Survival In Auschwitz *Simon and Schuster*

The author describes his twenty month ordeal in the Nazi death camp.

Survival in Auschwitz

Survival in Auschwitz: If This Is a Man is a book written by the Italian author, Primo Levi. It describes his arrest as a member of the Italian anti-fascist resistance during the Second World War, and his incarceration in the Auschwitz concentration camp from February 1944 until the camp was liberated on 27 January 1945. Levi, then a 25-year-old chemist, spent 10 months in Auschwitz before the camp was liberated by the Red Army. Of the 650 Italian Jews in his shipment, Levi was one of only twenty who left the camps alive. The average life expectancy of a new entrant was three months. This truly amazing story offers a revealing glimpse into the realities of the Holocaust and its effects on our

world.

Survival in Auschwitz

SURVIVAL IN AUSCHWITZ (or *If This Is a Man*), first published in 1947, is a work by the Italian-Jewish writer, Primo Levi. It describes his arrest as a member of the Italian anti-fascist resistance during the Second World War, and his incarceration in the Auschwitz concentration camp from February 1944 until the camp was liberated on 27 January 1945.

Survival in Auschwitz *Createspace Independent Pub*

Primo Levi's *Survival In Auschwitz* is a classic piece of Holocaust survivor literature. *Survival In Auschwitz* is Primo Levi's memoir which chronicles his time as a member of the Italian anti-fascist resistance during World War 2 as well as his nearly year long imprisonment in the Auschwitz concentration camp.

Survival in Auschwitz ; And, The Reawakening

Two Memoirs

The author's survival in Auschwitz and his travels through Eastern Europe and Russia are the subjects of this memoir.

Survival in Auschwitz

Survival In Auschwitz written by legendary author Primo Levi is widely considered to be one of the top 100 greatest books of all time. This great classic will surely attract a whole new generation of readers. For many, *Survival In Auschwitz* is required reading for various courses and curriculums. And for others who simply enjoy reading timeless pieces of classic literature, this gem by Primo Levi is highly recommended. Published by Classic House Books and beautifully produced, *Survival In Auschwitz* would make an ideal gift and it should be a part of everyone's personal library.

The Drowned and the Saved *Simon and Schuster*

In his final book before his death, Primo Levi returns once more to his time at Auschwitz in a moving meditation on memory, resiliency, and the struggle to comprehend unimaginable tragedy. Drawing on history, philosophy, and his own personal experiences, Levi asks if we have already begun to forget about the Holocaust. His last book before his death, Levi returns to the subject that would define his reputation as a writer and a witness. Levi breaks his book into eight essays, ranging from topics like the unreliability of memory to how violence twists both the victim and the victimizer. He shares how difficult it is for him to tell his experiences with his children and friends. He also debunks the myth that most of the Germans were in the dark about the Final Solution or that Jews never attempted to escape the camps. As the Holocaust recedes into the past and fewer and fewer survivors are left to tell their stories, *The Drowned and the Saved* is a vital first-person testament. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading Primo Levi is a lesson in the resiliency of the human spirit.

Last Stop Auschwitz

My Story of Survival from within the Camp *Grand Central Publishing*

Written in Auschwitz itself and translated for the first time ever into English, this one-of-a-kind, minute-by-minute true account is a crucial historical testament to a Holocaust survivor's fight for

his life at the largest extermination camp in Nazi Germany. "We know that there is only one ending to this, only one liberation from this barbed wire hell: death." -- Eddy de Wind In 1943, amidst the start of German occupation, Eddy de Wind worked as a doctor at Westerbork, a Dutch transit camp. His mother had been taken to this camp by Nazis but Eddy was assured by the Jewish Council she would be freed in exchange for his labor. He later found out she'd already been transferred to Auschwitz. While at Westerbork, he fell in love with a woman named Friedel and they married. One year later, they were transported to Auschwitz. Upon arrival, Friedel and Eddy were separated -- Eddy forced to work as a medical assistant in one barrack, Friedel at the mercy of Nazi experimentation in a nearby block. Sneaking moments with his beloved and communicating whenever they could, Eddy longed for the day he could be free with Friedel . . . Written in the camp itself in the weeks following the Red Army's liberation of the camp, *Last Stop Auschwitz* is the raw, true account of Eddy's experiences at Auschwitz. In stunningly poetic prose, he provides unparalleled access to the horrors he faced in the concentration camp. Including photos from Eddy's life before, during, and after the Holocaust, this poignant memoir is at once a moving love story, a detailed portrayal of the atrocities of Auschwitz, and an intelligent consideration of the kind of behavior -- both good and evil -- people are capable of. Never before published in English, this book is a vital and enduring document: a testament to the strength of the human spirit, and a warning against the depths we can sink to when prejudice is given power.

