Language Learners With Special Needs

This book provides new and important insights into the subject of language learners with special needs from a number of perspectives, especially on topics related to learners' personal experiences of language learning. People with special needs are given a 'voice' which is imperative and very worthwhile, reflecting current approaches to understanding so-called "impairment" or "difference" in many other fields of study.

Language Learners with Special Needs: An International ...

language signalled a new determination to include every school-age student in mainstream education. Now we are in the second decade of the new millennium, the Equality Act 2010 legally protects people, including those with special educational needs (SEN) or disabilities, from discrimination in the workplace and in wider society.

Language learning and students with special educational needs

EAL learners with Special Educational Needs or Disabilities. Speaking English as an Additional Language (EAL) is not a Special Educational Need (SEN), but learners with EAL may themselves have additional educational needs, just like learners who use English as their First Language. For example, a Pakistani

heritage child who speaks Panjabi and has a hearing impairment would be identified as needing both EAL and SEND support, as would a Turkish-speaking child who, after two years in the UK ...

Language learners with special needs: An international ...

Special needs are commonly defined by what a child can't do—milestones unmet, foods banned, activities avoided, or experiences denied. These hindrances

can hit families hard and may make special needs seem like a tragic designation. Some parents will always mourn their child's lost potential, and some conditions become more troubling with time.

Challenges and Issues for Special Needs Children

Special needs students and ESL learners, particularly those who have limited literacy in their first language, will benefit from support at each stage of the writing process. Make explicit: • the purpose of the writing • the audience for the writing • the kind of text they are writing.

Catering for students with special needs

Teaching Students with Special Needs in Inclusive Classrooms is a manual which is aimed at pre-service or in-service core subject teachers who major in general, special, or inclusive education, and educational decision-makers. It addresses inclusive teaching in the learners' mother tongue or second language in the case of bilingual education.

Teaching Students with Special Needs in Inclusive ...

Therefore, the key to meeting the needs of English Language Learners is to plan lessons that are accessible to a wide range of students and that utilize

language-focused instruction. The good news is that you can apply specific teaching methods and instructional strategies to meet the needs of your ESL students better.

How to Meet the Needs of English Language Learners

A learner has special educational needs if they have a learning difficulty or disability which requires special educational provision. In order to support learners and meet their needs, you must have some understanding of the difficulties they face. In this guide we outline different needs and consider:
