participate in thoughtful discussions, and uncover new literary treasures. And if you ever require help locating the perfect publication, our knowledgeable personnel is below to give customized referrals.

The Physician *Open Road Media*

An orphan leaves Dark Ages London to study medicine in Persia in this “rich” and “vivid” historical novel from a New York Times–bestselling author (The New York Times). A child holds the hand of his dying mother and is terrified, aware something is taking her. Orphaned and given to an itinerant barber–surgeon, Rob Cole becomes a fast–talking swindler, peddling a worthless medicine. But as he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer. Arab madrassas are the only authentic medical schools, and he makes his perilous way to Persia. Christians are barred from Muslim schools, but claiming he is a Jew, he studies under the world’s most renowned physician, Avicenna. How the woman who is his great love struggles against her only rival—medicine—makes a riveting modern classic. The Physician is the first book in New York Times–bestselling author Noah Gordon’s Dr. Robert Cole trilogy, which continues with Shaman and concludes with Matters of Choice.

The Physician

Shaman *Open Road Media*

This New York Times Notable Book is a “sweeping historical drama” of a physician and his family on the Illinois frontier in the nineteenth century (The New York Times Book Review). Dr. Robert Judson Cole travels from his ravaged Scotland homeland, through the operating rooms of Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich the classical medical education he received at Edinburgh University. He marries a remarkable settler woman he had saved from illness. The details of how their deaf son manages to become a physician also, despite his handicap, and the story of how the Cole family is sucked into the bloody vortex of the Civil War and survives, makes an exceptional reading experience.

The Winemaker *Open Road Media*

New York Times–bestselling author: In 19th-century Spain, the son of a vineyard owner builds a life for himself, but a dangerous plot threatens it all . . . Josep Alvarez is a young man in the tiny grape-growing village of Santa Eulàlia, in northern Spain, where his father grows black grapes that are turned into cheap vinegar. Joseph loves the agricultural life, but he is the second son, and his father’s vineyard will be inherited by his brother Donat, the firstborn. Josep needs to keep his hands in the soil. He yearns for a job growing grapes and for an opportunity to marry Teresa Gallego. In Madrid, an assassination plot, conceived against the political leader of Spain by men of wealth and power, creates a storm of intrigue that sucks into its vortex a group of innocent young farm workers in Santa Eulàlia. How Josep’s life is changed

drastically by these events, and how, ironically, they gradually turn him into an inspired vintner with an evolving vision of life, is the fascinating story of *The Winemaker*.

The Death Committee *Open Road Media*

The New York Times–bestselling author delivers “a big, authentic novel” of the professional and personal challenges of three young doctors (*The New York Times*). Three young men from different backgrounds have graduated from medical schools and become surgical fellows at a leading teaching hospital in Boston. They learn to become surgeons, to communicate with patients and families, and to be observed and appraised by their peers and professors on daily rounds. And each month—sometimes with dry mouth and rapid pulse—each attends the meeting of the Mortality Conference, known to all as the Death Committee, which examines every patient loss for possible human error, in order to prevent it from happening again. How the Death Committee affects and is affected by the lives, loves, and ambitions of three new doctors is the theme of this intriguing and profoundly moving novel.

The Cole Trilogy

The Physician, Shaman, and Matters of Choice *Open Road Media*

The New York Times–bestselling author’s historical saga of a family of healers—from Dark Ages London to Civil War America to modern-day Boston. In *The Physician*, an orphan in eleventh-century London, Robert Cole, becomes a fast-talking swindler. As

he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer. Arab madrassas are the only authentic medical schools, and he makes his perilous way to Persia. Christians are barred from Muslim schools, but by claiming he is a Jew, he studies under the world’s most renowned physician, Avicenna. Cole’s journey and love for a woman who must struggle against her only rival—medicine—make *The Physician* a riveting modern classic. In *Shaman*, Dr. Robert Judson Cole, nineteenth-century descendent of the first Robert Cole, travels from his ravaged Scottish homeland, through the operating rooms of antebellum Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich his classical medical education. He marries a remarkable settler woman he had saved from illness. The Cole family is drawn into the bloody vortex of the Civil War, and their determination to survive in the midst of wilderness and violence will stay with the reader long after the final page. In *Matters of Choice*, Roberta Jeanne d’Arc Cole is the latest first-born descendant of Dr. Robert Cole. Favored to be named associate chief of medicine at a Boston hospital, she is married to a surgeon and owns a trophy residence in Cambridge as well as a summer house. But everything melts away. Her gender and her work at an abortion clinic cost her the hospital appointment. Her marriage fails. Crushed, she goes to her farmhouse in western Massachusetts, thinking to sell it, and finds an unexpected life. How she continues to fight for every woman’s right to choose, while acknowledging her own ticking clock and maternal

yearning, makes this prize-winning third story of the Cole trilogy relevant and unforgettable.