If This Is a Man/the Truce *Abacus*

The Girl with Ghost Eyes

The Daoshi Chronicles, Book One *Simon and Schuster*

"The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish." —#1 New York Times bestselling author Patricia Briggs It's the end of the nineteenth century in San Francisco's Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer's ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history),

and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

The Complete Works of Primo Levi *W. W. Norton & Company*
2015 Washington Post Notable Book The Complete Works of Primo Levi, which includes seminal works like *If This Is a Man* and *The Periodic Table*, finally gathers all fourteen of Levi's books—memoirs, essays, poetry, commentary, and fiction—into three slipcased volumes. Primo Levi, the Italian-born chemist once described by Philip Roth as that “quicksilver little woodland creature enlivened by the forest's most astute intelligence,” has largely been considered a heroic figure in the annals of twentieth-century literature for *If This Is a Man*, his haunting account of Auschwitz. Yet Levi's body of work extends considerably beyond his experience as a survivor. Now, the transformation of Levi from Holocaust memoirist to one of the twentieth century's greatest writers culminates in this publication of *The Complete Works of Primo Levi*. This magisterial collection finally gathers all of Levi's fourteen books—memoirs, essays, poetry, and fiction—into three slip-cased volumes. Thirteen of the books feature new translations, and the other is newly revised by the original translator. Nobel laureate Toni Morrison introduces Levi's writing as a “triumph of human identity and worth over the pathology of human destruction.” The appearance of this historic publication will occasion a major reappraisal of “one of the most valuable writers of our time” (Alfred Kazin). *The Complete Works of Primo Levi* features all new translations of: *The Periodic Table*, *The Drowned and the Saved*, *The Truce*, *Natural Histories*, *Flaw of Form*, *The Wrench*, *Lilith*, *Other People's Trades*, and *If Not Now, When?*—as well as all of Levi's poems, essays, and other nonfiction work, some of which have never appeared before in English.

The Reawakening (La Tregua)

A Liberated Prisoner's Long March Home Through East Europe *Boston : Little, Brown*

Moments of Reprieve

Essays *Simon and Schuster*

In this collection of essays based on his time as a Jewish prisoner in the Nazi camps, Primo Levi creates a series of sketches of the people he met who retained their humanity even in the most inhumane circumstances. Having already written two memoirs of his survival at Auschwitz, Levi knew there was still more left untold. Collected in this book are stray vignettes of fifteen individuals Levi met during his imprisonment. Whether it was the young Romani man who smuggled a creased photo of his bride past the camp guards or the starving prisoner who still insisted on fasting on Yom Kippur, the memory of these individuals stayed with Levi for long after. They represent for him “bizarre, marginal moments of reprieve.” Neither simple heroes nor victims, but people who never lost sight of their humanity in the face of unimaginable suffering. Written with the author's signature humility and intelligence, *Moments of Reprieve* shines with lyricism and insight. Nearly forty years after their publication, Levi's words remain as beautiful as they are necessary. Along with Elie Wiesel and Hannah Arendt, Primo Levi is remembered as one of the most powerful and perceptive writers on the Holocaust and the Jewish experience during World War II. This is an essential book both for students and literary readers. Reading

Primo Levi is a lesson in the resiliency of the human spirit.

