Project Sunlight

Project Sunlight by June Strong is about "a citizen of the universe"-an angel who

is assigned to keep record of a young woman named Megan. As Jared uncovers amazing discoveries about her and her eager desire to fill the holes in her heart after getting a divorce and having two children, he is all the more anxious to introduce her to Jesus and the wonderful relationship they could share together.

Project Sunlight by June Strong - Goodreads

Project Sunlight is the federally funded program that ICAST has been leading over the past 18 months, working with affordable housing and community solar developers, as well as utilities to gauge the feasibility of various market-based models for low-income community solar. Backed with \$2 million from the Department of Energy (DOE), the three-year project has focused its initial research on ...
