Calling a Wolf a Wolf Alice James Books

"The struggle from late youth on, with and without God, agony, narcotics and love is a torment rarely recorded with such sustained eloquence and passion as you will find in this collection." -- Fanny Howe This highly-anticipated debut boldly confronts addiction and courses the strenuous path of recovery, beginning in the wilds of the mind. Poems confront craving, control, the constant battle of alcoholism and sobriety, and the questioning of the self and its instincts within the context of this never-ending fight. From "Stop Me If You've Heard This One Before" Sometimes you just have to leave whatever's real to you, you have to clomp through fields and kick the caps off all the toadstools. Sometimes you have to march all the way to Galilee or the literal foot of God himself before you realize you've already passed the place where you were supposed to die. I can no longer remember the being afraid, only that it came to an end. Kaveh Akbar is the founding editor of Divedapper. His poems appear recently or soon in The New Yorker, Poetry, APR, Tin House, Ploughshares, PBS NewsHour, and elsewhere. The recipient of a 2016 Ruth Lilly and Dorothy Sargent Rosenberg Fellowship from the Poetry Foundation and the Lucille Medwick Memorial Award from the Poetry Society of America, Akbar was born in Tehran, Iran, and currently lives and teaches in Florida.

Pilgrim Bell

Poems *Graywolf Press*

Kaveh Akbar's exquisite, highly anticipated follow-up to *Calling a Wolf a Wolf* With formal virtuosity and ruthless precision, Kaveh Akbar's second collection takes its readers on a spiritual journey of disavowal, fiercely attendant to the presence of divinity where artifacts of self and belonging have been shed. How does one recover from addiction without destroying the self-as-addict? And if living justly in a nation that would see them erased is, too, a kind of self-destruction, what does one do with the body's question, "what now shall I repair?" Here, Akbar responds with prayer as an act of devotion to dissonance—the infinite void of a loved one's absence, the indulgence of austerity, making a life as a Muslim in an Islamophobic nation—teasing the sacred out of silence and stillness. Richly crafted and generous, Pilgrim Bell's linguistic rigor is tuned to the register of this moment and any moment. As the swinging soul crashes into its limits, against the atrocities of the American empire, and through a profoundly human capacity for cruelty and grace, these brilliant poems dare to exist in the empty space where song lives—resonant, revelatory, and holy.

Where the Wolf *Diode Editions*

Sally Rosen Kindred's third book, *Where the Wolf*, is a wood where a girl-turned-woman, a daughter-turned-mother, goes walking, searching for the warm fur, the hackles and hurts—past and future—inside her. These poems explore how stories—fairy tales, family memories, myths, and dreams—tell us, and let us tell each other, who we are, and what's wild and sacred in our connections. From "the beast your mother made/ who scans hood and bed," to the ghost-guard summoned by a child on the night her family fractures, to the teenage son who transforms into "beauty, his dread-body," the beings in these poems are themselves stories, spells: alchemized through language, always becoming, bearing hope and loss. They fragment in anxiety, and form into new wilderness. They open themselves to reconstruction, redemption. Through it all, "Wolf is the ghost of a hurt remembering itself. Is She. You can hear Her between trees." These poems are a calling out—through meadows, emptied houses, dark skies—to wolf and self, parent and child, girl and woman, love and grief.

Silver Wolf/Night Wolf *Ballantine Books*

Silver Wolf In this new historical romantic fantasy of stunning originality and scope, Alice Borchardt breathes life into a bygone age, brilliantly recreating a sensuous, violent world—and the men and women whose grand ambitions, betrayals, and passions shape the era in which they live and die. Decadent Rome at the dawn of the Dark Ages is mired in crumbling grandeur. Now, into the Eternal City comes Regeane, a beautiful young woman distantly related, through her dead mother, to Charlemagne. Regeane's regal blood renders her an unwilling pawn in the struggle for political power. But unknown to those plotting against her, the blood she has inherited from her murdered