By Chance Alone

A Remarkable True Story of Courage and Survival at Auschwitz *Harlequin*

An award-winning, internationally bestselling Holocaust memoir in the tradition of Elie Wiesel's *Night* and Primo Levi's *Survival in Auschwitz* In the spring of 1944, gendarmes forcibly removed Tibor “Max” Eisen and his family from their home, brought them to a brickyard and eventually loaded them onto crowded cattle cars bound for Auschwitz-Birkenau. At fifteen years of age, Eisen survived the selection process and was inducted into the camp as a slave laborer. More than seventy years after the Nazi camps were liberated by the Allies, *By Chance Alone* details Eisen's story of survival: the backbreaking slave labor in Auschwitz I, the infamous death march in January 1945, the painful aftermath of liberation and Eisen's journey of physical and psychological healing. Ultimately, the book offers a message of hope as the author finds his way to a new life.

Always Remember Your Name

A True Story of Family and Survival in Auschwitz *Astra Publishing House*

A haunting WWII memoir of two sisters who survived Auschwitz that picks up where Anne Frank's *Diary* left off and gives voice to the children we lost. On March 28, 1944, six-year-old Tati and her four-year-old sister Andra were roused from their sleep and arrested. Along with their mother, Mira, their aunt, and cousin Sergio, they were deported to Auschwitz. Over 230,000 children were deported to the camp, where Josef Mengele, the Angel of Death, performed deadly experiments on them. Only a few dozen children survived, Tati and Andra among them. Tati, Andra, and Sergio were separated from their mothers upon arrival. But Mira was determined to keep track of her girls. After being tattooed with their inmate numbers, she made them memorize her number and told them to “always remember your name.” In keeping this promise to their mother, the sisters were able to be reunited with their parents when WWII ended. An unforgettable narrative of the power of sisterhood in the most extreme circumstances, and of how a mother's love can overcome the most impossible odds, the Bucci sisters' memoir is a timely reminder that separating families is an inexcusable evil.

Auschwitz Report *Verso Books*

Among the first written accounts of the concentration camps—a major literary and historical discovery. While in a Russian-administered holding camp in Katowice, Poland, in 1945, Primo Levi was asked to provide a report on living conditions in Auschwitz. Published the following year, it was subsequently forgotten and remained unknown to a wider public. Dating from the weeks and months immediately after the war, *Auschwitz Report* details the authors' harrowing deportation to Auschwitz, and how those who disembarked from the train were selected for work or extermination. As well as being a searing narrative of everyday life in the camp, and the organization and working of the gas chambers, it constitutes Levi's first lucid attempts to come to terms with the raw horror of events that would drive him to create some of the greatest works of twentieth-century literature and testimony. *Auschwitz Report* is a major literary and historical discovery.

Se Questo È Un Uomo. English

Free Press

Levi's haunting memoir about his ten months in the German death camp Auschwitz is an unforgettable chronicle of systematic cruelty and miraculous survival. First published in 1947, this bestselling work now includes a new afterword--a fascinating, in-depth conversation between Levi and author Philip Roth. Copyright © Libri GmbH. All rights reserved.

After Auschwitz

A Story of Heartbreak and Survival by the Stepsister of Anne Frank *Hodder & Stoughton*

Eva was arrested by the Nazis on her fifteenth birthday and sent to Auschwitz. Her survival depended on endless strokes of luck, her own determination and the love and protection of her mother Fritzi, who was deported with her. When Auschwitz was liberated, Eva and Fritzi began the long journey home. They searched desperately for Eva's father and brother, from whom they had been separated. The news came some months later. Tragically, both men had been killed. Before the war, in Amsterdam, Eva had become friendly with a young girl called Anne Frank. Though their fates were very different, Eva's life was set to be entwined with her friend's for ever more, after her mother Fritzi married Anne's father Otto Frank in 1953. This is a searingly honest account of how an ordinary person survived the Holocaust. Eva's memories and descriptions are heartbreakingly clear, her account brings the horror as close as it can possibly be. But this is also an exploration of what happened next, of Eva's struggle to live with herself after the war and to continue the work of her step-father Otto, ensuring that the legacy of Anne Frank is never forgotten.

