G20 Global Displacement And Migration Trends Report 2017

Subsequent summits have lacked the same sense of urgency and have failed to deliver any kind of agenda that can be pinpointed as clearly as “saving the global economy.” This week’s summit in Hamburg, Germany promises more of the same, with the real possibility that the G20’s stock could fall even further at the hands of a non-cooperative US delegation.

G20 | Center For Global Development

Germany has continued the recent tradition of expanding the group’s remit beyond economics. It notes that the G20 must “assume responsibility” in areas that affect global peace and security, including displacement and migration, stating a commitment to building on previous years’ efforts to protect refugees.
