This article defines mixed methods in social work research, and discusses design notation, language, popular mixed methods designs, and data integration.

**Mixed Methods Research - Encyclopedia of Social Work**

Although advocates of mixed-methods research have proposed pragmatism as a paradigm for social research, nearly all of that work has emphasized the practical rather than the philosophical aspects of pragmatism. This article addresses that gap by connecting John Dewey’s work on experience and inquiry to current issues in the study of social research.