Jewish Doctors and the Holocaust

The Anatomy of Survival in Auschwitz *Walter de Gruyter GmbH & Co KG*

This is the first attempt to explain how Jewish doctors survived extreme adversity in Auschwitz where death could occur at any moment. The ordinary Jewish slave labourer survived an average of fifteen weeks. Ross Halpin discovers that Jewish doctors survived an average of twenty months, many under the same horrendous conditions as ordinary prisoners. Despite their status as privileged prisoners Jewish doctors starved, froze, were beaten to death and executed. Many Holocaust survivors attest that luck, God and miracles were their saviors. The author suggests that surviving Auschwitz was far more complex. Interweaving the stories of Jewish doctors before and during the Holocaust Halpin develops a model that explains the anatomy of survival. According to his model the genesis of survival of extreme adversity is the will to live which must be accompanied by the necessities of life, specific personal traits and defence mechanisms. For survival all four must co-exist.

The Boy Who Drew Auschwitz

A Powerful True Story of Hope and Survival *HarperCollins*

An inspiring true story of hope and survival, this is the testimony of a boy who was imprisoned in Auschwitz, Gross-Rosen and Buchenwald and recorded his experiences through words and color drawings. In June 1943, after long years of hardship and persecution, thirteen-year-old Thomas Geve and his mother were deported to Auschwitz-Birkenau. Separated upon arrival, he was left to fend for himself in the men's camp of Auschwitz I. During 22 harsh months in three camps, Thomas experienced and witnessed the cruel and inhumane world of Nazi concentration and death camps. Nonetheless, he never gave up the will to live.

Miraculously, he survived and was liberated from Buchenwald at the age of fifteen. While still in the camp and too weak to leave, Thomas felt a compelling need to document it all, and drew over eighty drawings, all portrayed in simple yet poignant detail with extraordinary accuracy. He not only shared the infamous scenes, but also the day-to-day events of life in the camps, alongside inmates' manifestations of humanity, support and friendship. To honor his lost friends and the millions of silenced victims of the Holocaust, in the years following the war, Thomas put his story into words. Despite the evil of the camps, his account provides a striking affirmation of life. The Boy Who Drew Auschwitz, accompanied with 56 of his color illustrations, is the unique testimony of young Thomas and his quest for a brighter tomorrow.

Speak You Also

A Survivor's Reckoning *Macmillan*

Chronicles the experiences of a young chemistry student who worked with author Primo Levi in the Auschwitz laboratory and who was immortalized as Levi's "Henri" the paradigm of the ultimate survivor, who clings to life at the expense of his own humanity.

If Not Now, When? *Penguin*

"In Levi's writing, nothing is superfluous and everything is essential." —Saul Bellow A Penguin Classic In the final days of World War II, a courageous band of Jewish partisans makes its way from Russia to Italy, moving toward the ultimate goal of Palestine. Based on a true story, *If Not Now, When?* chronicles their adventures as they wage a personal war of revenge against the Nazis: blowing up trains, rescuing the last victims of concentration camps, scoring victories in the face of unspeakable devastation. Primo Levi captures the landscape and the people of Eastern Europe in vivid detail, depicting as well the terrible bleakness of war-ridden Europe. But finally, what he gives us is a tribute to the strength and ingenuity of the human spirit. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Conversations

A record of the dialogue which took place between the Italian writer Primo Levi and eminent physicist Tullio Regge.

The Reawakening *Simon and Schuster*

First published in English in 1965, "The Reawakening" is Primo Levi's bestselling sequel to his classic memoir of the Holocaust, "Survival in Auschwitz." The inspiring story of Levi's liberation from the German death camp in January 1945 by the Red Army, it tells of his strange and eventful journey home to Italy by way of the Soviet Union, Hungary, and Romania. Levi's railway travels take him through bombed-out cities and transit camps, with keen insight he describes the former prisoners and Russian soldiers he encounters along the way. An extraordinary account of faith, hope, and undying courage, "The Reawakening" was praised by Irving Howe as "a remarkable feat of literary craft."

