The Haynes Owner's Workshop Manuals are a series of practical manuals from the British publisher

Haynes Publishing Group. The series primarily focuses upon the maintenance and repair of automotive vehicles, covering a wide range of makes and models; the manuals are aimed mainly at DIY enthusiasts rather than professional garage mechanics, as they lack the depth of coverage on particular vehicles or problems. The series includes a range of 'practical lifestyle' manuals in the same style for a range of vehicles.

Haynes Manual - Wikipedia

The Leopard 1 family of vehicles became the first fully-German developed series of armoured combat vehicles to be built since the end of the Second World War.

Using the German-built version of the British L7 105mm gun the Leopard focused on firepower and with its impressive cross-country performance it was unmatched by most other tank designs of the era. Michael Shackleton and Mike Cecil ...
