AllMusic Review by Scott Yanow. As a

leader, Charlie Parker recorded for Savoy and Dial during 1945-1948 and then for Verve exclusively (at least in the studios) during 1949-1954. This remarkable ten-CD box set, which adds quite a bit of material to an earlier ten-LP set, contains all of these recordings plus Bird's earlier appearances with Jazz at the Philharmonic.

A lovely set of everything you will ever need of the late-era Bird. It basically collects all of his stuff toward the end of

his life, and to boot the sound quality is the best you will ever hear from Charlie. Because the set is massively cheaper than the full Savoy and Dial set, I recommend actually getting the full set here.
