Thanks for choosing our platform for your PDF downloads. We look forward to supplying you with outstanding service and varied choices for many years to come.

The Book That Started It All *Simon and Schuster*

An extraordinary reproduction of the original working manuscript of the Big Book of Alcoholics Anonymous, with an introduction and notes by a panel of celebrated AA historians. The many changes that were made in black, green, and red on each page are shown. An extraordinary reproduction of the original working manuscript of Alcoholics Anonymous, with essays and notes by a panel of celebrated AA historians. The Book That Started It All offers fresh insights into the history and foundation of the revolutionary Alcoholics Anonymous program. Reproduced in this elegant gift edition with essays and notes by a panel of celebrated AA historians, the original working manuscript is the missing link in our understanding of what transpired between AA founder Bill Wilson's first draft of Alcoholics Anonymous and the first published edition. In January 1939, Wilson and other AA founders distributed 400 copies of his typescript to everyone they could think of "who might be concerned with the problem of alcoholism," to test out the program. As the loan copies were

returned, suggestions for revision were considered and written out in colored pencil on one master copy that was eventually submitted for publication. The many changes made in black, green, and red on page after page are shown here in their original form, revealing the opinions, debates, and discussions that went into making the Big Book.

The Book That Started It All *Hazelden Publishing*

The Book That Started It All Hardcover

Start Writing Your Book Today

In this book, the author walks you through every step of how to write a book. After you read it, you'll be ready to start writing today.

It Starts with Us *Simon and Schuster*

Before It Ends with Us, it started with Atlas. Colleen Hoover tells fan favorite Atlas's side of the story and shares what comes next in this long-anticipated sequel to the "glorious and touching" (USA TODAY) #1 New York Times bestseller It Ends with Us. Lily and her ex-husband, Ryle, have just settled into a civil coparenting rhythm when she suddenly bumps into her first love, Atlas, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when Atlas asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life—and Atlas Corrigan is the one man he will hate being in his ex-wife and daughter's life. Switching between the perspectives of Lily and

Atlas, It Starts with Us picks up right where the epilogue for the “gripping, pulse-pounding” (Sarah Pekkanen, author of Perfect Neighbors) bestselling phenomenon It Ends with Us left off. Revealing more about Atlas’s past and following Lily as she embraces a second chance at true love while navigating a jealous ex-husband, it proves that “no one delivers an emotional read like Colleen Hoover” (Anna Todd, New York Times bestselling author).

The Book that Made Your World *Thomas Nelson*

Understand where we came from. Whether you're an avid student of the Bible or a skeptic of its relevance, The Book That Made Your World will transform your perception of its influence on virtually every facet of Western civilization. Indian philosopher Vishal Mangalwadi reveals the personal motivation that fueled his own study of the Bible and systematically illustrates how its precepts became the framework for societal structure throughout the last millennium. From politics and science, to academia and technology, the Bible's sacred copy became the key that unlocked the Western mind. Through Mangalwadi's wide-ranging and fascinating investigation, you'll discover: What triggered the West's passion for scientific, medical, and technological advancement How the biblical notion of human dignity informs the West's social structure and how it intersects with other worldviews How the Bible created a fertile ground for women to find social and economic empowerment How the Bible has uniquely equipped the West to cultivate compassion, human rights, prosperity, and strong families The role of the Bible in the transformation of education How the modern literary notion of a