The Last Jew

A Novel of The Spanish Inquisition *Macmillan*

In the year 1492, the Inquisition has all of Spain in its grip. After centuries of pogrom-like riots encouraged by the Church, the Jews - who have been an important part of Spanish life since the days of the Romans - are expelled from the country by royal edict. Many who wish to remain are intimidated by Church and Crown and become Catholics, but several hundred thousand choose to retain their religion and depart; given little time to flee, some perish even before they can escape from Spain. Yonah Toledano, the 15-year-old son of a celebrated Spanish silversmith, has seen his father and brother die during these terrible days - victims whose murders go almost unnoticed in a time of mass upheaval. Trapped in Spain by circumstances, he is determined to honor the memory of his family by remaining a Jew. On a donkey named Moise, Yonah begins a meandering journey, a young fugitive zigzagging across the vastness of Spain. Toiling at manual labor, he desperately tries to cling to his memories of a vanished culture. As a lonely shepherd on a mountaintop he hurls snatches of almost forgotten Hebrew at the stars, as an apprentice armorer he learns to fight like a Christian knight. Finally, as a man living in a time and land where danger from the Inquisition is everywhere, he deals with the questions that mark his past. How he discovers the answers, how he finds his way to a singular and strong Marrano woman, how he

achieves a life with the outer persona of a respected Old Christian physician and the inner life of a secret Jew, is the fabric of this novel. The Last Jew is a glimpse of the past, an authentic tale of high adventure, and a tender and unforgettable love story. In it, Noah Gordon utilizes his greatest strengths, and the result is remarkable and moving.

Rabbi

The Jerusalem Diamond *Open Road Media*

A man travels to Israel to uncover a diamond's remarkable past in this vivid historical saga from the New York Times-bestselling author of The Physician. A diamond cutter and seller from a long, respected line of precious-gem dealers, New Yorker Harry Hopeman is intrigued by the story of the so-called "Jerusalem Diamond," a magnificent yellow jewel rumored to date back to the biblical time of King Solomon. So when he's asked to broker a deal that will return the legendary gemstone to Israel, he eagerly accepts. Arriving in the volatile Middle East, Hopeman soon discovers that his assignment will be anything but easy. Representatives of the Holy Land's three major religions—Judaism, Christianity, and Islam—are all laying claim to the priceless jewel that once adorned the miter of Pope Gregory, and they will do anything to possess it. Partnering with Israeli government agent Tamar Strauss—a beautiful and courageous Yemenite war widow who inspires the visiting American's passion as well as his respect—Hopeman is soon entangled in a web of mystery and intrigue that crosses continents and stretches back thousands of years. As the duo follows the twisting travels of the

gem and the bloody conflicts it has ignited throughout its extraordinary past—a history that intertwines with Hopeman’s own family saga—the story of a breathtaking land and its people unfolds in all its drama and glory. International-bestselling author Noah Gordon—whose acclaimed historical novel *The Physician* was the inspiration for the major motion picture of the same name starring Ben Kingsley— “has packed a suspense tale with religious, historical and archeological underpinnings, along with fascinating insights into an industry whose conduct is generally shrouded from outside scrutiny” (*The Philadelphia Inquirer*).

The Rabbi *Open Road Media*

The New York Times-bestselling novel that follows the life and career of a rabbi as he journeys through America: “A rewarding reading experience.” —Los Angeles Times Michael Kind is raised in the Jewish cauldron of 1920s New York, familiar with the stresses and materialism of metropolitan life. Turning to the ancient set of ethics of his Orthodox grandfather, with a modern twist, he becomes a Reform rabbi. As insecure and sexually needy as any other young male, he serves as a circuit-rider rabbi in the Ozarks, and then as a temple rabbi in the racially ugly South, in a San Francisco suburb, in a Pennsylvania college town, and finally, in a New England community west of Boston. Along the way he falls deeply in love with and marries the daughter of a Congregational minister; she converts to Judaism and they have two complex, interesting children. Noah Gordon’s picture of a brilliant and talented religious counselor—who at times is as bereft and uncertain as any of his congregants—is a deeply moving and very satisfying novel.

Choices

From the author of *The Physician* and *Shamen*, this is the final book in the trilogy. Set in the present, R.J. Cole has inherited the family gift. After a miscarriage and the death of her boyfriend, she embarks on a career in medicine. Her life changes when she is faced with a terrible dilemma.

