You Think You Know Me

The True Story of Herb Baumeister and the Horror at Fox Hollow Farm *Createspace Independent Publishing Platform*

In the fall of 1994, Erich Baumeister (13), was playing in a wooded area of his family's estate, when he stumbled across a partially buried human skeleton. He presented the disturbing finding to his mother, Julie, who inquired about the skull to her husband, Herb. He told her that the skeleton belonged to his late father, an anaesthesiologist, who used it for his research. He said he didn't know what to do with it, so he buried it in the back garden. Astonishingly, Julie believed him. Over the course of eighteen-months, Julie became increasingly concerned and even frightened by her husband's mood swings and erratic behaviour. In June 1996, whilst Herb was on vacation, she granted police full access to her family's eighteen-acre home. Within ten days of the search, investigators uncovered the remains of eleven bodies. Once news of the findings at Fox Hollow Farm was broadcast, Herb disappeared. He was missing for eight days when campers eventually found his body inside his car. In an apparent suicide, Herb had shot himself while parked at Pinery Park,

Ontario. He wrote a three-page suicide note explaining his reasons for taking his life, which he attributed to his failing marriage and business. There was no mention of the victims scattered in his backyard. Herb Baumeister would later be alleged to have killed at least nine more men along the Interstate 70 between Indiana and Ohio, and coined the "I-70 Strangler." It is entirely possible that he was one of the most prolific serial killers in history, but because of his perpetual cowardice in the face of scrutiny, the world will never know. In *You Think You Know Me*, bestselling author Ryan Green assumes the role of Herb Baumeister and attempts to fill in the blanks on one of Indiana's most mysterious serial killers. CAUTION: This book contains descriptive accounts of sexual abuse and violence. If you are especially sensitive to this material, it might be advisable not to read any further.

But after Liza moved away, things grew more strained than anyone wanted to admit—in the friendship and the marriage. When Daniel goes away on business, Molly and Liza plan to reconnect with a nice long video chat after the kids are in bed. But then Molly leaves the room to check on a crying child. What Liza sees next will change everything. Only one thing is certain: Molly needs her. Liza drives all night to be at Molly’s side—but when she arrives, the reception is icy, leaving Liza baffled and hurt. She knows there’s no denying what she saw. Or is there? In disbelief that their friendship could really be over, Liza is unaware she’s about to have a near miss of her own. And Molly, refusing to deal with what’s happened, won’t turn to Daniel, either. The Blackboard Jungle

A Novel *Open Road Media*
The “shocking” and “suspense-packed” bestseller about one teacher’s stand against student violence, and the basis for the Academy Award-nominated film (*The New York Times Book Review*). After serving his country in World War II, Richard Dadier decides to become an English teacher—and for the sin of wanting to make a difference, he’s hired at North Manual Trades High School. A tough vocational school in the East Bronx, Manual Trades is home to angry, unruly teenagers exiled from New York City’s regular public schools. On his first day, Dadier endures relentless mockery and ridicule and makes an enemy of the student body by rescuing a female colleague from a vicious attack. His fellow educators are bitter, disillusioned, and too afraid of their pupils to risk turning their backs on them in the classroom. But Dadier refuses to give up without a fight. Over the course of the semester, he tries again and again to break through the wall of hatred and scorn and win his students’ respect. The more he learns about their difficult circumstances, the more convinced he becomes that a good teacher can make a difference in their lives. His idealism will be put to the ultimate test, however, when a long-simmering power struggle with his most intimidating student explodes into a violent schoolroom showdown. The basis for the blockbuster film starring Glenn Ford and Sidney Poitier, Evan Hunter’s *The Blackboard Jungle* is a brutal, unflinching look at the dark side of American education and an early masterpiece from the author who went on to write the gritty 87th Precinct series as Ed McBain. Drawn from Hunter’s own experiences as a New York City schoolteacher, it is a “nightmarish but authentic” drama that packs a knockout punch (*Time*).

Liz Loves Books "A dark, suspenseful thriller... top, top reading." Grab This Book "Raymond Chandler meets Glasgow gangland: Dominic Queste is a breath of humorous fresh air in what is a dark, fast-paced, one-liner wisecrack of a read!" Chapter In My Life "The Dead Don't Boogie introduced us to a memorable new star of Scottish crime fiction, but Tag – You're Dead takes what Douglas Skelton started with that book and dials everything up to 11. Funnier, wittier, darker and more dangerous than its predecessor, it is a novel which dares you to put it down and wins every time." Scots Whay Hae "A tense and exciting thriller. Gritty, memorable writing, a superb lead character, witty dry humour, all in a multi-layered, enjoyable story." Random Things "So noir, you almost need a torch to read it... The style is authentic, heady and pitch-perfect... A fun read, a sobering one and every page is compelling." Blue Book Balloon "Brilliant... a great story, with some fantastic characters." The Social Work and K-12 Schools Casebook

Phenomenological Perspectives *Taylor & Francis*

This volume offers a collection of nine case studies from clinical social workers in K-12 schools, each from a phenomenological perspective, with the objective of educating Master of Social Work students and early career social work clinicians. Each chapter is framed with pre-reading prompts, reading comprehension questions, and writing assignments. This casebook provides a resource for understanding the range of practice in school social work as well as some of the challenges that school social workers face in today's complex world. Using a phenomenological perspective the contributors stay close to the lived experience of students, teachers, parents, and social workers, revealing a deeper and more nuanced understanding of the genesis and treatment of students' problems in school.

Fierce

A Going the Distance II - YOLO Novel *Barbara Samuel*

FIERCE Going the Distance II – YOLO A full-length, stand-alone romance. Distance. Chelsea Anderson uses it to flee a violent past and escape into the welcome anonymity of travel as she backpacks around the world. But when an explosion derails her train and strands her in the middle of nowhere, Chelsea, her travel buddy Madeline, and the fiercely sexy Alec McRae are forced to camp out in a tiny mountain village in the Alps. Fighting to escape the dark memories that surface, Chelsea finds herself sharing a very hot kiss with the brooding Alec—but flees back into the safety of distance. If Alec McRae had invented the perfect girl, she would have looked like Chelsea, and the more time he spends with her, the more he wants her. A simmering sexual tension burns between them, but Alec, too, is using distance as a buffer to hide two secrets: the shame of a life spent in brutal poverty, and guilt that someone in his life made a supreme sacrifice to give him a fresh start. When the group escapes the Alps, Chelsea and Alec share a magical week in Venice, where the lovers are confronted with everything they’ve tried to leave behind. Will they take a stand and embrace their love or let distance destroy everything?
