Transnational Crime: Law, Theory and Practice at the ...

Introduction. Transnational law (TL) reacts to normative demands in world society and thus covers normative worlds beyond both domestic and international realms. Inasmuch as domestic law structures relations among actors within the confines of a territorial state, and international law structures relations among states, TL can be understood to structure relations "across" states and state jurisdictions, thus transcending some of the normative confines just mentioned.

Transnational organized crime is organized crime coordinated across national borders, involving groups or markets of individuals working in more than one country to plan and execute illegal business ventures. In order to achieve their goals, these criminal groups use systematic violence and corruption. Common transnational organized crimes include conveying drugs, conveying arms, trafficking for sex, toxic waste disposal, materials theft and poaching.