The Last Jew *Macmillan*

In the year 1492, the Inquisition has all of Spain in its grip. After centuries of pogrom-like riots encouraged by the Church, the Jews - who have been an important part of Spanish life since the days of the Romans - are expelled from the country by royal edict. Many who wish to remain are intimidated by Church and Crown and become Catholics, but several hundred thousand choose to retain their religion and depart; given little time to flee, some perish even before they can escape from Spain. Yonah Toledano, the 15-year-old son of a celebrated Spanish silversmith, has seen his father and brother die during these terrible days - victims whose murders go almost unnoticed in a time of mass upheaval. Trapped in Spain by circumstances, he is determined to honor the memory of his family by remaining a Jew. On a donkey named Moise, Yonah begins a meandering journey, a young fugitive zigzagging across the vastness of Spain. Toiling at manual labor, he desperately tries to cling to his memories of a vanished culture. As a lonely shepherd on a mountaintop he hurls snatches of almost forgotten Hebrew at the stars, as an apprentice armorer he learns to fight like a Christian knight. Finally, as a man living in a time and land where danger from the Inquisition is everywhere, he deals with the questions

that mark his past. How he discovers the answers, how he finds his way to a singular and strong Marrano woman, how he achieves a life with the outer persona of a respected Old Christian physician and the inner life of a secret Jew, is the fabric of this novel. *The Last Jew* is a glimpse of the past, an authentic tale of high adventure, and a tender and unforgettable love story. In it, Noah Gordon utilizes his greatest strengths, and the result is remarkable and moving.

The Winemaker

A Fable about True Success

A young entrepreneur who has lost his company and fortune gives up hope and jumps off The Golden Gate Bridge. Fortunately, in this business fable of true success, instead of losing his life he is saved by a homeless man who carries him to a nearby park. There the homeless man explains that a dream told him to go to the bridge to save the man who jumped off, then take the man to see the Winemaker. The pair embarks upon a challenging but life-changing journey through the wine country of California. First, they search for the special Winemaker who has a reputation for consistently making the best wine in the region, regardless of weather or the crop of grapes. Upon meeting the Winemaker, the young entrepreneur is taught the wine making technique, and ultimately the secret to true, consistent success.

The Physician *Fawcett*

Eleventh-century England and Persia are the backgrounds of this story of an orphan named Rob Cole, who is apprenticed to a

travelling barber-surgeon and, discovering in himself a gift for healing, decides to study medicine with the legendary Avicenna

Relentless Souls *Waterstone Media*

A new threat has risen. For years, peace has reigned within the boundaries of the empire. Monks, gifted with extraordinary powers, wander the land, keeping order by any means necessary. Their gifts make them invincible, or so most believe. A lone warrior disagrees. Guided by a shadowy organization, Fang seeks to break the monasteries. Once left for dead by powerful monks, revenge has driven him to unimaginable strength. Only one obstacle stands in his way. His name is Lei, and he is no hero. Exiled by the monasteries for an unforgivable crime, he's more comfortable with a drink in his hand than a sword. But he's about to be thrust into a fight he had no part in starting. As destiny hurtles the two men into inevitable conflict, the fate of the empire hangs in the balance.

The Last Jew *Macmillan*

The Great Expulsion of 1492 provides the backdrop for this novel of holocaust that follows a thirteen-year-old Spanish Jew named Yonah as he tries to avoid the Inquisition.

Matters of Choice *Open Road Media*

A woman physician confronts the moral issues of her time in the third novel in the New York Times-bestselling author's historical medical trilogy. Roberta Jeanne d'Arc Cole is favored to be named associate chief of medicine at a Boston hospital. She is married to a surgeon. They own a trophy residence on historic Brattle Street

in Cambridge and a summer house in the Berkshire Hills. Everything melts away. Her gender and her work at an abortion clinic cost her the hospital appointment. Her marriage fails. Crushed, she goes to the farmhouse in Western Massachusetts, thinking to sell it, and finds an unexpected life. How she continues to fight for every woman's right to choose, while acknowledging her own ticking clock and maternal yearning, makes this prize-winning third story of the Cole trilogy as relevant as tomorrow.

