The Lost City of the Monkey God

A True Story *Grand Central Publishing*
 NAMED A NEW YORK TIMES NOTABLE BOOK OF 2017 #1 New York Times and #1 Wall Street Journal bestseller! A five-hundred-year-old legend. An ancient curse. A stunning medical mystery. And a pioneering journey into the unknown heart of the world's densest jungle. Since the days of conquistador Hernán Cortés, rumors have circulated about a lost city of immense wealth hidden somewhere in the Honduran interior, called the White City or the Lost City of the Monkey God. Indigenous tribes speak of ancestors who fled there to escape the Spanish invaders, and they warn that anyone who enters this sacred city will fall ill and die. In 1940, swashbuckling journalist Theodore Morde returned from the rainforest with hundreds of artifacts and

an electrifying story of having found the Lost City of the Monkey God-but then committed suicide without revealing its location. Three quarters of a century later, bestselling author Doug Preston joined a team of scientists on a groundbreaking new quest. In 2012 he climbed aboard a rickety, single-engine plane carrying the machine that would change everything: lidar, a highly advanced, classified technology that could map the terrain under the densest rainforest canopy. In an unexplored valley ringed by steep mountains, that flight revealed the unmistakable image of a sprawling metropolis, tantalizing evidence of not just an undiscovered city but an enigmatic, lost civilization. Venturing into this raw, treacherous, but breathtakingly beautiful wilderness to

confirm the discovery, Preston and the team battled torrential rains, quickmud, disease-carrying insects, jaguars, and deadly snakes. But it wasn't until they returned that tragedy struck: Preston and others found they had contracted in the ruins a horrifying, sometimes lethal-and incurable-disease. Suspenseful and shocking, filled with colorful history, hair-raising adventure, and dramatic twists of fortune, **THE LOST CITY OF THE MONKEY GOD** is the absolutely true, eyewitness account of one of the great discoveries of the twenty-first century.

Why New Orleans Matters
HarperCollins

Tom Piazza's award-winning portrait of a city in crisis, with a new preface from the author, ten years after. Ten years ago, in the aftermath of Hurricane Katrina and the disaster that followed, promises were made, forgotten, and renewed. What would become of New Orleans in the years ahead? How would this city

and its people recover—and what meaning would its story have, for America and the world? In *Why New Orleans Matters*, first published only months after the disaster, award-winning author and longtime New Orleans resident Tom Piazza illuminates the storied culture and still-evolving future of this great and vital American metropolis. Piazza evokes the sensuous textures of the city that gave us jazz music, Creole cooking, and a unique style of living; he examines the city's undercurrents of corruption and racism, and explains how its people endure and transcend them. And, perhaps most important, he bears witness to the city's spirit: its grace and beauty, resilience and soul. In the preface to this new edition, Piazza considers how far the city

has come in the decade since Katrina, as well as the challenges it still faces—and reminds us that people in threatened communities across America have much to learn from New Orleans' disaster and astonishing recovery.
