Cultural imperialism, also called cultural colonialism, comprises the cultural aspects of imperialism. "Imperialism" here refers to the creation and maintenance of unequal relationships between civilizations, favoring a more powerful civilization. Thus, the cultural imperialism is the practice of promoting and imposing a culture, usually that of a politically powerful nation, over a less ...

Cultural imperialism - Wikipedia

While the term cultural imperialism did not emerge in scholarly or popular discourse until the 1960s, the phenomenon has a long record. Historically, practices of cultural imperialism have almost always been linked with military intervention and conquest. The rise and spread of the Roman Empire provides some of the earliest examples of cultural imperialism in the history of Western civilization and highlights both negative and positive aspects of the phenomenon.
