Leadership in Policing. Police leadership has long been an area of interest for academic research (Bryman et al. 1996; Kerr and Jermier 1978).While effective leadership appears such a desired commodity within policing, limited scholarly attention has been given to studying leadership processes and the barriers to developing more efficacious leadership practices (Mastrofski 2002, 2006).

Guiding Principles for Organisational Leadership. In the Leadership Review, published in June 2015, we set out the case for change in the way we equip those working in policing with leadership skills and knowledge. Policing faces economic challenges, shifting demographics, rising citizen expectations, rapid technological advances and the arrival of the internet as a social space.