hero has been shaped by the Bible's archetypal protagonist Journey with Mangalwadi as he examines the origins of a civilization's greatness and the misguided beliefs that threaten to unravel its progress. Learn how the Bible transformed the social, political, and religious institutions that have sustained Western culture for the past millennium, and discover how secular corruption endangers the stability and longevity of Western civilization. Endorsements: “This is an extremely significant piece of work with huge global implications. Vishal brings a timely message.” (Ravi Zacharias, author, Walking from East to West and Beyond Opinion) “In polite society, the mere mention of the Bible often introduces a certain measure of anxiety. A serious discussion on the Bible can bring outright contempt. Therefore, it is most refreshing to encounter this engaging and informed assessment of the Bible’s profound impact on the modern world. Where Bloom laments the closing of the American mind, Mangalwadi brings a refreshing optimism.” (Stanley Mattson, founder and president, C. S. Lewis Foundation) “Vishal Mangalwadi recounts history in very broad strokes, always using his cross-cultural perspectives for highlighting the many benefits of biblical principles in shaping civilization.” (George Marsden, professor, University of Notre Dame; author, Fundamentalism and American Culture)

Alcoholics Anonymous

The basic text for Alcoholics Anonymous.

He Started It *Penguin*

AN INSTANT INTERNATIONAL BESTSELLER “Wholly original.

Scarily clever. Completely mesmerizing. You will never look at family road trips the same way again.”—Lisa Gardner, #1 New York Times bestselling author A most anticipated book by Hello Sunshine • Cosmo • Entertainment Weekly • Betches • Hollywood Reporter • Parade • PopSugar • OK! Magazine • Hello Giggles • Bustle • Yahoo! • She Reads • Book Page • CrimeReads • New York Post Best Book of the Week • Goodreads From the twisted mind behind mega hit *My Lovely Wife* comes the story of a family—not unlike your own—just with a few more violent tendencies thrown in.... Beth, Portia, and Eddie Morgan haven't all been together in years. And for very good reasons—we'll get to those later. But when their wealthy grandfather dies and leaves a cryptic final message in his wake, the siblings and their respective partners must come together for a cross-country road trip to fulfill his final wish and—more importantly—secure their inheritance. But time with your family can be tough. It is for everyone. It's even harder when you're all keeping secrets and trying to forget a memory, a missing person, an act of revenge, the man in the black truck who won't stop following your car—and especially when at least one of you is a killer and there's a body in the trunk. Just to name a few reasons. But money is a powerful motivator. It is for everyone.

Writing the Big Book *Central Recovery Press*

The definitive history of writing and producing the "Big Book" of Alcoholics Anonymous, told through extensive access to the group's archives. Alcoholics Anonymous is arguably the most significant self-help book published in the twentieth century. Released in 1939, the "Big Book," as it's commonly known, has

sold an estimated 37 million copies, been translated into seventy languages, and spawned numerous recovery communities around the world while remaining a vibrant plan for recovery from addiction in all its forms for millions of people. While there are many books about A.A. history, most rely on anecdotal stories told well after the fact by Bill Wilson and other early members—accounts that have proved to be woefully inaccurate at times. Writing the Big Book brings exhaustive research, academic discipline, and informed insight to the subject not seen since Ernest Kurtz's *Not-God*, published forty years ago. Focusing primarily on the eighteen months from October 1937, when a book was first proposed, and April 1939 when *Alcoholics Anonymous* was published, Schaberg's history is based on eleven years of research into the wealth of 1930s documents currently preserved in several A.A. archives. Woven together into an exciting narrative, these real-time documents tell an almost week-by-week story of how the book was created, providing more than a few unexpected turns and surprising departures from the hallowed stories that have been so widely circulated about early A.A. history. Fast-paced, engaging, and contrary, *Writing the Big Book* presents a vivid picture of how early A.A. operated and grew and reveals many previously unreported details about the colorful cast of characters who were responsible for making that group so successful.

