Nowadays, hot issues are likely become bipolar or multipolar after heated discussion on the Internet. This article is focused on the study of the polarization phenomenon and establishes a public opinion polarization model with the considerations of individual heterogeneity and dynamic conformity.

Modeling of the Public Opinion Polarization Process with ...

A seemingly homogeneous body of public opinion may therefore be composed of individual opinions that are rooted in very different interests and values. If an attitude does not serve a function such as one of the above, it is unlikely to be formed: an attitude must be useful in some way to the person who holds it. Factors influencing public opinion

Public opinion - Components of public opinion: attitudes ...

Mass media is an ideal source of information relied upon by many. It plays a critical role in public opinion since it disseminates information and facts concerning various topics that the people should know. If the mass media reports inaccurate information, then the people would have wrong information regarding different issues in the society.

Influence of Media on Public Opinion | Impact of Media on ...

Public opinion consists of the desires, wants and thinking of the majority of the people. It is the collective opinion of the people of a society or state on an issue or problem. This concept came about through the process of urbanization and other political and social forces. For the first time, it became important what people thought as forms of political contention changed. Democracy requires public opinion because it derives authority from the

public.

Public opinion - Wikipedia

Public opinion is the aggregate of individual attitudes or beliefs held by the adult population. Public opinion can also be defined as the complex collection of opinions of many different people and the sum of all their views. The principle approaches to the study of public opinion may be divided into 4 categories:

Public opinion | Psychology Wiki | Fandom

Comparative Public Opinion. By the mid-1970s, the received knowledge regarding US public opinion and foreign policy held that the public was largely inattentive, emotional, with unstructured beliefs, and little influence on foreign policy.

Foreign Policy Analysis and Globalization: Public Opinion ...

Public opinion is a collection of popular views about something, perhaps a person, a local or national event, or a new idea. For example, each day, a number of polling companies call Americans at random to ask whether they approve or disapprove of the way the president is guiding the economy.