father makes her much more than a child of royalty. Possessed of preternatural agility and strength, primal memories extending back thousands of years, and senses so keen they can pierce the veil of death itself, Regeane is a shapeshifter: woman and wolf, hunter and hunted. Betrothed by Charlemagne's command to a barbarian lord she has never seen, Regeane is surrounded by enemies. The most notorious, her depraved uncle and guardian, will not scruple to betray her to the Church unless she aids him in his sinister schemes. And if the Church discovers her secret, Regeane will burn at the stake. Yet Regeane finds allies as well: Lucilla, rumored to be the private courtesan of Pope Hadrian himself; Antonius, a wise and gentle soul trapped within a body grotesquely disfigured by disease; and the little Saxon girl Elfgifa, brave beyond her years, with a tongue as sharp as a blade. Outside the gates of Rome, baying on the moonlit expanses of the Campagna, there is a mysterious dark wolf whose scent makes the animal in Regeane tremble with desire. Now, as an infamous stranger prepares to claim his bride, deadly plots and counter plots tighten like a noose around her neck, Regeane must fight to live with dignity as the proud creature she is: civilized and savage, woman and wolf, partaking of both yet infinitely more than either . . . Lyrical, fast-paced, sensual, and rich with historical detail and deep insights into the heart, *The Silver Wolf* catapults Alice Borchardt squarely into the front rank of contemporary women writers. Her intricate plot and hypnotic voice will cast a spell that few will be able to resist. *Night of the Wolf* The fearsome legions of Julius Caesar have crushed resistance to Roman rule. Watching the tragic aftermath through yellow eyes afire with curiosity and intelligence is Maeniel, a gray wolf . . . and a shapeshifter unaware of his preternatural duality. But a new Maeniel is about to be born from the ruins. The sight of the beautiful Imona fills Maeniel with unfamiliar feelings and desires, triggering his transformation from wolf to man. In her arms he learns what it means to love. It is a knowledge that will change him forever. When Imona vanishes, Maeniel follows her trail--unaware that he is being pursued by a warrior-woman sworn to kill him. But the hunt upon which the two adversaries embark will lead them farther than they can imagine: to the gates of Rome itself--to the gates of their very souls . . .

Outrages

Sex, Censorship, and the Criminalization of Love *Chelsea Green Publishing*

From New York Times bestselling author Naomi Wolf, *Outrages* explores the history of state-

sponsored censorship and violations of personal freedoms through the inspiring, forgotten history of one writer's refusal to stay silenced. Newly updated, first North American edition--a paperback original In 1857, Britain codified a new civil divorce law and passed a severe new obscenity law. An 1861 Act of Parliament streamlined the harsh criminalization of sodomy. These and other laws enshrined modern notions of state censorship and validated state intrusion into people's private lives. In 1861, John Addington Symonds, a twenty-one-year-old student at Oxford who already knew he loved and was attracted to men, hastily wrote out a seeming renunciation of the long love poem he'd written to another young man. *Outrages* chronicles the struggle and eventual triumph of Symonds—who would become a poet, biographer, and critic—at a time in British history when even private letters that could be interpreted as homoerotic could be used as evidence in trials leading to harsh sentences under British law. Drawing on the work of a range of scholars of censorship and of LGBTQ+ legal history, Wolf depicts how state censorship, and state prosecution of same-sex sexuality, played out—decades before the infamous trial of Oscar Wilde—shadowing the lives of people who risked in new ways scrutiny by the criminal justice system. She shows how legal persecutions of writers, and of men who loved men affected Symonds and his contemporaries, including Christina and Dante Gabriel Rossetti, Algernon Charles Swinburne, Walter Pater, and the painter Simeon Solomon. All the while, Walt Whitman's *Leaves of Grass* was illicitly crossing the Atlantic and finding its way into the hands of readers who reveled in the American poet's celebration of freedom, democracy, and unfettered love. Inspired by Whitman, and despite terrible dangers he faced in doing so, Symonds kept trying, stubbornly, to find a way to express his message—that love and sex between men were not “morbid” and deviant, but natural and even ennobling. He persisted in various genres his entire life. He wrote a strikingly honest secret memoir—which he embargoed for a generation after his death—enclosing keys to a code that the author had used to embed hidden messages in his published work. He wrote the essay *A Problem in Modern Ethics* that was secretly shared in his lifetime and would become foundational to our modern understanding of human sexual orientation and of LGBTQ+ legal rights. This essay is now rightfully understood as one of the first gay rights manifestos in the English language. Naomi Wolf's *Outrages* is a critically important book, not just for its role in helping to bring to new audiences the story of an oft-forgotten pioneer of LGBTQ+ rights who could not legally fully tell his own story in his lifetime. It is also critically important for what the book has to say about the vital and often courageous roles of publishers, booksellers, and freedom of speech in an era of growing calls for censorship and ever-escalating state violations of privacy. With *Outrages*, Wolf brings us the inspiring story of one man's refusal to be silenced, and his belief in a future in which everyone would have the freedom to love and to speak without fear.