The Periodic Table *Everyman's Library*

One of Italy's leading men of letters, a chemist by profession,

writes about incidents in his life in which one or another of the elements figured in such a way as to become a personal preoccupation

The Dressmakers of Auschwitz

The True Story of the Women Who Sewed to Survive *HarperCollins*

A powerful chronicle of the women who used their sewing skills to survive the Holocaust, stitching beautiful clothes at an extraordinary fashion workshop created within one of the most notorious WWII death camps. At the height of the Holocaust twenty-five young inmates of the infamous Auschwitz-Birkenau concentration camp—mainly Jewish women and girls—were selected to design, cut, and sew beautiful fashions for elite Nazi women in a dedicated salon. It was work that they hoped would spare them from the gas chambers. This fashion workshop—called the Upper Tailoring Studio—was established by Hedwig Höss, the camp commandant's wife, and patronized by the wives of SS guards and officers. Here, the dressmakers produced high-quality garments for SS social functions in Auschwitz, and for ladies from Nazi Berlin's upper crust. Drawing on diverse sources—including interviews with the last surviving seamstress—*The Dressmakers of Auschwitz* follows the fates of these brave women. Their bonds of family and friendship not only helped them endure persecution, but also to play their part in camp resistance. Weaving the dressmakers' remarkable experiences within the context of Nazi policies for plunder and exploitation, historian Lucy Adlington exposes the greed, cruelty, and hypocrisy of the Third Reich and offers a fresh look at a little-known chapter of World War II and the Holocaust.

Signs of Survival: A Memoir of the Holocaust *Scholastic Inc.*

RENEE: I was ten years old then, and my sister was eight. The responsibility was on me to warn everyone when the soldiers were coming because my sister and both my parents were deaf. I was my family's ears. Meet Renee and Herta, two sisters who faced the unimaginable -- together. This is their true story. As Jews living in 1940s Czechoslovakia, Renee, Herta, and their parents were in immediate danger when the Holocaust came to their door. As the only hearing person in her family, Renee had to alert her parents and sister whenever the sound of Nazi boots approached their home so they could hide. But soon their parents were tragically taken away, and the two sisters went on the run, desperate to find a safe place to hide. Eventually they, too, would be captured and taken to the concentration camp Bergen-Belsen. Communicating in sign language and relying on each other for strength in the midst of illness, death, and starvation, Renee and Herta would have to fight to survive the darkest of times. This gripping memoir, told in a vivid "oral history" format, is a testament to the power of sisterhood and love, and now more than ever a reminder of how important it is to honor the past, and keep telling our own stories.

Still Alive

A Holocaust Girlhood Remembered *The Feminist Press at CUNY*

Swept up as a child in the events of Nazi-era Europe, Ruth Kluger saw her family's comfortable Vienna existence systematically undermined and destroyed. By age eleven, she had been deported, along with her mother, to Theresienstadt, the first in a series of concentration camps which would become the setting for her precarious childhood. Kluger's story of her years in the camps and her struggle to establish a life after the war as a

refugee survivor in New York, has emerged as one of the most powerful accounts of the Holocaust. Interwoven with blunt, unsparing observations of childhood and nuanced reflections of an adult who has spent a lifetime thinking about the Holocaust, *Still Alive* rejects all easy assumptions about history, both political and personal. Whether describing the abuse she met at her own mother's hand, the life-saving generosity of a woman SS aide in Auschwitz, the foibles and prejudices of Allied liberators, or the cold shoulder offered by her relatives when she and her mother arrived as refugees in New York, Kluger sees and names an unexpected reality which has little to do with conventional wisdom or morality tales. *Still Alive* is a memoir of the pursuit of selfhood against all odds, a fiercely bittersweet coming-of-age story in which the protagonist must learn never to rely on comforting assumptions, but always to seek her own truth.