The Land Beyond the Sea *Penguin*

From the critically acclaimed New York Times bestselling author Sharon Kay Penman comes the story of the reign of King Baldwin IV and the Kingdom of Jerusalem's defense against Saladin's famous army. The Kingdom of Jerusalem, also known as Outremer, is the land far beyond the sea. Baptized in blood when the men of the First Crusade captured Jerusalem from the Saracens in the early twelfth century, the kingdom defined an utterly new world, a land of blazing heat and a medley of cultures, a place where enemies were neighbors and neighbors became enemies. At the helm of this growing kingdom sits young Baldwin IV, an intelligent and courageous boy committed to the welfare and protection of his people. But despite Baldwin's dedication to his land, he is afflicted with leprosy at an early age and the threats against his power and his health nearly outweigh the risk of battle. As political deception scours the halls of the royal court, the Muslim army--led by the first sultan of Egypt and Syria, Saladin--is never far from the kingdom's doorstep, and there are only a handful Baldwin can trust, including the

archbishop William of Tyre and Lord Balian d'Ibelin, a charismatic leader who has been one of the few able to maintain the peace. Filled with drama and battle, tragedy and romance, Sharon Kay Penman's latest novel brings a definitive period of history vividly alive with a tale of power and glory that will resonate with readers today.

Stranger in My Own Country

A Jewish Family in Modern Germany *Farrar, Straus and Giroux*

A moving and unsettling exploration of a young man's formative years in a country still struggling with its past. As a Jew in postwar Germany, Yascha Mounk felt like a foreigner in his own country. When he mentioned that he is Jewish, some made anti-Semitic jokes or talked about the superiority of the Aryan race. Others, sincerely hoping to atone for the country's past, fawned over him with a forced friendliness he found just as alienating. Vivid and fascinating, *Stranger in My Own Country* traces the contours of Jewish life in a country still struggling with the legacy of the Third Reich and portrays those who, inevitably, continue to live in its shadow. Marshaling an extraordinary range of material into a lively narrative, Mounk surveys his countrymen's responses to "the Jewish question." Examining history, the story of his family, and his own childhood, he shows that anti-Semitism and far-right extremism have long coexisted with self-conscious philo-Semitism in postwar Germany. But of late a new kind of resentment against Jews has come out in the open. Unnoticed by much of the outside world, the desire for a "finish line" that would

spell a definitive end to the country's obsession with the past is feeding an emphasis on German victimhood. Mounk shows how, from the government's pursuit of a less "apologetic" foreign policy to the way the country's idea of the Volk makes life difficult for its immigrant communities, a troubled nationalism is shaping Germany's future.

The Alienist (TNT Tie-in Edition)

A Novel *Random House Trade Paperbacks*

NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES • "A first-rate tale of crime and punishment that will keep readers guessing until the final pages."—*Entertainment Weekly* "Caleb Carr's rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us."—*The Detroit News* When *The Alienist* was first published in 1994, it was a major phenomenon, spending six months on the New York Times bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or "alienist"—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who will kill again before their hunt is over. Fast-paced and riveting,

infused with historical detail, *The Alienist* conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society's belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for *The Alienist* "[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores."—*The Washington Post Book World* "Mesmerizing."—*Detroit Free Press* "The method of the hunt and the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller."—*The Buffalo News* "Engrossing."—*Newsweek* "Gripping, atmospheric . . . intelligent and entertaining."—*USA Today* "A high-spirited, charged-up and unfailingly smart thriller."—*Los Angeles Times* "Keeps readers turning pages well past their bedtime."—*San Francisco Chronicle*

Shaman *Little Brown Uk*

Robert Jeremy Cole, the legendary doctor and hero of *THE PHYSICIAN*, left an enduring legacy. From the eleventh century on, the eldest son in each generation of the Cole family has borne the same first name and middle initial and many of these men have followed the medical profession. A few have been blessed with their ancestor's diagnostic skill and the 'sixth sense' they call *The Gift*, the ability to know instinctively when death is impending. The tragedy of Rob J.'s life is the deafness of his son, Robert Jefferson Cole, who is called Shaman by everyone who knows him. Shaman's life is difficult. First, he must learn to speak

so that he can take his place in the hearing world, and then he must fight against the prejudices of a society where physical differences matter. As Shaman struggles to achieve his identity, the Coles, along with the rest of America, are drawn into the conflict between the North and the South.

Fall of Giants

Book One of the Century Trilogy *Penguin*

Ken Follett's magnificent historical epic begins as five interrelated families move through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women's suffrage. A thirteen-year-old Welsh boy enters a man's world in the mining pits. . . . An American law student rejected in love finds a surprising new career in Woodrow Wilson's White House. . . . A housekeeper for the aristocratic Fitzherberts takes a fateful step above her station, while Lady Maud Fitzherbert herself crosses deep into forbidden territory when she falls in love with a German spy. . . . And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, *Fall of Giants* takes us into the inextricably entangled fates of five families—and into a century that we thought we knew, but that now will never seem the same again. . . .

Against Expression

An Anthology of Conceptual Writing *Northwestern University Press*

Charles Bernstein has described conceptual "poetry pregnant with thought." *Against Expression*, the premier anthology of conceptual writing, presents work that is by turns thoughtful, funny, provocative, and disturbing. Editors Craig Dworkin and Kenneth Goldsmith chart the trajectory of the conceptual aesthetic from early precursors such as Samuel Beckett and Marcel Duchamp through major avant-garde groups of the past century, including Dada, Oulipo, Fluxus, and language poetry, to name just a few. The works of more than a hundred writers from Aasprong to Zykov demonstrate a remarkable variety of new ways of thinking about the nature of texts, information, and art, using found, appropriated, and randomly generated texts to explore the possibilities of non-expressive language.

War Brides

In 1939 the lives of five women are about to collide in the sleepy little village of Crowmarsh Priors. Evangeline has eloped from New Orleans with a naval captain, Alice is resigned to life as the parish spinster, Elsie is evacuated from the East End to be a maid for Lady Marchmont, Tanni has fled from Vienna with her newborn son, and high-spirited Frances is to see out the war with her godmother. Together these five women face hardship, passion and danger, and form a bond that sees them through their darkest hours, and lasts for the rest of their lives.

Dark Voyage

A Novel *Random House*

"In the first nineteen months of European war, from September 1939 to March of 1941, the island nation of Britain and her allies lost, to U-boat, air, and sea attack, to mines and maritime disaster, one thousand five hundred and ninety-six merchant vessels. It was the job of the Intelligence Division of the Royal Navy to stop it, and so, on the last day of April 1941 . . ." May 1941. At four in the morning, a rust-streaked tramp freighter steams up the Tagus River to dock at the port of Lisbon. She is the Santa Rosa, she flies the flag of neutral Spain and is in Lisbon to load cork oak, tinned sardines, and drums of cooking oil bound for the Baltic port of Malmö. But she is not the Santa Rosa. She is the Noordendam, a Dutch freighter. Under the command of Captain Eric DeHaan, she sails for the Intelligence Division of the British Royal Navy, and she will load detection equipment for a clandestine operation on the Swedish coast—a secret mission, a dark voyage. A desperate voyage. One more battle in the spy wars that rage through the back alleys of the ports, from elegant hotels to abandoned piers, in lonely desert outposts, and in the souks and cafés of North Africa. A battle for survival, as the merchant ships die at sea and Britain—the last opposition to Nazi German—slowly begins to starve. A voyage of flight, a voyage of fugitives—for every soul aboard the Noordendam. The Polish engineer, the Greek stowaway, the Jewish medical officer, the British spy, the Spaniards who fought Franco, the Germans who fought Hitler, the Dutch crew itself. There is no place for them in occupied France; they cannot go home. From Alan Furst—whom The New York Times calls America's preeminent spy novelist—here is an epic tale of war and espionage, of spies and

fugitives, of love in secret hotel rooms, of courage in the face of impossible odds. *Dark Voyage* is taut with suspense and pounding with battle scenes; it is authentic, powerful, and brilliant.

Destiny Disrupted**A History of the World Through Islamic Eyes** *PublicAffairs*

The Western narrative of world history largely omits a whole civilization. *Destiny Disrupted* tells the history of the world from the Islamic point of view, and restores the centrality of the Muslim perspective, ignored for a thousand years. In *Destiny Disrupted*, Tamim Ansary tells the rich story of world history as it looks from a new perspective: with the evolution of the Muslim community at the center. His story moves from the lifetime of Mohammed through a succession of far-flung empires, to the tangle of modern conflicts that culminated in the events of 9/11. He introduces the key people, events, ideas, legends, religious disputes, and turning points of world history, imparting not only what happened but how it is understood from the Muslim perspective. He clarifies why two great civilizations—Western and Muslim—grew up oblivious to each other, what happened when they intersected, and how the Islamic world was affected by its slow recognition that Europe—a place it long perceived as primitive—had somehow hijacked destiny. With storytelling brio, humor, and evenhanded sympathy to all sides of the story, Ansary illuminates a fascinating parallel to the world narrative usually heard in the West. *Destiny Disrupted* offers a vital perspective on world conflicts many now find so puzzling.