Start with Why *Penguin*

The inspirational bestseller that ignited a movement and asked us to find our WHY Discover the book that is captivating millions on TikTok and that served as the basis for one of the most

popular TED Talks of all time—with more than 56 million views and counting. Over a decade ago, Simon Sinek started a movement that inspired millions to demand purpose at work, to ask what was the WHY of their organization. Since then, millions have been touched by the power of his ideas, and these ideas remain as relevant and timely as ever. *START WITH WHY* asks (and answers) the questions: why are some people and organizations more innovative, more influential, and more profitable than others? Why do some command greater loyalty from customers and employees alike? Even among the successful, why are so few able to repeat their success over and over? People like Martin Luther King Jr., Steve Jobs, and the Wright Brothers had little in common, but they all started with WHY. They realized that people won't truly buy into a product, service, movement, or idea until they understand the WHY behind it. *START WITH WHY* shows that the leaders who have had the greatest influence in the world all think, act and communicate the same way—and it's the opposite of what everyone else does. Sinek calls this powerful idea The Golden Circle, and it provides a framework upon which organizations can be built, movements can be led, and people can be inspired. And it all starts with WHY.

Start Something That Matters *Random House*

The incredible story of the man behind TOMS Shoes and One for One, the revolutionary business model that marries fun, profit, and social good “A creative and open-hearted business model for our times.”—The Wall Street Journal Why this book is for you: • You're ready to make a difference in the world—through your own start-up business, a nonprofit organization, or a new project

that you create within your current job. • You want to love your work, work for what you love, and have a positive impact on the world—all at the same time. • You're inspired by charity: water, method, and FEED Projects and want to learn how these organizations got their start. • You're curious about how someone who never made a pair of shoes, attended fashion school, or worked in retail created one of the fastest-growing footwear companies in the world by giving shoes away. • You're looking for a new model of success to share with your children, students, co-workers, and members of your community. You're ready to start something that matters. With every book you purchase, a new book will be provided to a child in need. One for One.™

Twelve Steps and Twelve Traditions Trade Edition

Alcoholics Anonymous World Services

Twelve Steps to recovery.

Stop Talking, Start Doing Action Book *John Wiley & Sons*

A motivational kick in the pants to get the most out of your life Have you got an itch? To start your own business, go to the North Pole, retrain, lose weight, get promoted, learn to play the ukulele? Or do you just have a nagging sense that there must be more to life? If there is something you really want to do, but secretly fear you'll never do it then you need this book. The original *Stop Talking Start Doing* helped readers to move from talking to doing. To climb into the ring and face their fears about making their thing happen. It helped readers to understand why they had fears and why starting was easier than they thought. It encouraged them to start somewhere, anywhere. The *Stop*

Talking Start Doing Action Book will help you to identify where or what that starting point should be, and how to build from there to make your thing happen. It will help you to evaluate why you have procrastinated until now and identify the small steps you need to take to make it happen. But it will help you to plan beyond that. It will help you see how you can execute your idea through small, simple steps that are right for you, rather than one undefined, daunting task. Find sources of inspiration that work for you and learn how you can draw upon them as you go, draw confidence from previous experiences, and find the self-discipline you need to make swift decisions along the way. Identify your personal starting point Take the first steps to set your plan into motion Find your inspiration and self-discipline Build confidence in your quick decisions along the way

Alcoholics Anonymous Comes of Age *A. A. World Services, Inc.*

A.A. co-founder Bill W. tells the story of the growth of Alcoholics Anonymous from its make-or-break beginnings in New York and Akron in the early 1930s to its spread across the country and overseas in the years that followed. A wealth of personal accounts and anecdotes portray the dramatic power of the A.A. Twelve Step program of recovery — unique not only in its approach to treating alcoholism but also in its spiritual impact and social influence. Bill recounts the evolution of the Twelve Steps, the Twelve Traditions and the Twelve Concepts for World Service — those principles and practices that protect A.A.'s Three Legacies of Recovery, Unity and Service — and how in 1955 the responsibility for these were passed on by the founding members

to the Fellowship (A.A.'s membership at large). In closing chapters of *Alcoholics Anonymous Comes of Age*, early "friends of A.A.," including the influential Dr. Silkworth and Father Ed Dowling, share their perspectives. Includes 16 pages of archival photographs. For those interested in the history of A.A. and how it has withstood the test of time, *Alcoholics Anonymous Comes of Age* offers on the growth of this ground-breaking movement. *Alcoholics Anonymous Comes of Age* has been approved by the General Service Conference.

