After reading "Without Warning" I couldn't let too much time pass by before I read the next in the trilogy. In "Without Warning" the apocalypse has happened, at least for North America. Birmingham built up a plausible world of chaos and survival. In "After America" we are three years into that post-apocalyptic world.

After America: Get Ready for Armageddon is a non-fiction book authored by socio-political commentator Mark Steyn, being published in 2011 by Regnery. In the work, he asserts that the United States has placed itself onto a trajectory towards decline and eventual collapse due to different trends in its

history, a path that he states has been set out previously by other nations of the Western World. The author specifically cites what he sees as unsustainable national spending and borrowing, with th
