### **The All-or-Nothing Marriage**

#### **How the Best Marriages Work** *Penguin*

"After years of debate and inquiry, the key to a great marriage remained shrouded in mystery. Until now..."—Carol Dweck, author of *Mindset: The New Psychology of Success* Eli J. Finkel's insightful and ground-breaking investigation of marriage clearly shows that the best marriages today are better than the best marriages of earlier eras. Indeed, they are the best marriages the world has ever known. He presents his findings here for the first time in this lucid, inspiring guide to modern marital bliss. The All-or-Nothing Marriage reverse engineers fulfilling marriages—from the "traditional" to the utterly nontraditional—and shows how any marriage can be better. The primary function of marriage from 1620 to 1850 was food, shelter, and protection from violence; from 1850 to 1965, the purpose revolved around love and companionship. But today, a new kind of marriage has emerged, one oriented toward self-discover, self-esteem, and personal growth. Finkel combines cutting-edge scientific research with practical advice; he considers paths to better communication and responsiveness; he offers guidance on when to recalibrate our

expectations; and he even introduces a set of must-try "lovehacks." This is a book for the newlywed to the empty nester, for those thinking about getting married or remarried, and for anyone looking for illuminating advice that will make a real difference to getting the most out of marriage today.

### **How to Marry Mr. Rich**

#### **How to Find a Single Man Who Is Making \$150,000+ Plus a Year**

A RECORD-BREAKING 56 MILLION AMERICAN WOMEN ARE UNEMPLOYED [From The U.S. Bureau of Labor Statistics (BLS), February 2015] A woman is lucky if she has any kind of job at all today! But even if she still has a job, she may work at a dirty job like I did, at a fast food restaurant as a fry cook, flipping greasy hamburgers and fries (then serve them to abrupt, arrogant customers all day long), or as a cleaning lady for a small motel chain, changing hundreds of kids' smelly urine-stained bed sheets at 5 A.M. (at that hour, I was out of my mind and half asleep), or as a maid for a home maid service, cleaning filthy, diarrhea-incrusted toilets in old people's homes (I worked even when I had splitting headaches from all of the strong cleaners and disinfectants). I had those three dirty jobs until I quit them all, got smart, and married a rich Millionaire. Then, I wrote "How To Marry Mr. Rich" in order to teach every woman in the world that it is really very possible for you to marry a rich Millionaire, too! So if you are a struggling, poor, or middle-class woman that desperately craves "The Good Life" than you need to learn and understand what the past generations of poor and middle-class mothers always told their poor and middle-class daughters: "You will have a lifetime of miserable poverty married to a poor man, and you will have a lifetime of trivial boredom married to a middle-class man, so Marry Mr. Rich." #### **How to Improve Your Marriage Without Talking About It** *Harmony*

Men are right. The "relationship talk" does not help. Dr. Patricia Love's and Dr. Steven Stosny's *How to Improve Your Marriage Without Talking About It* reveals the stunning truth about marital happiness: Love is not about better communication. It's about connection. You'll never get a closer relationship with your man by talking to him like you talk to one of your girlfriends. Male emotions are like women's sexuality: you can't be too direct too quickly. There are four ways to connect with a man: touch, activity, sex, routines. Men want closer marriages just as much as

women do, but not if they have to act like a woman. Talking makes women move closer; it makes men move away. The secret of the silent male is this: his wife supplies the meaning in his life. The stunning truth about love is that talking doesn't help. Have you ever had this conversation with your spouse? Wife: "Honey, we need to talk about us." Husband: "Do we have to?" Drs. Patricia Love and Steven Stosny have studied this all-too-familiar dynamic between men and women and have reached a truly shocking conclusion. Even with the best of intentions, talking about your relationship doesn't bring you together, and it will eventually drive you apart. The reason for this is that underneath most couples' fights, there is a biological difference at work. A woman's vulnerability to fear and anxiety makes her draw closer, while a man's subtle sensitivity to shame makes him pull away in response. This is why so many married couples fall into the archetypal roles of nagging wife/stonewalling husband, and why improving a marriage can't happen through words. How to Improve Your Marriage Without Talking About It teaches couples how to get closer in ways that don't require "trying to turn a man into a woman." Rich in stories of couples who have turned their marriages around, and full of practical advice about the behaviors that make and break marriages, this essential guide will help couples find love beyond words.

### Get Rich Action Plan

#### How to Save Money and Build Wealth in 8 Simple Steps

You Don't Need to Make Millions to Get Rich. Believe Me. This comprehensive 8-step guide provides the blueprint to achieve financial freedom at a young age, regardless of income. No B.S., just answers. In *Get Rich Action Plan*, you will learn the lifelong habits to become financially independent sooner than you thought possible. Do we really need another personal finance book? YES. The outdated status quo advice of "Save 10% for 40+ years" simply doesn't work. It's time to rethink the conventional wisdom that only serves to continue the vicious cycle of wage slavery and the "live to work" mentality. In an age of globalization and abundance, I'm here to tell you there is another way! It is time to change how we think about personal finance, budgeting, and investing. The 8 steps in this book each work in unison to create a rapid snowball effect that will make your money work for you immediately, so you can afford time off of work or even retire in your 30's. From saving money to investing to growing your income, all of the specifics are covered in this action plan. *Get Started on the Right Foot and Change How You Think About Finances* I have never made much money by Western standards. In fact, I have never made more than a middle class income. But by employing these strategies, I was able to increase my net worth dramatically at a very young age. It took only 6 years of full-time employment to build an "FU money" fund of hundreds of thousands of dollars, providing me the freedom to travel and take time off of work to pursue other interests. I was able to do this by quickly taking action and ignoring conventional advice. After years of trial and error, I have developed a strategy and philosophy that simply works. And I want to share with you everything I have done to build this large nest egg. I have nothing to hide. The truth is that the path to wealth is not complicated, and you do not need to make millions to get there. More and more of us are realizing that financial freedom is possible in 10 years or less. But the media will never tell you this. Your politicians will never tell you this. They want you to live to work instead of work to live. Now is the time to flip the script and live free! The Time To Take Action Was Yesterday. The Next Best Time is Now. #### The Boy Who Robbed the Rich

Strength comes in numbers of merry men. Philip, one of the lost children of Fairedale, wakes in the woods outside the village of Lincastle, surrounded by the forest's most frightening creatures. Thus begins his daily battle to outsmart the creatures that would like nothing more than to eat him, requiring Philip to construct a

makeshift bow out of limbs and leather and become, in a few days' time, a master archer. One day, while Philip is out hunting, he meets one of the legendary merry men. After discovering he can miraculously shoot an arrow and hit a bulls-eye, the ragged men invite Philip to join them in stealing from the rich of Lincastle and giving to the village poor. But in spite of his valiant efforts and his extraordinary bravery, Philip will need more than just the merry men to rescue him from what is coming. The Boy Who Robbed the Rich is the eighth book in the Fairendale series, an epic fantasy middle grade series that explores both familiar and unfamiliar fairy tales, legends, myths, and folk tales. The world of Fairendale revolves around villains and heroes--all on a quest for what they believe is right. But one cannot always know, at first glance, who is the villain and who is the hero. Throughout the series, the story of King Willis and his determination to keep the throne of Fairendale is woven into the story of his son, Prince Virgil, heir to the throne and friend to the village children, and the story of fairy tale children fleeing for their lives--children who become what we know as fairy tale villains, for one good reason or another. But, remember, one cannot always know, at first glance, who is the villain and who is the hero.