Be Holding

A Poem *University of Pittsburgh Press*

Be Holding is a love song to legendary basketball player Julius Erving—known as Dr. J—who dominated courts in the 1970s and '80s as a small forward for the Philadelphia '76ers. But this book-length poem is more than just an ode to a magnificent athlete. Through a kind of lyric research, or lyric meditation, Ross Gay connects Dr. J's famously impossible move from the 1980 NBA Finals against the Los Angeles Lakers to pick-up basketball and the flying Igbo and the Middle Passage, to photography and surveillance and state violence, to music and personal histories of flight and familial love. *Be Holding* wonders how the imagination, or how our looking, might make us, or bring us, closer to each other. How our looking might make us reach for each other. And might make us be reaching for each other. And how that reaching might be something like joy.

The Secret World of Red Wolves

The Fight to Save North America's Other Wolf *UNC Press Books*

Red wolves are shy, elusive, and misunderstood predators. Until the 1800s, they were common in the longleaf pine savannas and deciduous forests of the southeastern United States. However, habitat degradation, persecution, and interbreeding with the coyote nearly annihilated them. Today, reintroduced red wolves are found only in peninsular northeastern North Carolina within less than 1 percent of their former range. In *The Secret World of Red Wolves*, nature writer T. DeLene Beeland shadows the U.S. Fish and Wildlife Service's pioneering recovery program over the course of a year to craft an intimate portrait of the red wolf, its history, and its restoration. Her engaging exploration of this top-level predator traces the intense effort of conservation personnel to save a species that has slipped to the verge of extinction. Beeland weaves together the voices of scientists, conservationists, and local landowners while posing larger questions about human coexistence with red wolves, our understanding of what defines this animal as a distinct species, and how climate change may swamp its current habitat.

Postcolonial Love Poem

Poems *Graywolf Press*

Natalie Diaz's highly anticipated follow-up to *When My Brother Was an Aztec*, winner of an American Book Award *Postcolonial Love Poem* is an anthem of desire against erasure. Natalie Diaz's brilliant second collection demands that every body carried in its pages—bodies of language, land, rivers, suffering brothers, enemies, and lovers—be touched and held as beloveds. Through these poems, the wounds inflicted by America onto an indigenous people are allowed to bloom pleasure and tenderness: "Let me call my anxiety, desire, then. / Let me call it, a garden." In this new lyrical landscape, the bodies of indigenous, Latinx, black, and brown women are simultaneously the body

politic and the body ecstatic. In claiming this autonomy of desire, language is pushed to its dark edges, the astonishing dunefields and forests where pleasure and love are both grief and joy, violence and sensuality. Diaz defies the conditions from which she writes, a nation whose creation predicated the diminishment and ultimate erasure of bodies like hers and the people she loves: "I am doing my best to not become a museum / of myself. I am doing my best to breathe in and out. // I am begging: Let me be lonely but not invisible." *Postcolonial Love Poem* unravels notions of American goodness and creates something more powerful than hope—in it, a future is built, future being a matrix of the choices we make now, and in these poems, Diaz chooses love.

There are endless things to discover and whole universes to explore simply by reading a book. But books are only smears of ink without the reader's mind to give their letters meaning and bring them to life. With a rollicking, rhyming text and delightful artwork, poet and storyteller Allan Wolf and illustrator Brianne Farley remind us that books, no matter how they may be consumed, give readers of every background an opportunity to expand their world and spark their imagination. With infectious enthusiasm, *No Buddy Like a Book* offers an ode to the wonders of language--written, spoken, and everything in between.

