Pass The 63 2015 A

A book designed to help you pass an exam can only be judged on results. Considering I got an 88% on the Series 63 exam (72% is passing), this book passed with flying colors. The only complaints I have with Pass the 63 is that there were a number of minor typos that any editor that was paying

attention should have caught, and that an extra practice exam or two would have been helpful.
