When Bad Things Happen to Good People *Anchor*

A new edition of the classic self-help guide by the respected rabbi explains how to find comfort and strength in the face of tragedy and the challenges of life and how to understand God's role in recovery. By the author of How Good Do We Have to Be? Reprint. 75,000 first printing.

When Bad Things Happen to Good People *Pan Macmillan*

There is only one question which really matters: why do bad things happen to good people? Rabbi Kushner has sensible and unorthodox and mind-opening things to say about God, and about ourselves.

When Bad Things Happen to Good People *Boxtree*

The #1 bestselling inspirational classic from the internationally known spiritual leader; a source of solace and hope for over 4 million readers. Since its original publication in 1981, When Bad Things Happen to Good People has brought solace and hope to millions. In the preface to this edition, Rabbi Kushner relates the heartwarming responses he has received over the years from people who have found inspiration and comfort within these pages. When Harold Kushner's three-year-old son was diagnosed with a degenerative disease that meant the boy would only live until his early teens, he was faced with one of life's most difficult questions: Why, God? Years later, Rabbi Kushner wrote this straightforward, elegant contemplation of the doubts and fears that arise when tragedy strikes. In these pages, Kushner shares his wisdom as a rabbi, a parent, a reader, and a human being. Often imitated but never superseded, When Bad Things Happen to Good People is a classic that offers clear thinking and consolation in times of sorrow.

When Bad Things Happen to Good People *Pan*

There is only one question which really matters: why do bad things happen to good people?'. Out of a faith-shaking and senseless waste of a life comes this remarkable and caring book, which will help many. It has sensible and unorthodox and mind-opening things to say about God - and about ourselves. Its author has wisdom and no bitterness. We can learn from him, about acceptance and guilt and despair and the helplessness we all feel when 'none of it makes sense' when we say 'why them?' or worse 'why us?'. Rabbi Kushner writes from a wealth of Jewish wisdom and pastoral devotion, but his theology is wholly in keeping with contemporary Christian thought. So far as there is an answer to the conflict between the goodness of God and the bitterness of suffering, this is it.

When Bad Things Happen to Other People *Routledge*

Although many of us deny it, it is not uncommon to feel pleasure over the suffering of others, particularly when we feel that suffering has been deserved. The German word for this concept- Schadenfreude-has become universal in its expression of this feeling. Drawing on the teachings of history's most prominent philosophers, John Portmann explores the concept of Schadenfreude in this rigorous, comprehensive, and absorbing study.

Bad Things Happen *Penguin*

A gripping novel about a man trying to escape his violent past and soon becomes a murder suspect when a publisher—and the husband of the woman he's having an affair with—turns up dead. The man who calls himself David Loogan is hoping to escape a violent past by living a quiet, anonymous life in Ann Arbor, Michigan. But when he's hired as an editor at a mystery magazine, he is drawn into an affair with the sleek blond wife of the publisher, Tom Kristoll—a man who soon turns up dead. Elizabeth Waishkey is the most talented detective in the Ann Arbor Police Department, but even she doesn't know if Loogan is a killer or an ally who might help her find the truth. As more deaths start mounting up—some of them echoing stories published in the magazine—it's up to Elizabeth to solve both the murders and the mystery of Loogan himself. "Witty, sophisticated, suspenseful and endless

fun...the best first novel I've read this year." —Washington Post "A hypnotically readable novel, with...dialog worthy of Elmore Leonard."—Douglas Preston "Fans of Peter Abrahams and Scott Turow will find a lot to like."—Publishers Weekly (starred review)

Why Do Bad Things Happen To Good People

Answers to One of Life's Greatest Moral Questions *Charisma Media*

DIVThis simple, comprehensive tool teaches readers that the suffering, distress, and frustration they've encountered are not outside the assistance of God's grace./div

21 Reasons Bad Things Happen to Good People *Barbour Publishing*

If God is good, why does He allow suffering? Popular author Dave Earley provides solid biblical answers in 21 Reasons Bad Things Happen to Good People. Why does God allow bad things to happen to "good" people? Popular author Dave Earley provides twenty-one key reasons, carefully drawn from scripture and accompanied by contemporary, real-life stories. Written in Earley's casual, readable style, 21 Reasons Bad Things Happen to Good People promises hope and encouragement through the pain.

