GOD FOR A SECULAR SOCIETY: THE PUBLIC RELEVANCE OF ...

The title, God for a Secular Society, indicates my belief that there is an implicit theology of modern times---a theology always already existent, but not critically thought through---and that this demands an explicit public theology. Its subject alone necessarily makes Christian theology a theologia publica, public theology.

Daniel's story is one of extraordinary faith in God lived out at the pinnacle of executive and academic power. Daniel and his friends did not simply maintain their private devotion to God; they maintained a high-profile witness in a pluralistic society antagonistic to their faith. If Daniel and his compatriots were with us today, they would be in the vanguard of the public

God For A Secular Society The Public Relevance Of Theology

In this masterful analysis of the religious and political dilemmas at the end of the modern age, world-renowned theologian Jürgen Moltmann assays the vaulting dreams and colossal failures of our time. He asks how we came to this point, and he argues strenuously for Christian discipleship and public theology that take sides. In both critical and creative ways he advances the specific relevance ...

God For A Secular Society The Public Relevance Of Theology

Theos “Doing God” Report Recommendations a “Recipe for Disaster”. The Theos report was criticised today by The National Secular Society (NSS) as “a recipe for disaster”. Vice President of the NSS, Terry Sanderson, said: “The ideas put forward in this Theos report are a recipe for disaster. This report is self-serving, self-deluding and a recommendation for the imposition of a new authoritarianism on an unwilling population.