Minimus Pupil's Book *Cambridge University Press*

Teaches children the basics of Latin grammar and vocabulary, as well as Roman British history and culture, through vocabulary lists, mythical tales, and illustrations.

Started Early, Took My Dog *Bond Street Books*

With Dickensian brilliance, Kate Atkinson creates plots peopled with unlikely heroes and villains. It's a day like any other for security chief Tracy Waterhouse, until she makes a purchase she hadn't bargained for. One moment of madness is all it takes for Tracy's humdrum world to be turned upside down, the tedium of everyday life replaced by fear and danger at every turn. Witness to Tracy's Faustian exchange in the Merrion Centre in Leeds are Tilly, an elderly actress teetering on the brink of her own disaster, and Jackson Brodie, who has returned to his home county in search of someone else's roots. All three characters learn that the past is never history and that no good deed goes unpunished.

It Didn't Start with You *Penguin*

A groundbreaking approach to transforming traumatic legacies passed down in families over generations, by an acclaimed expert in the field Depression. Anxiety. Chronic Pain. Phobias. Obsessive thoughts. The evidence is compelling: the roots of these difficulties may not reside in our immediate life experience or in chemical imbalances in our brains—but in the lives of our parents, grandparents, and even great-grandparents. The latest scientific research, now making headlines, supports what many have long intuited—that traumatic experience can be passed down through generations. *It Didn't Start with You* builds on the work of leading experts in post-traumatic stress, including Mount Sinai School of Medicine neuroscientist Rachel Yehuda and psychiatrist Bessel van der Kolk, author of *The Body Keeps the Score*. Even if the person who suffered the original trauma has died, or the story has been forgotten or silenced, memory and feelings can live on. These emotional legacies are often hidden, encoded in everything from gene expression to everyday language, and they play a far greater role in our emotional and physical health than has ever before been understood. As a pioneer in the field of inherited family trauma, Mark Wolynn has worked with individuals and groups on a therapeutic level for over twenty years. *It Didn't Start with You* offers a pragmatic and prescriptive guide to his method, the Core Language Approach. Diagnostic self-inventories provide a way to uncover the fears and anxieties conveyed through everyday words, behaviors, and physical symptoms. Techniques for developing a genogram or extended family tree create a map of experiences going back through the generations. And visualization, active imagination, and direct dialogue create pathways to reconnection, integration,

and reclaiming life and health. *It Didn't Start With You* is a transformative approach to resolving longstanding difficulties that in many cases, traditional therapy, drugs, or other interventions have not had the capacity to touch.

Start Up a Business Digital Book Set *John Wiley & Sons*

A Fresh Start: Books 1-3 *Lulu Press, Inc*

Carl Buckman is at the end of a boring life, unhappily contemplating what had been and what might have been. Suddenly, Aladdin's Lamp transports him back to 1968, to the teenager he had been then. How will he live his life differently, or will he be doomed to repeat his past mistakes all over again?

The Hawks Brothers Saga: Starting Point - Book 01 *Editora Bibliomundi*

In 2024 X-Bios Corporation created an elemental serum capable of changing the genetics of the human race, but things are beyond the company's control. Dan and Dante Hawks find themselves in a new reality, creatures that went wrong in the experiments see the surface, wanderers and pilgrims walk on the land hunting and feeding on what remains of humanity. In the search for answers and survival they will have to ally themselves with certain people on their journey. But the enemy is beyond what they think the Origin of everything.

Get Started in Writing an Illustrated Children's Book *Teach Yourself*

Do you have an irresistible idea for a children's book with

pictures? Are you inspired by writers like Julia Donaldson and Lauren Child? *Get Started in Writing and Illustrating A Children's Book* is designed for anyone who wants to write in this genre of fiction, whatever the category or age range. Designed to build confidence and help fire up creativity, it is also an essential guide to mastering the practicalities of working with illustrators and illustrated concepts, from creating ideas for toddler board books to writing high concept middle grade projects. It carries the distinctive learning features of the flagship *Teach Yourself Creative Writing* series, with Snapshots designed to get you writing quickly, Key Idea to help crystallize thought, and a wealth of supplementary material, including insights into the publishing world and the role of the agent.

Diary of an Oxygen Thief *Simon and Schuster*

Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. *Diary of an Oxygen Thief* is an honest, hilarious, and heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

From the Start (Walker Family Book #1) *Baker Books*

"Simply adorable . . . you might just fall in love with *Here to Stay*."--*USAToday.com's* Happy Ever After blog Kate Walker used to believe in true love and happily ever after. While her own love life may have left her brokenhearted, it hasn't kept her from churning out made-for-TV romance movie screenplays...until a major

career slump and a longing to do something meaningful send her running back to her hometown of Maple Valley. Permanently sidelined by an injury, former NFL quarterback Colton Greene is temporarily hiding out in a friend's hometown to avoid the media and the reminders of all he's lost. Maple Valley seems like the perfect place to learn how to adjust to normal life. The only trouble is he's never really done normal before. While Kate plays things safe and Colton is all about big risks and grand gestures, they both get what it's like to desperately need direction in life. An unexpected project gives them both a chance to jumpstart their new lives, but old wounds and new dreams are hard to ignore. Starting over wasn't part of the plan, but could it be the best thing that's ever happened to them? "*From the Start* embodies Tagg's best! Delightful. Endearing. And full of engaging characters and tingling moments reminiscent of our favorite films and stories. I'm thrilled this is the beginning of our journey with the Walkers and eagerly anticipate this wonderful family's next chapter."--Katherine Reay, author of *Lizzy & Jane* "With her usual dose of girl-next-door charm, Melissa Tagg invites the reader into yet another witty and faith-filled story in *From the Start*. Though written with punchy dialogue and a colorful cast of supporting characters, Tagg isn't afraid to expand the lighthearted parts of the story to delve into some of life's tougher challenges--which she does in an authentic way. The first in a new series, I'm eagerly awaiting the next chapter from the Walker clan!"--Kristy Cambron, author of *The Butterfly* and *the Violin and A Sparrow* in *Terezin* "Melissa Tagg's newest book, *From the Start*, is guaranteed to win the heart of readers with this delightful story of a retired football player looking for his future, and a writer

trying to figure out how to pen his story--while rewriting her own. Colton is downright swoon-worthy, and this first book in this hometown series about the charming town of Maple Valley, Iowa, scores a resounding touchdown! Tagg just gets better and better."--Susan May Warren, bestselling, RITA award-winning author of *The Wonder of You*

Offers tips for beginning storytellers on getting started, collecting stories, networking with other storytellers, and deciding on a performance style

Audio Books: Your Quick Start Guide *Lulu Press, Inc*

The popularity of iPod and MP3 players has boosted the market of audio books in recent years. Some book publishers even predicted that audio books would outsell paperback books or e-books one day. Indeed, this trend is understandable when you consider the benefits of audio books over paperback books. Discover everything you need to know by grabbing a copy of this ebook today.

Getting Started with Demand-Driven Acquisitions for E-books: A LITA Guide *American Library Association*

Thousands of e-books are published each year; and rather than holding steady, e-book prices are rising—some 3.5% this year alone. With so many titles out there, how do you know which ones will actually circulate? Demand-driven acquisition (DDA) may be the answer for your library, and getting started needn't be daunting. This LITA Guide includes more than 200 criteria questions to help you develop a DDA e-book program that's right for your library, offering perspective on Why DDA is worth considering, and how it increases instant access to more e-books

for library users while holding down overall library book purchasing cost increases Prioritizing goals to better negotiate with vendors Workflow with library services providers and e-book aggregators Managing trade-offs between staff time and direct costs Factors in policy decisions, such as single or multiple vendors, short term loans, and mediating purchases Using MARC records and discovery services Vendor reporting, cost per use, processing costs, and other metrics for assessment Incorporating DDA titles into your catalog Focusing on the unique requirements and processes of e-book acquisition, this guide will help ensure that your library's e-book collection is both vibrant and cost-effective.

The New Design Rules *Clarkson Potter*

From the author of the New York Times bestseller *Styled*, here is Emily Henderson's masterclass on interior design. "An approachable guide for anyone who is looking for tools and resources to create a home that speaks to who they are and what they love."—Joanna Gaines Whether you're embarking on a weekend refresh or complete renovation, interior designer Emily Henderson wants you to take risks with your home design without experiencing regret. In this visually driven decorating bible punctuated with photographs from real homes and colorful illustrations, she takes you through her entire process, including every single decision she makes when it comes to picking paint, arranging furniture, hanging window treatments, and deciding on lighting fixtures. You'll also learn when to hire a contractor versus an architect versus a handyperson, all the materials to consider (and why you might want to skip those marble countertops),

proper measurements of the elements in each room, and so much more. By the end of the book, you'll feel more confident when it comes to visualizing the home of your dreams, and you'll finally know how to make it happen.

The Best Book On How To Start A Mommy Blog *Hyperink Inc*

Mommy blogging is a great way of connecting to a community and earning an income from home. However, the process of setting up and running a blog can be intimidating. Both the technical and writing aspects of running a blog are crucial to any mommy blogger's success. Julia Levy wrote this book to provide an easy-to-understand guide for the beginning mommy blogger. Julia's blog, Little Austinite, caters to a niche audience of parents in Austin, Texas. After starting it in 2008, the blog expanded rapidly, earning 1000s of readers per month. In *The Best Book*, Julia will show you, step-by-step, exactly how she became a mommy blogger.

Starting Over (Complete Collection, Books 1-4) *Pink Elephant Press*

Four complete books for one low price! Characters you can relate to.

♥Welcome the Peterson sisters into your life as they find their way back to one another, overcoming challenges and finding their happily-ever-afters at the same time.♥

★Book One★

A Heart to Call Home

After an indifferent divorce, Reed Peterson traded in her high-profile career in the city for an opportunity to try her hand at running a business of her own. She's not sure if the small town life is for her, but since part of her new mission in life is to adopt the free-spiritedness her mother had once embodied, she knows she has to give it a try. She needs her freedom, and she needs it now. Even if the fresh air might suffocate her.

Rogan Douglas agrees to take on the job of getting Reed's property up-to-snuff so she can re-open the once grand—now dilapidated—cottage motel in town. Struggling to raise his five kids on his own after the accidental death of his wife, Rogan didn't realize the job would cost him so much. Like his sanity. And

his heart.

Reed and Rogan are venturing down different paths in life, but can they resist the powerful attraction that threatens the way they see themselves? Their futures? And is it possible for two people with such different personalities and values to find a way to call each other's heart their home?

★Book Two★

Loving a Wildflower

Simplicity Peterson has never cared about fitting in, but she's ready to put her couch-surfing days behind her. First step toward planting roots—find a way to make a difference in her new community. Volunteering to help the reclusive and notoriously difficult Ethan Witherford will help people see the good side of her. If she tries hard enough, she should be able to keep everyone in town from thinking of her as the crazy hippie. She expects to feel good about performing this important community service, but she's far from prepared when Ethan turns out to be the most dangerous rollercoaster she's ever had the pleasure of riding.

Ethan had been tortured enough as a POW. He doesn't need this free-spirited nymph interfering in his quiet, uncomfortable existence. His one goal in life is to make his estranged parents miserable, and he can't fulfill that destiny if Simplicity continues yanking him from his dark cave as she chases a world of make-believe.

His scars are external. Hers are internal. She can look past his. Can he do the same?

★Book Three★

Wherever You Go

The last thing Paisley Peterson needs is to fall in love. She left her high-stress job in Boston so she could heal in Healing Springs-- isn't that what the town is about? She needs her sisters. She does not need a man.

Asher has always been the one to take care of the people in his life, so when sexy Paisley strolls in and takes the lead, he finds himself turned on by her independence and confidence in a way he has never been turned on before. But after suffering too many losses in life and with a plate already brimming with family members who need his care and protection, can he handle the truth behind her sudden appearance in Healing Springs? How is he supposed to allow himself to get close to her when he could lose her?

Asher and Paisley are from two different worlds with two different life plans. Will their unplanned love affair turn into a dead end? Or will it be just the detour they have both needed all along?

★Book Four★

Imperfect Harmony

A marriage of convenience isn't on Harmony Peterson's agenda when she's forced to sneak into Healing Springs to retrieve

important papers, but if marrying a stranger keeps her from reuniting with her estranged sisters, how dumb would she be to turn down the offer? She'll do whatever it takes to keep her vow to protect the infant she hadn't planned on raising.

Keegan O'Malley knows he's not qualified to save anyone, but if a sham marriage can help this beautiful, intriguing stranger who forced her way into his life and maybe help him in return, why should he talk himself into reason? Though he's failed to live up to his moral code before, he has to believe he's somehow been given a second chance to right the wrongs.

A fake marriage may be something they can live with. But can they honor the unspoken promise to keep their hearts out of the bargain?

Stamped from the Beginning *Bold Type Books*

The National Book Award winning history of how racist ideas were created, spread, and deeply rooted in American society. Some Americans insist that we're living in a post-racial society. But racist thought is not just alive and well in America -- it is more sophisticated and more insidious than ever. And as award-winning historian Ibram X. Kendi argues, racist ideas have a long and lingering history, one in which nearly every great American thinker is complicit. In this deeply researched and fast-moving narrative, Kendi chronicles the entire story of anti-black racist ideas and their staggering power over the course of American

history. He uses the life stories of five major American intellectuals to drive this history: Puritan minister Cotton Mather, Thomas Jefferson, abolitionist William Lloyd Garrison, W.E.B. Du Bois, and legendary activist Angela Davis. As Kendi shows, racist ideas did not arise from ignorance or hatred. They were created to justify and rationalize deeply entrenched discriminatory policies and the nation's racial inequities. In shedding light on this history, *Stamped from the Beginning* offers us the tools we need to expose racist thinking. In the process, he gives us reason to hope.

An Imperfect Process (The Starting Over Series, Book 3)
ePublishing Works!

Romantic Women's Fiction. Previously titled: *Twist of Fate* When lawyer Val Covington receives a windfall and leaves her corporate career to practice "do-gooder law," her assistant offers to come with her—if Val will look into the case of Kendra's former lover,

who is on Death Row for a crime he didn't commit. Val agrees, but she can't do it alone. She finds help in Rob Smith, her landlord, who is as capable as he is mysterious. If justice is an imperfect process, so is falling in love. Val and Rob are drawn together as they fight to save an innocent man's life, but can they overcome their fears to build a lasting future? **REVIEWS:** "...an emotionally-charged story of honor, courage, and the healing power of love [that] readers will remember." ~Susan Lantz, *Romance Reviews Today* "Electrifying! The perfect balance between the heart of the matter and matters of the heart."

STARTING OVER SERIES, in order *Stirring the Embers* *Phoenix Falling* *An Imperfect Process* *A Holiday Fling*, the novella

Clear Speech from the Start Level 1 Student's Book

Cambridge University Press

Provides students with practice in pronunciation and listening comprehension from individual sounds to stretches of continuous speech. Gives a practical approach to the intonation, stress, and rhythm of North American English.