The Boy Who Followed His Father into Auschwitz

A True Story of Family and Survival *HarperCollins*

"Brilliantly written, vivid, a powerful and often uncomfortable true story that deserves to be read and remembered. It beautifully captures the strength of the bond between a father and son."--Heather Morris, author of #1 New York Times bestseller *The Tattooist of Auschwitz* The #1 Sunday Times bestseller—a remarkable story of the heroic and unbreakable bond between a father and son that is as inspirational as *The Tattooist of Auschwitz* and as mesmerizing as *The Choice*. Where there is family, there is hope In 1939, Gustav Kleinmann, a Jewish upholster from Vienna, and his sixteen-year-old son Fritz are arrested by the Gestapo and sent to Germany. Imprisoned in the Buchenwald concentration camp, they miraculously survive the Nazis' murderous brutality. Then Gustav learns he is being sent to Auschwitz—and certain death. For Fritz, letting his father go is unthinkable. Desperate to remain together, Fritz makes an incredible choice: he insists he must go too. To the Nazis, one death camp is the same as another, and so the boy is allowed to follow. Throughout the six years of horror they witness and immeasurable suffering they endure as victims of the camps, one constant keeps them alive: their love and hope for the future. Based on the secret diary that Gustav kept as well as meticulous archival research and interviews with members of the Kleinmann family, including Fritz's younger brother Kurt, sent to the United States at age eleven to escape the war, *The Boy Who Followed His Father into Auschwitz* is Gustav and Fritz's story—an extraordinary account of courage, loyalty, survival, and love that is unforgettable.

The Truce *Abacus*

The Survivor *Penguin UK*

'Back, away from here, drowned people, go. I haven't stolen anyone's place' A selection of poetry from the author of *If This Is a Man* and *The Periodic Table*. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.

Never Forget Your Name

The Children of Auschwitz *John Wiley & Sons*

The children of Auschwitz: this is the darkest spot in the ocean of suffering that was the Holocaust. They were deported to the concentration camp with their families, with most being murdered in the gas chambers upon their arrival, or were born there under unimaginable circumstances. While 232,000 children and juveniles were deported to Auschwitz, only 750 were liberated in the death camp at the end of January 1945. Most of them were under 15 years of age. Alwin Meyer's masterwork is the culmination of decades of research and interviews with the children and their descendants, sensitively reconstructing their stories before, during and after Auschwitz. The camp would remain with them throughout their lives: on their forearms, as a tattooed number, and in their minds, in the memory of heart-rending separation from parents and siblings, medical experiments, abject confusion, ceaseless hunger and a perpetual longing for home and security. Once the purported liberation came, there was no blueprint for piecing together personal biographies after the unthinkable had happened. Many of the children, often orphaned, had forgotten their names or ages, and had only fragmented understandings of where they came from. While some struggled to reconnect to the parents from whom they had been separated, others had known nothing other than the camp. Some children grew up without the ability to trust and to play. Survival is not yet life – it is an in-between stage which requires individuals to learn how to live. The liberated children had to learn how to be young again in order to grow into adults like others did. This remarkable book tells the stories of the most vulnerable victims of the Nazis' systematic attempt to extinguish innocent lives, and rescues their voices from historical oblivion. It is a unique testimony to the horrific suffering endured by millions in humanity's darkest hour.

Two Sisters

A Journey of Survival Through Auschwitz

Livia Krancberg credits her sister Rose with carrying her through and out of the depths of the Holocaust. Would she have made it on her own? Who knows, even with Livia's remarkable resilience which she still exhibits today in her nineties. It was Rose, with her desire to protect Livia and her instincts for survival that kept them, time and time again, from the many dangers which could have cost both of them their lives. From the moment they were on the transport to Auschwitz, and then saw their mother, along with Rose's little son taken away and sent to the gas chambers, it was Rose who seemed to anticipate what lay ahead. Maybe it was an extra morsel of food that could be obtained or an article of warm clothing. Rose always came through, even at great risk. *Two Sisters* is so much more than a story of survival during the Holocaust. It is the beautiful portrayal of a young girl and later young woman coming of age in rural Romania. Her academic achievements, schoolgirl crushes, and family life are all explored, revealed in detail for all of us. Carefully written and beautifully crafted, it serves as an extraordinary example of the power of the memoir in Holocaust understanding."

