Up in the Old Hotel *Vintage*

Saloon-keepers and street preachers, gypsies and steel-walking Mohawks, a bearded lady and a 93-year-old “seafoodetarian” who believes his specialized diet will keep him alive for another two decades. These are among the people that Joseph Mitchell immortalized in his reportage for The New Yorker and in four books—McSorley's Wonderful Saloon,

Old Mr. Flood, The Bottom of the Harbor, and Joe Gould's Secret—that are still renowned for their precise, respectful observation, their graveyard humor, and their offhand perfection of style. These masterpieces (along with several previously uncollected stories) are available in one volume, which presents an indelible collective portrait of an unsuspected New York and its odder citizens—as depicted by one of the great writers of this or any other time.

Up in the Old Hotel *Random House*

'The master of a journalistic style long vanished - urbane, lucid, courteous... A masterpiece of observation and storytelling' Ian McEwan Mitchell is the laureate of old New York. The hidden corners of the city and the people who

lived there are his subject. He captured the waterfront rooming-houses, nickel-a-drink saloons, all-night restaurants, the 'visionaries, obsessives, imposters, fanatics, lost souls, the end-is-near street preachers, old Gypsy Kings and old Gypsy Queens, and out-and-out freak-show freaks.' Mitchell's trademark curiosity, respect and graveyard humour fuel these magical essays. Written between 1943 and 1965, *Up in the Old Hotel* is the complete collection of Joseph Mitchell's New Yorker journalism and includes McSorley's Wonderful Saloon, Old Mr Flood, The Bottom of the Harbour and Joe Gould's Secret. 'Joseph Mitchell is buried treasure' Salman Rushdie

Joe Gould's Secret *Open Road Media*

The story of a notorious New York

eccentric and the journalist who chronicled his life: "A little masterpiece of observation and storytelling" (Ian McEwan). Joseph Mitchell was a cornerstone of the New Yorker staff for decades, but his prolific career was shattered by an extraordinary case of writer's block. For the final thirty-two years of his life, Mitchell published nothing. And the key to his silence may lie in his last major work: the biography of a supposed Harvard grad turned Greenwich Village tramp named Joe Gould. Gould was, in Mitchell's words, "an odd and penniless and unemployable little man who came to this city in 1916 and ducked and dodged and held on as hard as he could for over thirty-five years." As Mitchell learns more about Gould's epic Oral History—a

reputedly nine-million-word collection of philosophizing, wanderings, and hearsay—he eventually uncovers a secret that adds even more intrigue to the already unusual story of the local legend. Originally written as two separate pieces ("Professor Sea Gull" in 1942 and then "Joe Gould's Secret" twenty-two years later), this magnum opus captures Mitchell at his peak. As the reader comes to understand Gould's secret, Mitchell's words become all the more haunting. This ebook features an illustrated biography of Joseph Mitchell including rare images from the author's estate.

Storeys from the Old Hotel *Macmillan*

A collection of the author's fantastical tales includes "The Green Rabbit from

S'Rian," "The Marvelous Brass Chessplaying Automation," and "From the Desk of Gilmer C. Merton"

Death at the Old Hotel

A Bartender Brian McNulty Mystery

Macmillan

Bartender Brian McNulty sets out to find a killer when local Christmas festivities are marred by the murder of his nasty boss, an investigation complicated when his friend sets his sights on one of the bar's gorgeous waitresses, a woman married to a cop with a nasty temper. By the author of *What Goes Around Comes Around*.

Old Mr. Flood *MacAdam/Cage Publishing*

In a fictional portrait of the quintessential old-time New Yorker, retired house wrecker Hugh G. Flood is determined to live to be 115 years old on a diet of fresh seafood, harbor air, and the occasional good scotch.

The Bottom of the Harbor *Pantheon*

On the centennial of Joseph Mitchell's birth, here is a new edition of the classic collection containing his most celebrated pieces about New York City. Fifty years after its original publication, *The Bottom of the Harbor* is still considered a fundamental New York book. Every story Mitchell tells, every person he introduces, every scene he describes is illuminated by his passion for the eccentrics and eccentricities of his beloved adopted city. All of the pieces

here are connected in one way or another--some directly, some with a kind of mysterious circuitousness--to New York's fabled waterfront, the terrain that Mitchell brilliantly made his own. They tell of a life that has passed--of vacant hotel rooms, deserted communities, once-thriving fishing areas that are now polluted and studded with wrecks. Included are "Up in the Old Hotel," a portrait of Louis Morino, the proprietor of a restaurant called (to his disgust) Sloppy Louie's; "The Rats on the Waterfront," which has inspired countless writers to attempt portraits of these most demonized New Yorkers; and "Mr. Hunter's Grave," widely considered to be the finest single piece of nonfiction to have ever appeared in the pages of The New Yorker. Here is the essential

work of a legendary writer.

