Diary, form of autobiographical writing, a regularly kept record of the diarist's activities and reflections. Written primarily for the writer's use alone, the diary has a frankness that is unlike writing done for publication. Its ancient lineage is indicated by the existence of the term in Latin, diarium, itself derived from dies ("day").

diary | Definition, History, Examples, & Facts | Britannica

The word diary comes from the Latin diarium ("daily allowance," from dies "day"). The word journal comes from the same root (diurnus "of the day") through Old French jurnal (modern French for day is jour).. The earliest use of the word refers to a book in which a daily record was written was in Ben Jonson's comedy Volpone in 1605.. History. The earliest known book resembling a diary is the ...
