Community Planning: An Introduction To The Comprehensive ...

Neighbourhood planning is a new way for communities to decide the future of the places where they live and work. They will be able to:

- choose where they want new homes, shops and offices to be built
- have their say on what those new buildings should look like
- grant planning permission for the new buildings they want to see go ahead.

An introduction to neighbourhood planning

Written by a former president of the American Planning Association, Community Planning is thorough, specific, and timely. It addresses such important contemporary issues as sustainability, walkable communities, the role of urban design in public safety, changes in housing needs for a changing population, and multi-modal transportation planning.
