They will have the Buell books and can tell you all years which will use the same part numbers as yours. perhaps they will even know off the top of their head, but worst case they will have to look it up. if I’m not mistaken, 02 and up should work as they are all P3 body, but I could be wrong as I just started researching these.

Buell Blast Service Manual - Craigerson

The last Buell motorcycle was produced on October 30, 2009, but support for the Buell motorcycles was still shown by maintaining the production of the Buell Service Repair Manual PDF. In November 2009, Erik Buell announced the launch of Erik Buell Racing, an independent company run by Erik. At first, they only made racing versions of the 1125R model, then subsequently offered an updated 1190RS model along with the Buell 1190RS manual. Buell is currently producing a further improved Buell ...