The Theory and Practice of Hell

The German Concentration Camps and the System Behind Them *Macmillan*

By the spring of 1945, the Second World War was drawing to a close in Europe. Allied troops were sweeping through Nazi Germany and discovering the atrocities of SS concentration camps. The first to be reached intact was Buchenwald, in central Germany. American soldiers struggled to make sense of the shocking scenes they witnessed inside. They asked a small group

of former inmates to draft a report on the camp. It was led by Eugen Kogon, a German political prisoner who had been an inmate since 1939. *The Theory and Practice of Hell* is his classic account of life inside. Unlike many other books by survivors who published immediately after the war, *The Theory and Practice of Hell* is more than a personal account. It is a horrific examination of life and death inside a Nazi concentration camp, a brutal world of a state within state, and a society without law. But Kogon maintains a dispassionate and critical perspective. He tries to understand how the camp works, to uncover its structure and social organization. He knew that the book would shock some readers and provide others with gruesome fascination. But he firmly believed that he had to show the camp in honest, unflinching detail. The result is a unique historical document—a complete picture of the society, morality, and politics that fueled the systematic torture of six million human beings. For many years, *The Theory and Practice of Hell* remained the seminal work on the concentration camps, particularly in Germany. Reissued with an introduction by Nikolaus Waschmann, a leading Holocaust scholar and author of *Hilter's Prisons*, this important work now demands to be re-read.

Under Fire: The Story of a Squad *Fireship Press*

Under Fire: The Story of a Squad The most powerful, brutal, and vivid novel to come out of WW-I To the men of the French Sixth Battalion, war is not about bands playing and flags waving. It is about mud, lice, and death. It is about survival under the worst possible conditions, where a wound that put you in the hospital made you a lucky man. *Under Fire* was one of the first novels to come out of WW-I, being published even before the war was over. Its realism and intensity set the standard for the war novels to come, including Hemingway's *A Farewell to Arms*, and Remarque's *All Quiet on the Western Front*. Its realism, however, is not manufactured. It was born out of the experiences of the author who began work on the novel literally while he was still in the trenches. The book has no plot in the traditional sense. It is a series of incidents woven together to present the reality of the war. Its power lies in the incredibly vivid pictures it presents. In 1916 it won the prestigious Goncourt Prize, given by the Academie Goncourt to the author of "the best and most imaginative prose work of the year" and is, even today, considered one of the great war novels of all time."

The Tattooist of Auschwitz

A Novel *HarperCollins*

The #1 International Bestseller & New York Times Bestseller This beautiful, illuminating tale of hope and courage is based on interviews that were conducted with Holocaust survivor and Auschwitz-Birkenau tattooist Ludwig (Lale) Sokolov—an unforgettable love story in the midst of atrocity. "The Tattooist of Auschwitz is an extraordinary document, a story about the extremes of human behavior existing side by side: calculated brutality alongside impulsive and selfless acts of love. I find it hard to imagine anyone who would not be drawn in, confronted and moved. I would recommend it unreservedly to anyone, whether they'd read a hundred Holocaust stories or none."—Graeme Simsion, internationally bestselling author of *The Rosie Project* In April 1942, Lale Sokolov, a Slovakian Jew, is forcibly transported to the concentration camps at Auschwitz-Birkenau. When his captors discover that he speaks several languages, he is put to work as a Tätowierer (the German word for tattooist), tasked with permanently marking his fellow prisoners. Imprisoned for over two and a half years, Lale witnesses horrific atrocities and barbarism—but also incredible

acts of bravery and compassion. Risking his own life, he uses his privileged position to exchange jewels and money from murdered Jews for food to keep his fellow prisoners alive. One day in July 1942, Lale, prisoner 32407, comforts a trembling young woman waiting in line to have the number 34902 tattooed onto her arm. Her name is Gita, and in that first encounter, Lale vows to somehow survive the camp and marry her. A vivid, harrowing, and ultimately hopeful re-creation of Lale Sokolov's experiences as the man who tattooed the arms of thousands of prisoners with what would become one of the most potent symbols of the Holocaust, *The Tattooist of Auschwitz* is also a testament to the endurance of love and humanity under the darkest possible conditions.