Hotel on the Corner of Bitter and Sweet

A Novel *Ballantine Books*

"Sentimental, heartfelt....the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices."-- Kirkus Reviews "A tender and satisfying novel set in a time and a place lost forever, *Hotel on the Corner of Bitter and Sweet* gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield,

but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* "Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut." -- Lisa See, bestselling author of *Snow Flower* and *The Secret Fan* In the opening pages of Jamie Ford's stunning debut novel, *Hotel on the Corner of Bitter and Sweet*, Henry Lee comes upon a crowd gathered

outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While "scholarshipping" at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of

blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship—and innocent love—that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel's dark dusty basement he begins looking for signs of the Okabe family's belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice—words that might explain the actions of his nationalistic father; words that might bridge the gap between him

and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In *Henry and Keiko*, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. **BONUS:** This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Love and Other Consolation Prizes*.

Man in Profile

Joseph Mitchell of The New Yorker

Random House

WINNER OF THE SPERBER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE AND PUBLISHERS WEEKLY • This fascinating biography reveals the untold story of the legendary New Yorker profile writer—author of Joe Gould's Secret and Up in the Old Hotel—and unravels the mystery behind one of literary history's greatest disappearing acts. Born and raised in North Carolina, Joseph Mitchell was Southern to the core. But from the 1930s to the 1960s, he was the voice of New York City. Readers of The New Yorker cherished his intimate sketches of the people who made the city tick—from Mohawk steelworkers to Staten Island oystermen, from homeless intellectual Joe Gould to

Old John McSorley, founder of the city's most famous saloon. Mitchell's literary sensibility combined with a journalistic eye for detail produced a writing style that would inspire New Journalism luminaries such as Gay Talese, Tom Wolfe, and Joan Didion. Then, all of a sudden, his stories stopped appearing. For thirty years, Mitchell showed up for work at The New Yorker, but he produced . . . nothing. Did he have something new and exciting in store? Was he working on a major project? Or was he bedeviled by an epic case of writer's block? The first full-length biography of Joseph Mitchell, based on the thousands of archival pages he left behind and dozens of interviews, Man in Profile pieces together the life of this beloved and enigmatic literary legend

and answers the question that has plagued readers and critics for decades: What was Joe Mitchell doing all those years? By the time of his death in 1996, Mitchell was less well known for his elegant writing than for his J. D. Salinger-like retreat from the public eye. For thirty years, Mitchell had wandered the streets of New York, chronicling the lives of everyday people and publishing them in the most prestigious publication in town. But by the 1970s, crime, homelessness, and a crumbling infrastructure had transformed the city Mitchell understood so well and spoke for so articulately. He could barely recognize it. As he said to a friend late in life, "I'm living in a state of confusion." Fifty years after his last story appeared, and almost two decades after his death,

Joseph Mitchell still has legions of fans, and his story—especially the mystery of his "disappearance"—continues to fascinate. With a colorful cast of characters that includes Harold Ross, A. J. Liebling, Tina Brown, James Thurber, and William Shawn, *Man in Profile* goes a long way to solving that mystery—and bringing this lion of American journalism out of the shadows that once threatened to swallow him. Praise for *Man in Profile* "[An] authoritative new biography [about] our greatest literary journalist . . . Kunkel is the ideal biographer of Joseph Mitchell: As . . . a writer and craftsman worthy of his subject."—Blake Bailey, *The New York Times Book Review* (Editor's Choice) "A richly persuasive portrait of a man who cared about everybody and everything."—London

Review of Books “Mitchell’s life and achievements are brought vividly alive in [this] splendid book.”—Chicago Tribune
 “A thoughtful and sympathetic new biography.”—Ruth Franklin, *The Atlantic*
 “Excellent . . . A first-rate Mitchell biography was very much in order.”—The Wall Street Journal

Joe Gould's Teeth *Vintage*

"A "New Yorker" staff writer and Harvard historian chronicles the discovery of Joe Gould's long-lost manuscript, "The Oral History of Our Time," and of the violence, betrayals, and madness that led to its concealment, "--NoveList.

