." - Pat Williams, Senior Vice President, Orlando Magic; and Author, The Warrior Within

Drawing upon Howard Lashner's more than two decades of success in the financial services industry, 10 Common Mistakes Financial Advisors Make & Simple Ideas to Avoid Them demonstrates that what many advisors consider standard operating procedures are really missed opportunities to build better, longer-lasting client relationships. Using real-world client experiences, as well as his own, Lashner focuses on eliminating mistakes that keep financial advisors from delivering the highest-level client experience possible, and from expanding their business and client roster. The result is his philosophy on how to work with clients, and a plan of action you can implement to create a personalized client experience.