The Book of Job

When Bad Things Happened to a Good Person *Schocken*

Part of the Jewish Encounter series From one of our most trusted spiritual advisers, a thoughtful, illuminating guide to that most fascinating of biblical texts, the book of Job, and what it can teach us about living in a troubled world. The story of Job is one of unjust things happening to a good man. Yet after losing everything, Job—though confused, angry, and questioning God—refuses to reject his faith, although he challenges some central aspects of it. Rabbi Harold S. Kushner examines the questions raised by Job's experience, questions that have challenged wisdom seekers and worshippers for centuries. What kind of God permits such bad things to happen to good people? Why does God test loyal followers? Can a truly good God be all-powerful? Rooted in the text, the critical tradition that surrounds it, and the author's own profoundly moral thinking, Kushner's study gives us the book of Job as a touchstone for our time. Taking lessons from historical and personal tragedy, Kushner teaches us about what can and cannot be controlled, about the power of faith when all seems dark, and about our ability to find God. Rigorous and insightful yet deeply affecting, The Book of Job is balm for a distressed age—and Rabbi Kushner's most important book since When Bad Things Happen to Good People.

When Bad Things Happen

God Is Big Enough to Handle Your Questions . . . And Strong Enough to Deliver You from Pain and Doubt *WaterBrook*

Chaos, tragedies, broken relationships, wars, disasters, plagues—in this world there is no end to bad news. Hard questions haunt us: If God really is who He says He is, how can He allow these things? If He's God, why doesn't He intervene? If we can't find hope and help in the midst of these tough times, those questions can crush our spirit and deaden our faith. But now, beloved Bible teacher and author Kay Arthur guides readers to discover the answers revealed in the Old Testament book of Habakkuk, so that they can know God, understand Him, and love Him more fully, no matter what happens. In When Bad Things Happen, Kay Arthur shares bold answers to those questions and helps readers solve the dilemma. But more than that, they'll encounter God and come to understand, love, and appreciate Him more deeply. They'll discover that God is big enough to handle their questions, and strong enough to deliver them from pain and doubt. And as a result, they'll be equipped with strength and courage so they can minister to others who wrestle with the same questions.

What Happens to Good People When Bad Things Happen *Fleming H Revell Company*

One of the twentieth century's most extraordinary Americans, Pearl Buck was the first person to make China accessible to the West. She recreated the lives of ordinary Chinese people in "The Good Earth," an overnight worldwide bestseller in 1932, later a blockbuster movie. Buck went on to become the first American woman to win the Nobel Prize for Literature. Long before anyone else, she foresaw China's future as a superpower, and she recognized the crucial importance for both countries of China's building a relationship with the United States. As a teenager she had witnessed the first stirrings of Chinese revolution, and as a young woman she narrowly escaped being killed in the deadly struggle between Chinese Nationalists and the newly formed Communist Party. Pearl grew up in an imperial China unchanged for thousands of years. She was the child of American missionaries, but she spoke Chinese before she learned English, and her friends were the children of Chinese farmers. She took it for granted that she was Chinese herself until she was eight years old, when the terrorist uprising known as the Boxer Rebellion forced her family to flee for their lives. It was the first of many desperate flights. Flood, famine, drought, bandits, and war formed the background of Pearl's life in China. "Asia was the real, the actual world," she said, "and my own country became the dreamworld." Pearl wrote about the realities of the only world she knew in "The Good Earth. "It was one of the last things she did before being finally forced out of China to settle for the first time in the United States. She was unknown and penniless with a failed marriage behind her, a disabled child to support, no prospects, and no way of telling that "The Good Earth "would sell tens of millions of copies. It transfixed a whole generation of readers just as Jung Chang's "Wild Swans "would do more than half a century later. No Westerner had ever written anything like this before, and no Chinese had either. Buck was the forerunner of a wave of Chinese Americans from Maxine Hong Kingston to Amy Tan. Until their books began coming out in the last few decades, her novels were unique in that they spoke for ordinary Asian people-- "translating my parents to me," said Hong Kingston, "and giving me our ancestry and our habitation." As a phenomenally successful writer and civil-rights campaigner, Buck did more than anyone else in her lifetime to change Western perceptions of China. In a world with its eyes trained on China today, she has much to tell us about what lies behind its astonishing reawakening.

Lord, where are You when Bad Things Happen? *Multnomah Pub*

Why Bad Things Happen to God's People

Making Sense of Trials and Tribulations in Your Life *Destiny Image Publishers*

Timeless Encouragement for the Challenges of Life Have you ever asked: If God loves me, why I am going through this trial? or Why is there so much misery, suffering, persecution, and injustice in the world? When Bad Things Happen to Rich People *Cornell University Press*

When Bad Things Happen to Rich People is a novel of social satire, a black comedy set in Chicago in the summer of 1995. The novel's protagonist, Nix Walters, is an adjunct instructor of English at a communications college in the loop with few prospects for advancement. He had become a literary punch line when his novel, touted as the next big literary phenomenon, was universally panned by critics. He and his pregnant wife, Flora, are struggling financially; however, their fortunes change when Nix is asked to ghostwrite the memoirs of publishing magnate Zira Fontaine. While grateful for a lavish author fee, Nix quickly finds his marriage, his career, and his sense of identity threatened as he struggles with a difficult subject, navigates office intrigue of Fontaine's corporation, and faces impending fatherhood. These tensions come to a turbulent climax when a brutal heat wave hits the city. Written in the spirit of great naturalist novelists of the previous century, such as Dreiser, Norris, and Crane, with a black comic twist, Morris's first novel is a study in aspiration and self-deception in the face of unforeseen adversity. Set among the broad lawns of Lake Forest where the domestic staff skim leaves from the pool and the sweltering streets of Chicago's pre-gentrified Wicker Park neighborhood, where children plunge into the raging stream of open fire hydrants, When Bad Things Happen to Rich People is a broad panorama of our current social reality.

When Good Things Happen to Bad People *iUniverse*

When Good Things Happen to Bad People offers an irreverent, fast-paced, fact-filled compendium of fifty case studies of notorious villains from Attila the Hun to Dick Cheney who triumphed in life despite, or because of, their dastardly deeds. This book is the perfect foil to Harold Kushner's international bestseller When Bad Things Happen to Good People. So why do good things happen to bad people? Maybe a certain number of baddies are simply going to get their share of good luck. Maybe the devil is running the universe and he or she likes pleasing his or her favorites. Maybe God is playing a joke on bad people by rewarding them on earth and then punishing them in an afterlife. Or maybe Edmund Burke was on the right track when he said, All that is necessary for the triumph of evil is that good men do nothing. For evil to triumph less, it follows that good people need to do something like exposing wickedness when they are confronted with it. As the saying goes: "Sunshine is the best disinfectant.

When Bad Things Happen

Thoughtful Answers to Hard Questions

WHEN BAD THINGS HAPPEN- Is a personal God really involved in our suffering? And if he is, what in the world is he up to? Why would a good God allow suffering in his world? William P. Smith addresses these and other hard questions by reflecting on what the Bible teaches about suffering. Instead of pat answers, he shares the different ways God uses suffering to bring us into a deeper, more intimate re-relationship with him. You can learn to see the good that God brings out of suffering and be thankful--not for the suffer-ing itself, but for God and his involvement in your life.

When Bad Things Happen

A Guide to Help Kids Cope *Open Road Media*

Truly bad things happen in life. And while we cannot shelter children from every hurt and harm, we can reassure them that they, like the little elves in these pages, will always be loved and cared for. We can teach children the skills needed for coping with life’s biggest challenges and changes. And we can restore children’s trust that life, after all, is good.

Bad Things Happen *Biblioasis*

Brilliant stories about marginalized characters at the fringes of society, full of violence, heartache, and compassion.

How Can a Good God Let Bad Things Happen? *Navpress Publishing Group*

Using the book of Job as a guide, author Mark Tabb explores the age-old questions about God, His goodness, and why bad things happen.

Why Does God Let Bad Things Happen? *The Good Book Company*

Apologetics for Christian kids and tweens on why God lets bad stuff happen. Sooner or later, kids have big questions about God, life, faith and the Bible, especially when their friends start asking them about what they believe. A common one is: Why does God let bad things happen? Big questions deserve good answers. This warm, reassuring and fast-paced book looks at what the Bible says to help 9-13s think through this big question for themselves. It puts the problem of suffering in the context of the Bible's big story, and encourages readers to see that whatever they're facing, Jesus is with them. Lively stories and illustrations make this book easy for this age group to engage with.