Rena's Promise

A Story of Sisters in Auschwitz *Beacon Press*

An expanded edition of the powerful memoir about two sisters' determination to survive during the Holocaust featuring new and never before revealed information about the first transport of women to Auschwitz. In March 1942, Rena Kornreich and 997 other young women were rounded up and forced onto the first Jewish transport of women to Auschwitz. Soon after, Rena was reunited with her sister Danka at the camp, beginning a story of love and courage that would last three years and forty-one days. From smuggling bread for their friends to narrowly escaping the ever-present threats that loomed at every turn, the compelling events in *Rena's Promise* remind us that humanity and hope can survive inordinate brutality.

The Nazis Knew My Name

A Remarkable Story of Survival and Courage in Auschwitz *Simon and Schuster*

The "thought-provoking...must-read" (Ariana Neumann, author of *When Time Stopped*) memoir by a Holocaust survivor who saved an untold number of lives at Auschwitz through everyday acts of courage and kindness—in the vein of *A Bookshop in Berlin* and *The Nazi Officer's Wife*. In March 1942, twenty-five-year-old kindergarten teacher Magda Hellinger and nearly a thousand other young women were deported as some of the first Jews to be sent to the Auschwitz concentration camp. The SS soon discovered that by putting prisoners in charge of the day-to-day accommodation blocks, they could deflect attention away from themselves. Magda was one such prisoner selected for leadership and put in charge of hundreds of women in the notorious Experimental Block 10. She found herself constantly walking a dangerously fine line: saving lives while avoiding suspicion by the SS and risking execution. Through her inner strength and shrewd survival instincts, she was able to rise above the horror and cruelty of the camps and build pivotal relationships with the

women under her watch, and even some of Auschwitz's most notorious Nazi senior officers. Based on Magda's personal account and completed by her daughter's extensive research, this is "an unputdownable account of resilience and the power of compassion" (Booklist) in the face of indescribable evil.

Motherhood, Fatherland, and Primo Levi

The Hidden Groundwork of Agency in His Auschwitz Writings *Rowman & Littlefield*

The book is an against-the-grain study of Primo Levi's lifelong concerns about agency, both personal and political. It moves from fresh readings of his lesser-known short story and novels to a major reinterpretation of the testimonial works at the center of his legacy.

Machete Season

The Killers in Rwanda Speak *Farrar, Straus and Giroux*

In April-May 1994, 800,000 Rwandan Tutsis were massacred by their Hutu fellow citizens--about 10,000 a day, mostly being hacked to death by machete. In *Machete Season*, the veteran foreign correspondent Jean Hatzfeld reports on the results of his interviews with nine of the Hutu killers. They were all friends who came from a single region where they helped to kill 50,000 out of their 59,000 Tutsi neighbors, and all of them are now in prison, some awaiting execution. It is usually presumed that killers will not tell the truth about their brutal actions, but Hatzfeld elicited extraordinary testimony from these men about the genocide they had perpetrated. He rightly sees that their account raises as many questions as it answers. Adabert, Alphonse, Ignace, and the others (most of them farmers) told Hatzfeld how the work was given to them, what they thought about it, how they did it, and what their responses were to the bloodbath. "Killing is easier than farming," one says. "I got into it, no problem," says another. Each describes what it was like the first time he killed someone, what he felt like when he killed a mother and child, how he reacted when he killed a cordial acquaintance, how 'cutting' a person with a machete differed from 'cutting' a calf or a sugarcane. And they had plenty of time to tell Hatzfeld, too, about whether and why they had reconsidered their motives, their moral responsibility, their guilt, remorse, or indifference to the crimes. Hatzfeld's meditation on the banal, horrific testimony of the genocidaires and what it means is lucid, humane, and wise: he relates the Rwanda horror to war crimes and to other genocidal episodes in human history. Especially since the Holocaust, it has been conventional to presume that only depraved and monstrous evil incarnate could perpetrate such crimes, but it may be, he suggests, that such actions are within the realm of ordinary human conduct. To read this disturbing, enlightening and very brave book is to consider in a new light the foundation of human morality and ethics.
