We would say that procedures follow on from policy – how you do it in practice – and can be a separate document or a section of the same. It is often worth trying to be clear, as a policy change may or may not alter the procedure, while a necessary change in

procedure should not be allowed to change the policy by default.

Policies and Procedures Checklist - VolResource

According to Compliance Bridge, “a policy defines a set of rules like workplace conduct, whereas a procedure defines the steps you should take to onboard a new employee.” When you want someone to know why you do something, create and record a policy. When you want someone to know how to do something, create and record a procedure.
