What You Need to Know About College Tuition Costs | Paying ...

The biggest part of college costs is usually tuition. Tuition is the price you pay for classes. Along with tuition, you'll probably have to pay some other fees to enroll in and attend a college. Tuition

and fees vary from college to college. Other college costs include room and board, books and supplies, transportation, and personal expenses.

Pay for College | Understanding College Costs

The biggest part of college costs is usually tuition. Get a full understanding of financial aid when it comes to college.

Pay for College | Understanding College Costs

Schools have blurred the true cost of college by advertising prices that scare consumers and then discounting the price dramatically with a financial aid package that makes it feel like too good a deal to pass up. For example, the advertised cost for attending Harvard in 2017-2018 is \$73,600, which would bring sticker shock to most families.

Average Cost of College: Understanding True College Expenses

But this ignores the alternative. The average high school graduate earns half what the average college graduate earns and faces an unemployment rate that is nearly twice that of the average college graduate. But the average high school graduate starts a career four years sooner and doesn't incur the average \$88,000 cost of a four-year degree.
