Richard Hollis' writings in chronological order show interesting developments and how the field has changed over the years.

About Graphic Design by Richard Hollis

There are few occasions when something is genuinely unmissable, writes Mark Thomson, but for designers and students of design and curating alike, this is one. Hollis may be among the most influential British designers of the past 50 years, but this is the first serious survey of his design work. Hollis's design for John Berger's *Ways of Seeing* (1972) is seminal in several ways: in its deconstructed cover, which announces the theme of the book by simply starting without preamble or ...