Trying to Float

A Memoir *Simon and Schuster*

"Hysterically droll, touching, elegant, and wise—a coming-of-age story from someone who possibly came of age before her parents" (Patricia Marx, New Yorker writer and bestselling author), *Trying to Float* is a seventeen-year-old's darkly funny, warmhearted memoir about growing up in New York City's legendary Chelsea Hotel. Meet the family Rips: father Michael, a lawyer turned writer with a penchant for fine tailoring; mother Sheila, a former model and renowned sculptor who matches her welding outfits with couture; and daughter Nicolaia, a precocious and wry high school student at work on a highly unusual extracurricular activity, an

official record of her peculiar childhood. Nicolaia is a perpetual outsider who has struggled to find her place in schools populated by cliquish girls and loudmouthed boys. But at the Chelsea, Nicolaia she has found her tribe. There's her neighbor Stormé, a tall albino woman who keeps a pink handgun strapped to her ankle; her babysitter, Jade, who may or may not have a second career as an escort; her friend Artie, former proprietor of New York's most famous nightclubs. The kids at school might never understand her, but as Nicolaia endeavors to fit in, she realizes that the Chelsea's motley crew could hold the key to surviving the perils of her adolescence. "*Nicolaia Rips is an old-soul sophisticate. Trying to Float is like Eloise meets Wes Anderson*" (Elle), and not

since Holden Caulfield has there been such a fabulously compelling teen guide to New York City. Rips's debut is "charmingly self-deprecating and very funny...at once highly insightful and deeply familiar" (W Magazine), a triumphant parable for the power of embracing difference in all its forms. My Ears Are Bent *Vintage*

Famed New Yorker writer Joseph

Mitchell, as a young newspaper reporter in 1930s New York, interviewed fan dancers, street evangelists, voodoo conjurers, not to mention a lady boxer who also happened to be a countess. Mitchell haunted parts of the city now vanished: the fish market, burlesque houses, tenement neighborhoods, and storefront churches. Whether he wrote about a singing first baseman for the Brooklyn Dodgers or a nudist who does a reverse striptease, Mitchell brilliantly illuminated the humanity in the oddest New Yorkers. These pieces, written primarily for The World-Telegram and The Herald Tribune, highlight his abundant gifts of empathy and observation, and give us the full-bodied picture of the famed New Yorker writer Mitchell would become.

The Hotel Years

Wanderings in Europe between the Wars *Granta Books*

The hotel that I love like a fatherland is situated in one of the great port cities of Europe, and the heavy gold Antiqua letters in which its banal name is spelled out shining across the roofs of the gently banked houses are in my eye metal flags, metal bannerets that instead of fluttering shine out their greeting. In the 1920s and 30s, Joseph Roth travelled extensively in Europe, leading a peripatetic life living in hotels and writing about the towns through which he passed. Incisive, nostalgic, curious and sharply observed - and collected together here for the first time - his pieces paint a picture of a continent

racked by change yet clinging to tradition. From the 'compulsive' exercise regime of the Albanian army, the rickety industry of the new oil capital of Galicia, and 'split and scalped' houses of Tirana forced into modernity, to the individual and idiosyncratic characters that Roth encounters in his hotel stays, these tender and quietly dazzling vignettes form a series of literary postcards written from a bygone world, creeping towards world war.

The Hotel Cat *New York Review of Books*

One wintry day a lonely stray cat wandered into the Royal Hotel. He chased mice so well that he was given the job of Hotel Cat. Tired of always spending time in the cellar Tom

ventured upstairs and met the gentle Mrs. Wilkins, a longtime hotel resident who had the ability to communicate with cats. She encouraged Tom to keep an open mind about the hotel guests. One night, during the winter of New York City's Big Freeze, Tom detected three cats in one of the rooms. It turned out that due to a boiler breakdown in his house, Captain Tinker had brought Jenny Linsky and her brothers Edward and Checkers to stay at the hotel until the boiler was fixed. Other homes experienced boiler breakdowns too and soon other members of the Cat Club could be found staying in rooms at the Royal Hotel. Before long, plans were underway for the Cat Club Stardust Ball, with the help of Tom, who had proved himself helpful and considerate after all.