When Bad Things Happen to Good Prophecies *Xulon Press*

Is Christ excited to return to earth for a 1000 years? Does God still love Jacob (Jews), and still hate Esau (Arabs) ? This book deals with this subject and much more

When Bad Things Happen to Good Women

Getting You (or Someone You Love) Through the Toughest Times *Simon and Schuster*

When Bad Things Happen to Good Women is a survivor's toolkit by a leading expert in how to survive tragedy and thrive afterward. Carole Brody Fleet's book is a chorus of voices of females who overcame intense odds and rebounded. Filled with moving stories and specific steps on how to move on, these words of hard-won wisdom make an important component in dealing with trauma. Real-life stories and practical advice on life-altering topics are shared by women of all walks of life. New York Times best-selling author and CBS reporter Lee Woodruff tells the story of how her news correspondent and anchorman husband Bob Woodruff nearly died from a roadside bombing in Iraq. Kristen Moeller of Tiny House Nation on A&E describes the devastating wildfire that destroyed her home, and how she overcame losing literally everything. A bride-to-be shares the wedding day that became a memorial for her groom when he died in a car wreck on his way to the church. No matter the trauma, Carole Brody Fleet makes sure readers are equipped with the tools and techniques to

thrive after any tragedy — with a big heart and peaceful mind intact.

Living a Life that Matters *Anchor*

In this bestselling work of spiritual advice, the beloved author shows how even our smallest daily actions can become stepping steps toward integrity. Drawing on the stories of his own congregants, on literature, current events and, above all, on the Biblical story of Jacob (the worldly trickster who evolves into a man of God), Rabbi Harold S. Kushner—author of When Bad Things Happen to Good People—addresses some of the most persistent dilemmas of the human condition: Why do decent people so often violate their moral standards? How can we pursue justice without giving in to the lure of revenge? How can we turn our relationships with family and friends into genuine sources of meaning? Persuasive and sympathetic, filled with humanity and warmth, Living a Life That Matters is a deeply rewarding book.

Why Do Bad Things Happen If God Is Good? *Harvest House Pub*

Bible teacher and speaker Ron Rhodes flags the religious and philosophical dead-ends that can make tough situations even worse. His thoughtful but easy-to-understand analysis of the existence of evil will lead you to discover what the Bible has to say about : God's sovereignty, free will, what to do when God seems silent, eternal destination and how it can give you hope today.

When Bad Things Happen to Privileged People

Race, Gender, and What Makes a Crisis in America

A deep and thought-provoking examination of crisis politics and their implications for power and marginalization in the United States. From the climate crisis to the opioid crisis to the Coronavirus crisis, the language of crisis is everywhere around us and ubiquitous in contemporary American politics and policymaking. But for every problem that political actors describe as a crisis, there are myriad other equally serious ones that are not described in this way. Why has the term crisis been associated with some problems but not others? What has crisis come to mean, and what work does it do? In When Bad Things Happen to Privileged People, Dara Z. Strolovitch brings a critical eye to the taken-for-granted political vernacular of crisis. Using systematic analyses to trace the evolution of the use of the term crisis by both political elites and outsiders, Strolovitch unpacks the idea of "crisis" in contemporary politics and demonstrates that crisis is itself an operation of politics. She shows that racial justice activists innovated the language of crisis in an effort to transform racism from something understood as natural and intractable and to cast it instead as a policy problem that could be remedied. Dominant political actors later seized on the language of crisis to compel the use of state power, but often in ways that compounded rather than alleviated inequality and injustice. In this eye-opening and important book, Strolovitch demonstrates that understanding crisis politics is key to understanding the politics of racial, gender, and class inequalities in the early twenty-first century.

Why Do Bad Things Happen to Good People?

A Biblical Look at the Problem of Suffering *Christian Focus Publications*

The author considers the different opinions people have before investigating the biblical answers about a crucial topic that needs to be faced by an evangelistic church. He looks at the situation biblical characters faced, the opposition to Jesus himself, and the suffering of the early church.

