The form and function of the 'synagogue' in the first century CE has been the focus of a great deal of recent scholarly discussion. A previous generation of scholars would have perceived a reference to a synagogue in a New Testament text as a monolithic institution with clearly defined functions principally involving worship. More recent scholarship has questioned many of these assumptions ...

Reconstructing the First-century Synagogue: A Critical ...

The Synagogue in the First Century A synagogue in the ancient world functioned as a place of study, worship, and community gathering. The Greek word sunagoge means a bringing together or assembly, and in the context of a building in ancient Judea, it was a place of assembly or a meetinghouse (Liddell, et al., A Greek-English Lexicon, 1692).