Soon he became a "friend for ever" of Jenny and her pals.

The Best Exotic Marigold Hotel

A Novel *Random House*

Now a major motion picture starring Jude Dench, Bill Nighy, Dev Patel, Tom Wilkinson, and Maggie Smith. When Ravi Kapoor, an overworked London doctor, reaches the breaking point with his difficult father-in-law, he asks his wife: "Can't we just send him away somewhere? Somewhere far, far away." His prayer is seemingly answered when Ravi's entrepreneurial cousin sets up a retirement home in India, hoping to recreate in Bangalore an elegant lost corner of England. Several retirees are enticed by the promise of indulgent

living at a bargain price, but upon arriving, they are dismayed to find that restoration of the once sophisticated hotel has stalled, and that such amenities as water and electricity are . . . infrequent. But what their new life lacks in luxury, they come to find, it's plentiful in adventure, stunning beauty, and unexpected love.

The Electric Hotel

A Novel *Sarah Crichton Books*

A sweeping work of historical fiction from the New York Times–bestselling author Dominic Smith, *The Electric Hotel* is a spellbinding story of art and love. For more than thirty years, Claude Ballard has been living at the Hollywood Knickerbocker Hotel. A French pioneer of

silent films who started out as a concession agent for the Lumière brothers, the inventors of cinema, Claude now spends his days foraging for mushrooms in the hills of Los Angeles and taking photographs of runaways and the striplings along Sunset Boulevard. But when a film history student comes to interview Claude about *The Electric Hotel*—the lost masterpiece that bankrupted him and ended the career of his muse, Sabine Montrose—the past comes surging back. In his run-down hotel suite, the ravages of the past are waiting to be excavated: celluloid fragments in desperate need of restoration, as well as Claude's memories of the woman who inspired and beguiled him. *The Electric Hotel* is a portrait of a man entranced by the

magic of moviemaking, a luminous romance, and a whirlwind trip through early cinema. Sit back, relax, and enjoy the show.

Strange Hotel

A Novel *Farrar, Straus and Giroux*

From Eimear McBride, author of the award-winning *A Girl Is a Half-formed Thing*, comes the beguiling travelogue of a woman in exile: from her past, her ghosts, and herself. A nameless woman enters a hotel room. She's been here once before. In the years since, the room

hasn't changed, but she has. Forever caught between check-in and check-out, she will go on to occupy other hotel rooms. From Avignon to Oslo, Auckland to Austin, each is as anonymous as the last but bound by rules of her choosing. There, amid the detritus of her travels, the matchbooks, cigarettes, keys and room-service wine, she negotiates with her memories, with the men she sometimes meets, with the clichés invented to aggravate middle-aged women, with those she has lost or left behind--and with what it might mean to return home. Urgent and immersive, filled with black humour and desire, McBride's *Strange Hotel* is a novel of enduring emotional force.

Hotel Du Lac *Vintage*

In the novel that won her the Booker Prize and established her international reputation, Anita Brookner finds a new vocabulary for framing the eternal question "Why love?" It tells the story of Edith Hope, who writes romance novels under a pseudonym. When her life begins to resemble the plots of her own novels, however, Edith flees to Switzerland, where the quiet luxury of the Hotel du Lac promises to restore her to her senses. But instead of peace and rest,

Edith finds herself sequestered at the hotel with an assortment of love's casualties and exiles. She also attracts the attention of a worldly man determined to release her unused capacity for mischief and pleasure. Beautifully observed, witheringly funny, Hotel du Lac is Brookner at her most stylish and potently subversive.

 portrait of a man who comes to life in
 the most unexpected of ways: through

his online reviews. Reginald Edward Morse is one of the top reviewers on RateYourLodging.com, where his many reviews reveal more than just details of hotels around the globe--they tell his life story. The puzzle of Reginald's life comes together through reviews that comment upon his motivational speaking career, the dissolution of his marriage, the separation from his beloved daughter, and his devotion to an amour known only as "K." But when Reginald disappears, we are left with the fragments of a life--or at least the life he has carefully constructed--which writer Rick Moody must make sense of. An inventive blurring of the lines between the real and the fabricated, *Hotels of North America* demonstrates Moody's mastery ability to push the bounds of the

