International Perspectives On Early Child

The first volume in this Early Childhood Education and Care in the 21 st Century: International Teaching, Family and Policy Perspectives miniseries provides a snapshot of early childhood education and care from 19 different countries around the world. The intention is to provide a description for the policy and provision for young children and their families in each of the unique contemporary contexts.

International Perspectives on Early Childhood Education ...

Early childhood education in many countries has been built upon a strong tradition of a materially rich and active play-based pedagogy and environment. Yet what has become visible within the profession, is essentially a Western view of childhood preschool education and school education. It is timely that a series of books be published which present a broader view of early childhood education.
