School health and safety ethics A systematic approach to managing safety and health risks is important. Ethically, it is the right thing to do. Part of a school's overall values is to keep staff and visitors safe and help pupils to become the 'risk aware, but not risk averse' citizens of tomorrow.

Managing Safety in Schools and Colleges

Researchers have confirmed that the most effective means of ensuring safety among children in school is to know the number of children and the family background of the children who are in a school (Phil, 2012). Moreover, listening and identifying the unusual behaviour among children can be an effective

means of enhancing security in schools.