Not in God's Name

Confronting Religious Violence *Schocken*

In this groundbreaking work of biblical analysis and interpretation, one of the most admired religious leaders of our time shows that religiously inspired violence has as its source misreadings of the texts of the Hebrew Bible, the New Testament, and the Koran. When religion becomes a zero-sum conceit--i.e., my religion is the only "right" path to God, therefore your religion is by definition "wrong"--Violence between peoples of different beliefs is the only natural outcome, argues Rabbi Sacks. But by looking anew at seminal biblical texts in the Book of Genesis--in which we find the foundational stories of all three Abrahamic faiths--Rabbi Sacks offers an entirely different understanding of God's multiple relationships: with Jacob, patriarch of Judaism; with Ishmael, patriarch of Islam; and with Esau, whose blessing is understood to confirm God's relationship with monotheists from other faiths and overarching relationship with all of humanity. By analyzing the texts that recount how Abraham's immediate descendants resolved their various sibling rivalries, Rabbi Sacks teaches us a powerful lesson in the existence of multiple pathways to God. "We are not all the same," he declares. "There is no one faith that encompasses the plenary truth of human wisdom ... The belief that one faith--ours--holds the key to salvation deserves to be challenged, not just because it has led to so much persecution and bloodshed in the name of God, but because it attempts to confine God to one religion, one way, one image of mankind. God cannot be so confined and remain the God of transcendence, the God-without-an-image who

systematically defies our attempts to capture Him in categories of human understanding ... Making space for that which is other than myself is not a doctrine of religious relativism. It is, rather, the humility that says there are things I will not, cannot, understand and that I must leave to God." Rabbi Sacks's bold statement of our need to look with new eyes at specific scriptural passages from within each of the Abrahamic monotheisms--passages that, when interpreted literally, can lead to hatred, violence, and war--is an eloquent, clarion call for people of goodwill from all faiths to join together to end the misunderstandings that threaten to destroy us all.

The Last Cato

A Novel *Harper Collins*

A masterful blend of Christian scholarship and thrilling adventure, *The Last Cato* is a novel about the race to find the secret location of the Vera Cruz, the True Cross on which Christ was crucified, and the ancient brotherhood sworn to protect it. Holy relics are disappearing from sacred spots around the world—and the Vatican will do whatever it takes to stop the thieves from stealing what is left of the scattered splinters of the True Cross. Brilliant paleographer Dr. Ottavia Salina is called upon by the highest levels of the Roman Catholic Church to decipher the scars found on an Ethiopian man's corpse: seven crosses and seven Greek letters. The markings, symbolizing the Seven Deadly Sins, are part of an elaborate initiation ritual for the Staurofilakes, the clandestine brotherhood hiding the True Cross for centuries, headed by a secretive figure called Cato. With the help of a

member of the Swiss Guard and a renowned archaeologist, Dr. Salina uncovers the connection between the brotherhood and Dante's *Divine Comedy*, and races across the globe to Christianity's ancient capitals. Together, they will face challenges that will put their faith—and their very lives—to the ultimate test.

El médico (Edición película) *Roca editorial*

Un joven aprendiz de médico con un don para sanar nunca visto recorrerá la Europa sombría y oscura del siglo XI hasta la fascinante Persia, para encontrarse con el mejor maestro imaginable: el mítico Avicena. Rob J. Cole, un joven londinense del siglo...

Slavery and Islam *Simon and Schuster*

What happens when authorities you venerate condone something you know is wrong? Every major religion and philosophy once condoned or approved of slavery, but in modern times nothing is seen as more evil. Americans confront this crisis of authority when they erect statues of Founding Fathers who slept with their slaves. And Muslims faced it when ISIS revived sex-slavery, justifying it with verses from the Quran and the practice of Muhammad. Exploring the moral and ultimately theological problem of slavery, Jonathan A.C. Brown traces how the Christian, Jewish and Islamic traditions have tried to reconcile modern moral certainties with the infallibility of God's message. He lays out how Islam viewed slavery in theory, and the reality of how it was practiced across Islamic civilization. Finally, Brown carefully examines arguments put forward by Muslims for the abolition of slavery.

A Teaspoon of Earth and Sea

A Novel *Penguin*

From the author of *Refuge*, a magical novel about a young Iranian woman lifted from grief by her powerful imagination and love of Western culture. Growing up in a small rice-farming village in 1980s Iran, eleven-year-old Saba Hafezi and her twin sister, Mahtab, are captivated by America. They keep lists of English words and collect illegal Life magazines, television shows, and rock music. So when her mother and sister disappear, leaving Saba and her father alone in Iran, Saba is certain that they have moved to America without her. But her parents have taught her that "all fate is written in the blood," and that twins will live the same life, even if separated by land and sea. As she grows up in the warmth and community of her local village, falls in and out of love, and struggles with the limited possibilities in post-revolutionary Iran, Saba envisions that there is another way for her story to unfold. Somewhere, it must be that her sister is living the Western version of this life. And where Saba's world has all the grit and brutality of real life under the new Islamic regime, her sister's experience gives her a freedom and control that Saba can only dream of. Filled with a colorful cast of characters and presented in a bewitching voice that mingles the rhythms of Eastern storytelling with modern Western prose, *A Teaspoon of Earth and Sea* is a tale about memory and the importance of controlling one's own fate.