Why Bad Things Don't Happen to Good People

Finding Light in the Darkness

When Bad Thinking Happens to Good People

How Philosophy Can Save Us from Ourselves *Princeton University Press*

Why the tools of philosophy offer a powerful antidote to today’s epidemic of irrationality There is an epidemic of bad thinking in the world today. An alarming number of people are embracing crazy, even dangerous ideas. They believe that vaccinations cause autism. They reject the scientific consensus on climate change as a “hoax.” And they blame the spread of COVID-19 on the 5G network or a Chinese cabal. Worse, bad thinking drives bad acting—it even inspired a mob to storm the U.S. Capitol. In this book, Steven Nadler and Lawrence Shapiro argue that the best antidote for bad thinking is the wisdom, insights, and practical skills of philosophy. When Bad Thinking Happens to Good People provides an engaging tour through the basic principles of logic, argument, evidence, and probability that can make all of us more reasonable and responsible citizens. When Bad Thinking Happens to Good People shows how we can more readily spot and avoid flawed arguments and unreliable information; determine whether evidence supports or contradicts an idea; distinguish between merely believing something and knowing it; and much more. In doing so, the book reveals how epistemology, which addresses the nature of belief and knowledge, and ethics, the study of moral principles that should govern our behavior, can reduce bad thinking. Moreover, the book shows why philosophy’s millennia-old advice about how to lead a good, rational, and examined life is essential for escaping our current predicament. In a world in which irrationality has exploded to deadly effect, When Bad Thinking Happens to Good People is a timely and essential guide for a return to reason.

Women Living Well

Find Your Joy in God, Your Man, Your Kids, and Your Home *Thomas Nelson*

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God’s Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

Thinking about Good and Evil

Jewish Views from Antiquity to Modernity *U of Nebraska Press*

The most comprehensive book on the topic, Thinking about Good and Evil traces salient Jewish ideas about why innocent people seem to suffer, why evil individuals seem to prosper, and God's role in matters of (in)justice, from antiquity to modernity.

Bad Things Happen Here *Margaret K. McElderry*

I Killed Zoe Spanos meets The Cheerleaders in this haunting mystery about an island town with a history of unsolved deaths—and a girl desperate to uncover the mystery behind it all. Luca Laine Thomas lives on a cursed island. To the outside world, Parris is an exclusive, idyllic escape accessible only to the one percent. There’s nothing idyllic about its history, though, scattered with the unsolved deaths of young women—deaths Parris society happily ignores to maintain its polished veneer. But Luca can’t ignore them. Not when the curse that took them killed her best friend, Polly, three years ago. Not when she feels the curse lingering nearby, ready to take her next. When Luca comes home to police cars outside her house, she knows the curse has visited once again. Except this time, it came for Whitney, her sister. Luca decides to take the investigation of Whitney’s death into her own hands. But as a shocking betrayal rocks Luca’s world, the identity Whitney’s killer isn’t the only truth Luca seeks. And by the time she finds what she’s looking for, Luca will come face to face with the curse she’s been running from her whole life.

Why Do Bad Things Happen to Good People? *Independently Published*

Why bad things happen to good people has always been one of the hard questions of Christianity. While the answer is explained here in a format and in language children can understand, My biggest hope in writing this is for people to be able to step out of their humanity for a moment and look at the story with a slightly larger perspective.

Why Bad Things Happen to Good People and What Can Be Done about It

A Christian Perspective *WestBow Press*

Life is full of challenges. Some of the challenges we face in life are so painful that we invariably ask, "Why is this happening to me?" The Bible promises a day in the future when there will be no more pain and no more sorrow when the Lord establishes a new heaven and a new earth (Revelation 21:1-4). But until then, bad things will continue to happen. But we are not helpless. The Bible provides answers to suffering that will help us deal with the painful challenges we face. By following Biblical prescriptions we can grow spiritually and emotionally. Life's difficulties will no longer be viewed as evils, but as challenges to be overcome with victory; life's adversities can be made to work for us rather than against us.

When Bad Things Happen to Good Actors *Stage Partners*

A simple one-act production of The Wizard of Oz gets derailed by missed cues, forgotten lines, and a renegade sound board op who refuses to play anything but dinosaur noises. A comedy that proves, when it comes to live theatre, everything that can go wrong, will go wrong, and it will be hilarious. Comedy One-act. 25-30 minutes 10-30 actors, gender flexible

Where Is God When Bad Things Happen?

Finding Solace in Times of Trouble *Galilee Trade*

Asking profound questions about suffering and the nature of God, one of the world's most popular evangelists shows readers how to confront the world's evil without losing their faith. Reprint.

Godforsaken

Bad Things Happen. Is there a God who cares? Yes. Here’s proof. *Tyndale House Publishers, Inc.*

Examines the issue of human suffering and explores why a good God allows it.

