use of strategic management accounting techniques (SMA), and combined impact of SMA Usage and contingency factors on organisational performance in a less developed country (LDC) context.

Strategic Management Accounting Practices in Palestinian ...

Strategic management accounting and control is a relatively new paradigm in the field of management accounting. This new perspective of management accounting and control system was made popular as a result of the criticism levelled on the traditional management accounting by both academia and professionals in the late 1980s and early 1990s. The intense competition in today's tough business environment

made it reasonable and realistic for a new approach to management accounting to be advocated.

What is Strategic Management Accounting? Meaning and ...

in 1981. Simmonds (1981: 26) defines strategic management accounting as monitoring and analysis of management accounting information of the enterprise and its competitors in order to develop and control strategy. Bromwich (1990: 28) believes that strategic management accounting provides financial information about the market in which the