Sovereign

A Matthew Shardlake Tudor Mystery *Penguin*

The third Matthew Shardlake Tudor Mystery by C. J. Sansom, the bestselling author of *Winter in Madrid* and *Dominion*. C. J. Sansom has garnered a wider audience and increased critical praise with each new novel published. His first book in the Matthew Shardlake series, *Dissolution*, was selected by P. D. James in *The Wall Street Journal* as one of her top five all-time favorite books. Now in *Sovereign*, Shardlake faces the most terrifying threat in the age of Tudor England: imprisonment in the Tower of London. Shardlake and his loyal assistant, Jack Barak, find themselves embroiled in royal intrigue when a plot against King Henry VIII is uncovered in York and a dangerous conspirator they've been charged with transporting to London is connected to the death of a local glazer.

Wish You Well *Grand Central Publishing*

Following a family tragedy, siblings Lou and Oz must leave New York and adjust to life in the Virginia mountains--but just as the farm begins to feel like home, they'll have to defend it from a dark threat in this New York Times bestselling coming-of-age story. Precocious twelve-year-old Louisa Mae Cardinal lives in the hectic New York City of 1940 with her family. Then tragedy strikes--and Lou and her younger brother, Oz, must go with their invalid mother to live on their great-grandmother's farm in the Virginia mountains. Suddenly Lou finds herself growing up in a new landscape, making her first true friend, and experiencing adventures tragic, comic, and audacious. When a dark, destructive force encroaches on her new home, her struggle will play out in a crowded Virginia courtroom...and determine the

future of two children, an entire town, and the mountains they love.

Mistress of the Art of Death *Penguin*

The national bestselling hit hailed by the New York Times as a "vibrant medieval mystery...[it] outdoes the competition." In medieval Cambridge, England, Adelia, a female forensics expert, is summoned by King Henry II to investigate a series of gruesome murders that has wrongly implicated the Jewish population, yielding even more tragic results. As Adelia's investigation takes her behind the closed doors of the country's churches, the killer prepares to strike again.

Miss Julia Lays Down the Law

A Novel *Penguin*

It's up to Miss Julia to sort out the murder of a hoity-toity newcomer in the latest addition to the New York Times bestselling series. Look out for the newest in the series, *Miss Julia Raises the Roof*, coming from Viking in April 2018. Miss Julia fans both new and old will be especially keen to get their hands on the sixteenth in the series, *Miss Julia Lays Down the Law*, guaranteed to be the steel magnolia's most exciting adventure yet. It's November and Miss Julia is looking forward to some quiet time before the holidays. That is until snobby Connie Clayborn and her rich husband move to town. At first, Miss Julia and the other ladies are pleased to be invited over for coffee, but the afternoon turns into a slap in the face when their hostess spouts nonstop criticism about Abbotsville. Why, how dare she? Days later, Miss

Julia decides to confront Connie woman to woman, but when she arrives, Connie is lying on the kitchen floor—lifeless in a pool of blood. Who could have done this? Miss Julia will need to find out fast—particularly because her fingerprints are now all over the crime scene. . . .

Miss Julia to the Rescue

A Novel *Penguin*

"Delightful . . . Those who like smiles with their crimes will be satisfied" by the 13th in the popular Miss Julia series (Publishers Weekly). Don't miss her newest, Miss Julia Raises the Roof, coming April 2018 from Viking. As we know from her many trips to the New York Times bestseller list, Miss Julia simply can't abide sitting idle. And with young Lloyd moving out and husband Sam off to the Holy Land, everybody's favorite steel magnolia is feeling restless. Maybe it's time for that long-delayed home makeover. But before Miss Julia can even pick a color swatch, Hazel Marie's new husband, private eye J.D. Pickens, goes missing—and police in West Virginia have detained an injured man fitting his description. Meanwhile, a religious cult is out to convert the locals—and Miss Julia must pick up the pace to free J.D. and get back in time to stop them.

The Traditional Healer's Handbook

A Classic Guide to the Medicine of Avicenna *Inner Traditions / Bear & Co*

This comprehensive guide to healing synthesizes the principles

and practices of Hippocratic, Chinese, Ayurvedic, and Persian medicine, and includes the first English translation of one of the handbooks of Avicenna, whose writings have been classics in herbal and dietetic medicine for more than 1,000 years. Based on the philosophy that "food is the best medicine," Avicenna's canon provides simple and effective diagnostic techniques and therapies for maintaining health and strengthening the immune system. Includes a botanical guide for the 100 most-used healing herbs and recommended treatments for 400 conditions, including diet and nutrition, herbology, and aromatherapy.

