Yes is More: An Archicomic on Architectural Evolution ...

Yes is More is the rare book that combines a manifesto on the new (?) course architecture should take, the presentation of a large number of projects designed by the BIG Danish architecture power-house, a large number of anecdotes and stories related to all these projects, all wrapped-up as a comic. Overall, the manifesto is weak and the presentation is often self-servient, but the architecture, the stories behind getting projects done, and the archicomic ideas are fantastic.
