1999 Honda Accord Reviews and Owner Comments

Used Honda Accord.
The Honda Accord has
been around long
enough for us to
consider it to be an old
friend, though the
latest version of this
car is somewhat
different from the early
model that was first
seen in 1999. There
was a major upgrade in
2003 and another in
2008 and these
created a car with
extremely stylish looks
and excellent
performance.