The Book of Laman

Mette Harrison is one of the best-known Mormon authors currently writing about Mormonism for a national audience. Her Linda Wallheim mystery series (The Bishop's Wife, His Right Hand, For Time and All Eternities, and, one hopes, many more to come) marks the first time ever that a strong and intelligent Mormon woman (or any other kind of Mormon woman for that matter) has had a starring role in a nationally marketed mystery series. In The Book of Laman, Harrison takes a concept that others have used for a quick joke—the idea of narrating the first part of the Book of Mormon from Laman's perspective—and turns it into a serious and profoundly moving story of redemption that has the ability to make us all better readers, and, more importantly, better people. From the Forward The central conceit of The Book of Laman—telling the story of 1 Nephi from Laman's perspective—seems like a perfect device for a funny book. Indeed, Bob Lewis used it precisely this way in his satirical 1997 novel, The Lost Plates of Laman. Here we see all of the jokes implied the

first time we hear that Laman is the narrating the Book of Mormon: the villain becomes the hero, and the hero becomes an insufferable know-it-all, the archaic language is peppered with anachronisms and modern values, and the devotional content of the original text is sacrificed on the twin altars of mocking Mormon weirdness and having a grand time. But Mette Harrison's Book of Laman is not funny. It does not try to be funny. It doesn't use intentional archaisms to make fun of the Book of Mormon's language; rather, it tells its story in a non-distracting modern style. The characters are not simply reversed. Nephi is sometimes an annoying brat, but he is also a real prophet who sees and speaks for the Lord. Laman is neither a comic book villain nor a long-suffering ironist. He is a flawed human being struggling to live well and usually coming up short. And in some of the book's very best scenes, he is touched unexpectedly by grace and God. Harrison's characters are the sorts of people who might actually have existed in history. She does not naturalize the miracles in the Book of Mormon—there really are angels and visions and smiting and all the rest—but she humanizes the actors. And this is important, as it corrects for a reading bias that plagues Latter-day Saints. Simply put: we want the Book of Mormon to be history, not fiction, but we expect the people in it to act like characters in a (not very good) novel and not as the kinds of people who have actually ever existed.

Passion India

The Story of the Spanish Princess of Kapurthala

Novel based on the diaries of Anita Delgado, 1890-1962, the late

princess of Kapurthala.

A Thread of Grace

A Novel *Random House*

NEW YORK TIMES BESTSELLER • “A powerfully imagined novel . . . [a] profoundly moving book that engages the heights and depths of human experience.”—Los Angeles Times It is September 8, 1943, and fourteen-year-old Claudette Blum and her father are among the thousands of Jewish refugees scrambling over the Alps toward Italy, where they hope to find safety now that the Italians have broken from Germany and made a separate peace with the Allies. The Blums will soon discover that Italy is anything but peaceful, as it quickly becomes an open battleground for the Nazis, the Allies, Resistance fighters, Jews in hiding, and ordinary Italian civilians trying to survive. Tracing the lives of a handful of fascinating characters—a charismatic Italian Resistance leader, a priest, an Italian rabbi's family, a disillusioned German doctor—Mary Doria Russell tells the little-known story of the vast underground effort by Italian citizens who saved the lives of 43,000 Jews during the final phase of World War II. *A Thread of Grace* puts a human face on history. Praise for *A Thread of Grace* “An addictive page-turner . . . [Mary Doria] Russell has an astonishing story to tell—full of action, paced like a rapid-fire thriller, in tense, vivid scenes that move with cinematic verve.”—The Washington Post Book World “Hauntingly beautiful, utterly unforgettable.”—San Francisco Chronicle “Rich . . . Based on the heroism of ordinary people, [*A Thread of Grace*] packs an emotional punch.”—People “[A] deeply

felt and compellingly written book . . . The progress of each character's life is marked or measured by acts of grace. . . . Russell is a smart, passionate and imaginative writer."—Cleveland Plain Dealer "A feat of storytelling . . . an important book [that] needs to be widely read."—Portland Oregonian "Mary Doria Russell's fans (and aren't we all?) will rejoice to see her new novel on the shelves. *A Thread of Grace* is as ambitious, beautiful, tense, and transforming as any of us could have hoped."—Karen Joy Fowler, author of *The Jane Austen Book Club* "A story of love and war, *A Thread of Grace* speaks to the resilience and beauty of the human spirit in the midst of unimaginable horror. It is, unquestionably, a literary triumph."—David Morrell, author of *The Brotherhood of the Rose* and *First Blood*