God's Hotel

A Doctor, a Hospital, and a Pilgrimage to the Heart of Medicine *Penguin*

Victoria Sweet's new book, *SLOW MEDICINE*, is on sale now! For readers of Paul Kalanithi's *When Breath Becomes Air*, a medical "page-turner" that traces one doctor's "remarkable journey to the essence of medicine" (*The San Francisco Chronicle*). San Francisco's Laguna Honda Hospital is the last almshouse in the country, a descendant of the *Hôtel-Dieu* (God's hotel) that cared for the sick in the Middle Ages. Ballet dancers and rock musicians, professors and

thieves—"anyone who had fallen, or, often, leapt, onto hard times" and needed extended medical care—ended up here. So did Victoria Sweet, who came for two months and stayed for twenty years. Laguna Honda, relatively low-tech but human-paced, gave Sweet the opportunity to practice a kind of attentive medicine that has almost vanished. Gradually, the place transformed the way she understood her work. Alongside the modern view of the body as a machine to be fixed, her extraordinary patients evoked an older idea, of the body as a garden to be tended. *God's Hotel* tells their story and the story of the hospital itself, which, as efficiency experts, politicians, and architects descended, determined to turn it into a modern "health care

facility,” revealed its own surprising truths about the essence, cost, and value of caring for the body and the soul.

Curly Girl, to her oddball adventures around the globe, to the sublime ridiculousness of life next door. Even while facing a devastating diagnosis, Fisher teaches us that humor is the balm that eases and the very thing that binds us together.

This blistering novel—from the bestselling, Pulitzer Prize-winning author of *The Road*—returns to the Texas-Mexico border, setting of the famed *Border Trilogy*. The time is our own, when rustlers have given way to drug-runners and small towns have become free-fire zones. One day, a good old boy named Llewellyn Moss finds a pickup truck surrounded by a bodyguard of dead men. A load of heroin and two

million dollars in cash are still in the back. When Moss takes the money, he sets off a chain reaction of catastrophic violence that not even the law—in the person of aging, disillusioned Sheriff Bell—can contain. As Moss tries to evade his pursuers—in particular a mysterious mastermind who flips coins for human lives—McCarthy simultaneously strips down the American crime novel and broadens its concerns to encompass themes as ancient as the Bible and as bloodily contemporary as this morning’s headlines. *No Country for Old Men* is a triumph.

The Hotel on St. James Place

Growing Up in Atlantic City Between the Boardwalk and the Holocaust

By the early 1970s Atlantic City, New Jersey had seen better days. Its heyday was decades in the past, and the uncertain promise of casinos had not yet become a reality. Shabby, rundown and even seedy were often terms used to describe the once attractive seaside resort city. Atlantic City was not without its charms, however. The ocean and the steady sea breeze is always hard to

resist. The famous Boardwalk with its shops and the Steel Pier still drew visitors. It remained a destination for mostly bargain vacationers. Once in town, travelers mixed with the drug dealers, runaways, pimps, con artists and others to create a strange tapestry. It was vastly different than the small shtetel in Poland where Holocaust survivors Harry and Sonia Golubcow once lived. That world had been totally destroyed. When they became the proprietors of the Seacrest Hotel on St. James Place, a small walk up hotel situated less than a block from the Boardwalk, they brought their memories with them and maintained their old world ways. Harry would often say, "Hitler was a strange matchmaker" describing his new life. Indeed, the

hotel's colorful clientele became a sort of family, with the couple demonstrating their incredible capacity to interact with strange and quirky quests with empathy and understanding-- adapting to lifestyles so foreign and opposite to their strict Jewish upbringing and alien compared to the horrors that they experienced. Along the way, they became friends, substitute parents, teachers, and in some cases, saviors to those who came to the Seacrest. Observing all of this is Harry and Sonia's young teenage daughter, Molly. The comings and goings of the Seacrest's unforgettable characters unfold before her like a bizarre soap opera. Each person that passes by

Harry's front desk begins a new tale about a Seacrest Hotel guest who made an impression on Molly. Some are sad and others dangerous, but they all have a story to tell. And they lead Molly--and us-- into a darker, misfit world of Atlantic City in those days. Let's go to St. James Place and pay a visit to the Seacrest Hotel, as Molly Golubow vividly remembers it. It will be an unforgettable journey.
