Akiko: Pieces of Gax *Delacorte Press*

Akiko's always prepared for something out of this world, but when she goes on a pleasure trip to Gollarondo with Poog, Mr. Beeba, Spuckler Boach, and Gax she can barely believe her eyes—Gollarondo is a city that was built completely upside down! Forget sight-seeing. All Akiko wants to do is keep both feet on the ground. Which is not so easy. Almost as soon as the gang arrives Spuckler's robot Gax accidentally flies off one of Gollarondo's balconies and into the Moonguzzit Sea below. Good news: He survived the fall. Bad news: Anything and everything that falls from Gollarondo is automatically the property of Nugg von Hoffelhiff—the ruler of the seas beneath the city. By the time Akiko and her crew are able to gain an audience with Nugg, he has sold Gax to others. What's worse, he actually broke Gax

down into spare parts to maximize his profits! It's up to Akiko and the gang to retrieve the pieces of Gax before they are spread far and wide across the Moonguzzit Sea. But the people who bought the parts run the gamut from off the wall to downright villainous, so saving Gax's neck (and body and wheels) may turn out to be Akiko's most dangerous mission yet.

How to Draw Manga: Basics and Beyond *Manga University*

You want to draw manga, and Manga University will show you how. You'll get VERY good at this. After all, we've been teaching people just like you for more than 20 years. "How to Draw Manga: Basics and Beyond!" is the latest in Manga University's lineup of best-selling instructional books. The book features more than 1,000 illustrations drawn by Japanese manga artists whose work has appeared in leading publications, including Shonen Sunday and Young Jump. You will learn how to draw like a professional because your teachers are professionals. We've divided the book into four easy-to-follow chapters that will have you drawing original characters from head to toe in no time at all: Heads First! We begin at the top, with a chapter on how to draw heads. After all, heads are the first thing most people notice, in both art and out in the real world. And in art, just like in the real world, you want to make sure your characters make a vivid first impression ... whether they're completely human, or totally out-of-this-world. Let's Make Faces! The expression the eyes are the window to the soul is particularly true when it comes to manga. You can tell a lot about a character's personality by peering into their eyes. In this chapter, we explain the basics of drawing eyes. But we don't stop there. We also cover noses, mouths, ears, and hair. All About Bodies! Once we've covered faces, we move on to teaching you all about drawing bodies. We go over the differences between male and female body proportions, count heads to determine the heights of our characters, and learn how to draw hands, arms, feet, and legs. Strike a Pose! Our book's final chapter is all about making a physical statement. We show characters standing tall, sitting down, throwing punches, giving hugs, and more. Because even beautifully drawn characters look boring if they're frozen stiff. The book also includes a section on manga tools. Plus, you'll get to know the artists who contributed to the book through exclusive interviews in which they talk about their favorite manga

and anime series, hobbies, how they work, and more!

Shonen Manga

Action-Packed! *Harper Collins*

A step-by-step guide to all the tricks—both freehand and digital—to creating the best manga characters, Shonen Manga is a fun, easy to read manga manual for artists of all ages and languages. Focusing on Shonen-style manga and anime (a genre targeting young boys—"Shonen" means young boy, referring to elementary through grade school age groups), Shonen Manga is a practical, hands-on guide to learning the skills of action-packed drawing. It includes detailed information on how to apply digital colour, 3D designs, vectorial drawing, and a host of other fascinating and useful design applications. Each project in Shonen Manga includes step-by-step instructions specifying software, tools, and professional tricks to achieve the gritty eyes, roaring faces, and clenched fists of teen heroes, martial art masters, ninja girls, and violent samurai, integral to the Shonen genre. Shonen Manga will walk an audience of manga artists, illustrators, and graphic designers through the basic stages of manga production, beginning with black-and-white sketches and ending with vibrant, fully costumed characters.

Akiko: The Training Master *Delacorte Press*

When Akiko's Smoovian friends, Poog, Mr. Beeba, Gax, and Spuckler Boach, swing by to pick her up in an astroshuttle, she's feeling bored with her "normal" life and more than ready to go—anywhere. What she doesn't know is that King Froptoppit has enrolled them all in the Intergalactic Space Patrolers Training Camp on Zarga Baffa. Every planet in the universe relies on patrolers for protection, but no one from Smoo has ever graduated. Akiko and her crew are the planet's last hope. After a freak accident at nearby Virpling Canyon, Akiko's crew faces the ultimate final exam. Will Akiko go home, leaving the rescuing to others? Or will she stay and risk everything?

Drawing People *Penguin*

Draw Natural and Believable Clothed Figures In Drawing People, award-winning illustrator and instructor Barbara Bradley provides all the information you need to render clothed human figures with energy, detail and control. Bradley begins by teaching the basics of any drawing, including proportion, perspective and value. Next, you'll learn how to overcome the special challenges posed by clothing, including fabric folds and draping effects. Bradley illustrates how they're constructed and how to draw them in different situations—on male and female figures that are active or at rest. These reliable, proven drawing techniques will add a natural feel to your art, resulting in figures that look as if they could walk, run or dance right off the page.
