On Gold Mountain - 2538 Words | Bartleby

Gold Mountain was the Chinese nickname for the US back in the 1800's. This book is a family history covering over hundred years, but done in a way I've not seen before, as she not only describes the events that defined the Fong See and Lettice Pruett legacy (her great grandparents), but she also puts herself directly in the mind of all her relatives and ancestors, which at times gives the book the feel of a novel.