Behave

The Biology of Humans at Our Best and Worst *Penguin*

Why do we do the things we do? Over a decade in the making, this game-changing book is Robert Sapolsky's genre-shattering attempt to answer that question as fully as perhaps only he could,

looking at it from every angle. Sapolsky's storytelling concept is delightful but it also has a powerful intrinsic logic: he starts by looking at the factors that bear on a person's reaction in the precise moment a behavior occurs, and then hops back in time from there, in stages, ultimately ending up at the deep history of our species and its genetic inheritance. And so the first category of explanation is the neurobiological one. What goes on in a person's brain a second before the behavior happens? Then he pulls out to a slightly larger field of vision, a little earlier in time: What sight, sound, or smell triggers the nervous system to produce that behavior? And then, what hormones act hours to days earlier to change how responsive that individual is to the stimuli which trigger the nervous system? By now, he has increased our field of vision so that we are thinking about neurobiology and the sensory world of our environment and endocrinology in trying to explain what happened. Sapolsky keeps going--next to what features of the environment affected that person's brain, and then back to the childhood of the individual, and then to their genetic makeup. Finally, he expands the view to encompass factors larger than that one individual. How culture has shaped that individual's group, what ecological factors helped shape that culture, and on and on, back to evolutionary factors thousands and even millions of years old. The result is one of the most dazzling tours de horizon of the science of human behavior ever attempted, a majestic synthesis that harvests cutting-edge research across a range of disciplines to provide a subtle and nuanced perspective on why we ultimately do the things we do...for good and for ill. Sapolsky builds on this understanding to wrestle with some of our deepest and thorniest questions relating to tribalism and xenophobia, hierarchy and competition, morality and free will, and war and peace. Wise, humane, often very funny, Behave is a towering achievement, powerfully humanizing, and downright heroic in its own right.

Heresy

Ten Lies They Spread about Christianity *Signal*

Bestselling author Michael Coren explodes popular myths about the history, beliefs, and culture of Christianity. In Heresy: Ten Lies They Spread About Christianity, Michael Coren, author of the bestselling Why Catholics Are Right, explores why and how Christians and Christian ideas are caricatured in popular media as well as in sophisticated society and addresses ten common lies told about Christianity: that it supported slavery, is racist, sexist, homophobic, anti-intellectual, anti-scientific and anti-Semitic, provokes war, resists progress, and is repressive and irrelevant. Hard-hitting, provocative, and personal, Heresy offers a powerful rebuttal to attacks on the Christian faith.

Responses to Suffering in Classical Rabbinic Literature *Oxford University Press on Demand*

Kraemer examines classical Jewish literature to see how Rabbis answered questions arising from the existence of suffering. The many and varied responses to events such as the defeat of Palestine by Rome and the destruction of the Temple at Jerusalem are as relevant as ever to the theological controversy surrounding the problem of suffering.

When Bad Things Happen Good Things Can Grow

Survivors' Stories of Hope from the Aftermath of Unimaginable Trauma, Abuse and Burns. *Seemore Publishing House*

An autobiography of a teachers' devotion to the 'at-risk' child. It is through the unimaginable tragedies of others Susie found her purpose. This book shares a collection of uplifting stories of transformation. From the ashes of the past, they have risen and followed a path of self-discovery and healing, to a place of belonging, and sometimes the best things that will ever happen to them. Working with hundreds of survivors of unbelievable trauma, abuse and burns, Susie has learnt that from bad things good things can grow. The courage and strength of these incredible people are shared in their powerful stories throughout this book. In 1993 Susie founded the KIDS Foundation after learning 5,000 children are injured in Australia every day. Its purpose to help young people recover from injuries and trauma caused by the most horrific circumstances, as well as preventing them from happening through education and empowerment. One day Susie met a young boy being rehabilitated in an aged-care facility surrounded by elderly men and was compelled to do something. Several years later a child friendly purpose built facility was created. The first young boy to stay there was a burn survivor. When it was time for him to return home there were limited support networks, so we created one - Burn Survivors Network supporting families Australia wide. 2001 becoming an Ironman changed and saved Susie's life in the most unimaginable way. Most importantly it became the catalyst for bringing millions of dollars to the KIDS Foundation. When bad things happen good thing can grow, captures heart-felt stories of triumph over adversity.