Metaphysical Dog

Poems *Farrar, Straus and Giroux*

National Book Critics Circle Award Winner A National Book Award Finalist A vital, searching new collection from one of finest American poets at work today In "Those Nights," Frank Bidart writes: "We who could get / somewhere through / words through / sex could not." Words and sex, art and flesh: In *Metaphysical Dog*, Bidart explores their nexus. The result stands among this deeply adventurous poet's most powerful and achieved work, an emotionally naked, fearlessly candid journey through many of the central axes, the central conflicts, of his life, and ours. Near the end of the book, Bidart writes: In adolescence, you thought your work ancient work: to decipher at last human beings' relation to God. Decipher love. To make what was once whole whole again: or to see why it never should have been thought whole. This "ancient work" reflects what the poet sees as fundamental in human feeling, what psychologists and mystics have called the "hunger for the Absolute"—a hunger as fundamental as any physical hunger. This hunger must confront the elusiveness of the Absolute, our self-deluding, failed glimpses of it. The third section of the book is titled "History is a series of failed revelations." The result is one of the most fascinating and ambitious books of poetry in many years. Space Struck *Sarabande Books*

This astonishing, self-assured debut leads us on an exploration to the stars and back, begging us to reconsider our boundaries of self, time, space, and knowledge. The speaker writes, "...the universe/is an arrow/without end/and it asks only one question;/How dare you?" Zig-zagging through the realms of nature, science, and religion, one finds St. Francis sighing in the corner of a studio apartment, tides that are caused by millions of oysters "gasping in unison," an ark filled with women in its stables, and prayers that reach God fastest by balloon. There's pathos: "When my new lover tells me I'm correct to love him, I/realize the sound isn't metal at all. It's not the coins rattling/ on concrete, but the fingers scraping to pick them up." And humor, too: "...even the sun's been sighing Not you again/when it sees me." After reading this far-reaching, inventive collection, we too are startled, space struck, our pockets gloriously "filled with space dust."

Tracker is known far and wide for his skills as a hunter: "He has a nose," people say. Engaged to track down a mysterious boy who disappeared three years earlier, Tracker breaks his own rule of always working alone when he finds himself part of a group that comes together to search for the boy. The band is a hodgepodge, full of unusual characters with secrets of their own, including a shape-shifting man-animal known as Leopard. As Tracker follows the boy's scent--from one ancient city to another; into dense forests and across deep rivers--he and the band are set upon by creatures intent on destroying them. As he struggles to survive, Tracker starts to wonder: Who, really, is this boy? Why has he been missing for so long? Why do so many people want to keep Tracker from finding him? And perhaps the most important questions of all: Who is telling the truth, and who is lying? Drawing from African history and mythology and his own rich imagination, Marlon James has written a novel unlike anything that's come before it: a saga of breathtaking adventure that's also an ambitious, involving read. Defying categorization and full of unforgettable characters, Black Leopard, Red Wolf is both surprising and profound as it explores the fundamentals of truth, the limits of power, and our need to understand them both.

The Beauty Myth**How Images of Beauty Are Used Against Women** *Harper Collins*

The bestselling classic that redefined our view of the relationship between beauty and female identity. In today's world, women have more power, legal recognition, and professional success than ever before. Alongside the evident progress of the women's movement, however, writer and journalist Naomi Wolf is troubled by a different kind of social control, which, she argues, may prove just as restrictive as the traditional image of homemaker and wife. It's the beauty myth, an obsession with physical perfection that traps the modern woman in an endless spiral of hope, self-consciousness, and self-hatred as she tries to fulfill society's impossible definition of "the flawless beauty."

Vagina

A New Biography *Virago Press*

The embarrassment and alienation we often feel when the word 'vagina' comes up in conversation is fairly new. In this book, Naomi Wolf explains why the vagina deserves an understanding of its own cultural lineage and ancestry because, what is true of the female body in general, is more true of the vagina than of any other feminine aspect.
