How To Do The IOSH Managing Safely Project

Hello all, So 4 weeks in to my new career in Health and Safety and I have just completed my IOSH managing safely. :) I have noticed from day 1 the vast difference in Risk Assessments used by different companies and wondering if IOSH have a standard template to use, or if anyone can advise the most compliant template?

IOSH Templates for Risk Assessment?

common industry control measures for the key hazards identified in section one. Some control measures can help mitigate more than one hazard – for example the use of wheel chocks can mitigate both drive-aways and vehicle creep, and this is reflected within this chapter. Control measures should never be considered a one-size-fits-all solution.
