National Standards for Best Practices in Charitable Children's Institutions. This document was developed with the aim of assisting Charitable Children's Institutions (CCIs) in Kenya to boost their capacity for determining which children need to be admitted into CCIs, how to provide adequate care and protection to the children and how to plan the eventual exit of the children back to their families and communities.

National Standards for Best Practices in Charitable ...

Over time, National Standards have become an important resource for developing new and emerging community foundations. Impact: National Standards set consistent expectations among community foundation boards and practitioners, helping them focus and make effective use of time and talent. They also provide a framework for documenting, communicating and providing training and technical assistance to advance best practices.
